Eight achieve 'Honors With Distinction'

Submitted article

Eight seniors who are a part of the Washington Court House City Schools High School graduating class of 2018 will be honored during the ceremony on May 27 for earning "Honors With Distinction."

Beginning in 2016, Washington High School will honor any student who meets the established criteria as students who achieve Honors With Distinction. The criteria are: earning an Honors Diploma from the State of Ohio, an ACT score of at least 27, earning at least 29 credits, a G.P.A. of no

less than 4.0 on a 5.0 scale, and passing at least one weighted class in each core content area throughout their high school career. Washington High School is proud to present this honor to the following students:

Anthony Kuenzli is the son of Christy and DJ Jenkins and Jim Kuenzli. He plans on attending the Ohio State University where he will major in Aeronautical and Astronautical Engineering.

Jonathon Luebbe is the son of Steve and Jenny Luebbe. He plans on attending the University of Cincinnati where he will major in Aerospace Engineering.

Jaelyn Mason is the daughter of Jessica and Louis Reid and Jason Mason. She plans on attending Ohio Dominican University where she will major in Biology. After graduating college, she plans on returning to school to be a Physician's Assistant.

Spencer Minyo is the son of Buck and Debbie Minyo. He is planning on attending Miami University where he will major in Biochemistry and Pre-Medicine. After graduating from college, he would like to return to school to study genetics.

Cody Riley is the son of Cheri and Chad Riley. He plans on attending the Ohio

State University where he will major in Electrical Engineering.

Keiya Satoh is the son of Ikuo and Rumiko Satoh. He plans on attending the Ohio State University where he will major in Environmental Engineering.

Maxim Schroeder is the son of Thomas and Jessica Schroeder. He plans on attending the Ohio State University where he will major in Microbiology.

Joshua Trimmer is the son of Darcy and Nyleah Trimmer. He has an appointment with the United States Military Academy at West Point where he will major in Kinesiology.

Congratulations to the Class of 2018! Thinking about your next step? We can help

Become certified in less than a year in:

- Auto collision Technology
- Automotive Service Technology
- Comp TIA + Computer certifications
- Construction Technologies
- Dental Assisting
- EKG Technician

Dear Washington High School Class of 2018,

In the fall of 2014, you entered Washington High School as freshmen with Mr. Wood serving as your principal while I served as your assistant principal. For the next two years, I was blessed to have had the opportunity to move into the role as your principal with Mr. Hemmelgarn serving as our assistant. Today, I am very proud to be a part of your final year of high school serving with Mr. Creamer as our assistant. Not only has the last four years brought about much change, but it seems to have all passed so quickly. I know your entire school career has passed quickly for you and your parents as well.

As I reflect on your class, many of the memories that you and your families share come to mind. These memories include events and accomplishments in the realms of athletic performances and championships, musical shows and concerts, art projects and awards, and academic successes and triumphs. However, the most notable characteristic I will always appreciate about your class is

the number of positive relationships you built with your teachers, your class members, and the other students in the building. You are truly a fun group of students that have provided all of us with countless enjoyable moments.

Many of you are pursuing post-secondary education, some are headed for military service, and others are becoming contributing members of our community's workforce. Whether you are doing one of these or something else, I trust that the work ethic you have developed, the interpersonal skills you have honed, and the content knowledge you have gained will serve you well.

As your final days of being students come to a close and your years of being Washington High School alumni begin, we hope that you will always cherish your days in Washington Court House City Schools. I encourage you to visit often and keep us posted on how your life is progressing. I wish you all the best and look forward to seeing the impact you will make on our world!

Sincerely,
Tracy Rose

Principal of Washington High School

*Dear Miami
Trace High School
Class of 2018:*

As your last year draws to a close, I would like to take this opportunity to thank you for making this an enjoyable year.

I have watched you grow and develop into an outstanding class. You have left a legacy of hard work, pride in your school, and class unity. I hope this foundation you have built over the last four years at Miami Trace sustains you and enables you to be successful in any endeavor you choose to undertake in life.

As we reflect on your class, it would be a mistake if we didn't acknowledge the contributions of your parents and grandparents. Please take the time to thank them for all they've done for you.

I invite you to continue your association with Miami Trace High School. Please feel free to return and visit with us. You are a great class with much success as individuals and as a whole. I wish you good health and future success.

Sincerely yours,
Robert Enochs

Dear Fayette Christian School Class of 2018,

As you come to the culmination of your high school years, and I finish my second year as principal, I realize just how many memories one can make in a short time.

We will miss you. However, I am excited about the future that God has for each of you, and for that reason, I can't be too sad that you are graduating.

I am thankful for the student leadership you have displayed. You each have a servant's heart. You have been actively involved in academics, sports, fine arts, and whatever other activities came your way. You have also been leaders in your churches and communities. You have well represented your families, your school, and most importantly, your Lord.

Your parents and other family

members, along with your teachers, are proud of who you are and what you are becoming by God's grace.

As you leave the daily influence of Fayette Christian School, I would like to echo to you the Apostle Paul's admonition to his spiritual son Timothy, "But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them; And that from a child thou hast known the Holy Scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus."

May God's richest blessings abound to each of you.

Larry Fitch, Principal
Fayette Christian School
