CENTERED AROUND THE WAY YOU WORK

Centerpiece is proof that attractive can also be productive. Elegant can be efficient. And any space can benefit from the warmth and richness of fine hardwood veneers. Centerpiece desks reflect the quality and distinction that high-achievers demand. The abundant storage options are complemented with a variety of finishes, glass doors and handle designs to make every space personal. Each layout is designed to support a variety of work styles, including sit-to-stand. With Centerpiece, customizing your work environment to fit your needs is always in fashion.

MEETING EVERY NEED

Important presentations. Impromptu connections. Individual focus. Today, meeting spaces serve more functions than ever before, and Centerpiece tables bring any type of meeting to order. Whether used in private offices, dedicated or shared meeting spaces, it's always easy and convenient to pull people together around a Centerpiece table. The upscale design and hardwood veneer match the surrounding desks and storage to create a consistent look and feel. Add a matching hospitality credenza to serve your guests in style.

A. LEADING BY DESIGN

Positioning a Centerpiece table by adjacent offices can give leadership the ability to accomplish more in a single setting.

B. OPEN AND INVITING

Open spaces serve many purposes. Keep every space productive and inviting with a round Centerpiece table that creates a nice change of pace.

C. UP FOR ANY OCCASION

A generous worksurface. Lightweight mobility. Inviting design. Centerpiece occasional tables help you greet guests, regain focus away from the workstation or give mobile workers a convenient drop-in spot.

BEAUTIFULLY APPOINTED

The difference between expected and extraordinary is found in the details. Rich veneers that showcase stunning hardwood to create enduring beauty. Distinctive glass doors and Polished Aluminum handles add color, texture and warmth. These elements combine to become more than a desk. They create a Centerpiece.
