If a contest is interrupted by power failure or other emergency beyond the control of game or school officials, the balance of the contest interrupted shall be played from the instant of interruption at the same location at a time agreed upon by each principal or designee of the schools involved. A contest may be postponed by mutual agreement of the administrative representatives from both schools, unless each principal/designee involved agrees to continue the contest. (Their decision may be made the following day.) If a mutual agreement cannot be reached, the Executive Committee will establish a time, date and location. Failure to comply will result in a forfeit. It is the responsibility of the home team to contact the officials and also arrange for officials in the case of a make-up contest.

The team that caused the forfeit will receive a loss and the other team involved will receive a win on their respective records. These league contests include crossover games in sports where they are played. If a team forfeits a league or playoff game, we will follow CHSAA policy.
6. When rescheduling, league games shall take precedence over non-league games.
