# Are You the Best at What You Do?

## CAN YOU PROVE IT?

**M**EET THE standards of ABC's new voluntary **Central Fabrication Accreditation program** and prove to your customers that you have met the same high standards they have when it comes to running your business.

The 60 standards that you'll be measured against promote best business practices and process improvement.

**Central Fabrication Standards** cover areas such as:

- ★ Custom device tracking system
- ★ Accurate record keeping
- ★ Appropriately trained personnel
- ★ Device recall and failure procedures
- ★ Quality assurance programs

ABC is now accepting applications for its **Central Fabrication Accreditation program!**
