PARSHAS Balak בלק

Fast of Tammuz
Sunday June 27th

June 25, 2021

Torah - Stone Chumash: Pg. 856
Haftorah - Stone Chumash Pg. 1189

15 Tammuz 5781

From The Rabbi's Desk

Rabbi Yisroel Edelman

In this week's *Parsha* we find one of the most unusual and comical incidents – a talking donkey! The gentile prophet Bilam is hired by King Balak of Moav to curse *Bnai Yisrael*. Bilam travels on his donkey to Moav and on the way the donkey smashes Bilam's foot as a sign of his folly. But why the foot and not any other body part? Perhaps the reason is based on the teaching of *Chazal* - שקר אין לה רגלים "Falsehood has no feet" which means that lies cannot stand up for long because truth will ultimately prevail. Bilam personified falsehood. His arrogant attitude, lust for money and honor blinded him into thinking he could even fool *Hashem*. But it was all based on falsehood and falsehood cannot stand. This is illustrated with the letters of the word - שקר "falsehood" whose letters cannot stand on their own, because they are grounded by only one point and quickly topple over. This is in stark contrast to the word for "truth" – אמת whose letters are firmly grounded by two points! In the end Bilam was the conduit to pronounce eternal blessings upon *Bnai Yisrael*. May we always stand firmly with truth and be the recipients of *Hashem's* bountiful blessings.

Update in YIDB Policies Regarding COVID

As, *Boruch Hashem*, more and more of our members and the public continue to be vaccinated, we have been able to relax additional COVID-19 preventative measures at YIDB. Fully vaccinated people are defined as being at least two weeks after receiving the final vaccine dose required. Fully vaccinated immunocompromised members should consult their physicians to make certain they can participate in the currently approved activities.

Our guidelines are:

Attendees who are fully vaccinated, **whether members or guests**, no longer need to wear masks in the Shul. However, guests must have vaccination cards and photo IDs with them to be seated in the main section of the Shul.

1. Fully vaccinated *Rabbonim* and/or lay speakers will be giving *shiurim* without masks at reasonable distances from their audience.
2. *Balei Tefila* and *Balei Korei* no longer are required to be masked. **However**, if someone receives an *Aliyah* and wants the *Bal Korei* to wear a mask during that *Aliyah*, they will accommodate.
3. *Aliyahs* will continue to be given only to those fully vaccinated.
4. Those men not vaccinated, whether members or guests, will continue to be required to sit in rear, small social hall section. A similar separate section is made available for non-vaccinated women attendees. In both cases, such attendees must be fully masked.
5. All guests **who are not vaccinated**, must pre-register for attendance. The guests must contact Steven Schoenfeld directly, by e-mail at sschoenfeld@youngisraeldb.com or by phone at (917) 741-0299, **no later than 48 hours prior to date of attendance**.
6. Children under the age of 10 are not permitted in Shul at this time.

We thank you, as always, for your continued support and cooperation. We look forward to implementing additional steps toward normalcy as they are deemed prudent for our congregation.
