THE INDIANA ASSOCIATION OF SPIRITUALISTS

IAOS DECLARATION OF PRINCIPLES

1. We believe in Infinite Intelligence.
2. We believe that the phenomena of Nature, both physical and spiritual, are the expression of Infinite Intelligence.
3. We affirm that a correct understanding of such expression, and living in accordance therewith, constitute true religion.
4. We affirm that the existence and personal identity of the individual continue after the change called death.
5. We affirm that communication with the so-called dead is a fact, scientifically proven by the phenomena of Spiritualism.
6. We believe that the highest morality is contained in the Golden Rule: 'Whatsoever ye would that others should do unto you, do ye also unto them.'
7. We affirm the moral responsibility of the individual, and that we make our own happiness or unhappiness as we obey or disobey Nature's physical and spiritual laws.
8. We affirm that the doorway to reformation is never closed against any human soul, here or hereafter.
9. We affirm that the precepts of prophecy and healing contained in the Bible and all sacred writings of the world are divine attributes proven through mediumship.

ABOUT THE INDIANA ASSOCIATION OF SPIRITUALISTS

The fundamental objectives of the *Indiana Association of Spiritualists* are:

Sec.1. To develop a knowledge by study and teaching of the highest spiritual powers of intellect and inspiration; to study and teach a knowledge of man's obligations to the true purpose of this life and the life after the change called death; to study and teach the highest principles of virtue; and to heighten the moral conception of justice and truth.

Sec.2. To seek and develop a knowledge of the real relationship between man and spirit.

Sec.3. To promote a knowledge of the principles and truth of Spiritualism and to hold communication with the spirits of the departed through the natural powers of mediumship.

Sec. 4. The highest aim shall be to present such phenomena to the world as shall demonstrate the existence of a spiritual world and the continuity of life beyond the change called death.

For promoting these inestimable ends, this Association was formed and now exists. These fundamental aims are inerrant and unchangeable.

The IAOS was legally organized in 1888, in the state of Indiana. All authority concerning the granting of certification in the denomination's seminary programs rests with the Board of Trustees of the *Indiana Association of Spiritualists*.
