Did you take time during the week of February 20, to fill out a questionaire at the Lowell Branch Library?
If you did, the Library is

grateful to you, and so is the State Library, who asked that as many users as possible be urged to record their age, occupation, sex, reasons for coming to the library, and whether or not they thought the hours were convenient.

The Lowell staff had time to ask 62 patrons to check the State form. A total of 21 males and 41 females were questioned. The largest number queried were between 6-13 with 14-18

year olds running second. The 41-60 group was third highest Most users came for personal reading matter and for reference material relating to school studies. The majority stated they found most of the material they needed.

Lowell patrons joined 2889 County residents who took part the survey, the first of its kind to be conducted in Michigan. Over 270 public library systems in the state cooperated. State-wide, the survey showed that more than 615,000 elementary and high school students. one-out-of-three enrolled in public and parochial schools, use

public libraries every week, in addition to students who attend Michigan's 69 colleges and universities. State-wide, over 135,000 men and women in business, indus-

THE NATIONAL AND WORLD COUNCIL OF CHURCHES

An Entirely Different Message

The National Council of Churches at a recent triennal meeting had this to say: "The aim of the church is the renewal of the social structure and not the saving of individual souls."

When the World Council of Churches Division of World Missions and Evangelism met in Mexico City it said: "Evangelism is a misused, misunderstood word. Most people think of it as meaning the conversion of sinners, the more the better. Actually it means service. For example, if I care for a dope addict because the city does not have the facilities for him, and because society considers him a criminal, I consider this to be evangelism."

Now let's see what Jesus Christ says:

—"Except a man be born again, he cannot see the kingdom of God." John 3:3
—"Likewise, I say unto you, there is joy in the presence of the angels of God over one sinner that repenteth." Luke 15:10

—"And he said unto them. Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved, but he that believeth not shall be damned." Mark 16: 15, 16

---"For the Son of man is come to seek and to save that which was lost." Luke 19:10

Now the statements of the National and World Council of Churches are diametrically opposed to the words of Jesus Christ Himself. What is evangelism? Evangelism is the bringing of the Evangel—the Good News of Salvation by Sovereign Grace through faith in Jesus Christ to all men everywhere! This is our message!

Many who read these lines are members of churches associated with the National and World Council of Churches, You and your children get Sunday School and Vacation Church School material approved by this Council, You should take a good second look at it.

Believe the words of Jesus Christ and attend a Church that preaches what Jesus says.

Latin Club has Roman banquet

The Lowell High School Latin Club held their annual banquet, Saturday, May 16, at 7 at the High School. A reception was held in the North entrance of the building for guests and members, followed by a procession into the dining hall where the sacrifices to the gods was presented by the President Greg Hoag, While being seated on the floor at the different tables, hors d'oeuvres were served by slaves and a wreath dance was given by the first year clubmembers.

The first course which included a relish tray of deviled eggs, stuffed celery carrot sticks, olives, pickles and radishes was then served while we enjoyed a Roman skit by the first year members and the Roman minstrels by two of the second year students. Then came the main course with a roasted pigs head surrounded by ham slices turkey slices and small whole potatoes, followed by a tray of garlic bread, a tray of meat balls and green beans and lots of red wine, while watching a beautiful scarf dance being given by the second year club girls and a Gladiator Fight given by the first year club boys.

The last course of watermelon slices, orange slices, stuffed dates, pineapple slices, muskmelon slices and delicious strawberries was enjoyed while the slaves were undergoing the sacred rites of baptism with water from the mighty Tiber and the severing of their chains, they were freed by their masters.

After that the slaves were given one wish, and that wish was to make their masters do a foolish stunt.

This banquet was based on the banquets that were held in the time of the Romans. At that time, at a large banquet, the people were seated on the floor by small long tables. During the banquet the food was served between entertainments.

The theme of this banquet was "A Roman Holiday". To top the evening off a beautiful plant was presented to Mrs. Roth by the club in appreciation for all the help that she gave to them.

WITH SAM

Taking over the lead on the eleventh lap from pacesetter Wally Sanders, Nolan Johncock of Hastings went on to win the 10-mile feature race for super modifieds Saturday night at the Berlin Raceway.

Jimmy Nelson of Flint was second, followed by Johnny Logan of Charlotte, Nick Rowe of Portland and Bill Thurkettle of Muskegon.

Race veteran Dick Carter of Saginaw was hospitalized after his race car piggy-backed over the car of Jack Smith and crashed into the concrete retaining wall. Lady luck rode with Rich Sen-

neker of Grand Rapids, as he survived a 10-car pile-up and captured his third consecutive modified sportsmen win of the season on the 16-mile clay oval. Heat race winners in the sportsmen division were Paul Weisner of Muskegon, Al Huls, Art Houck of Grand Rapids, and Senneker.

Super modified winners were Carter, Sanders and Elmer Herrington of Kalamazoo.

Nelson Stormzand and Larry Lawrence encountered a number of problems at the Hastings Speedway Friday night. Lawrence broke an axle and Stormzand blew his engine. The only Lowell driver to survive the crisis was Hugh Linkfield.

Wayne Kline copped the fast car dash in the sportsmen division with heat race victories being scored by Herb Kirtz, and Bob Johnson. Johnson also brought home the bacon in the feature event.

High flying Gordie Bissett outdrove a field of 19 other contenders to win the 25-lap feature race, for flying stocks. Heat race winners were Sherm Colvac. Dennie Tredwell and Paul Smith.

The legality of the racing rules and regulations set up at the Grand Rapids Speedrome, Saturday night caused quite a controversy between the drivers and spectators, and allowed Bob Senneker to win his 6th consecutive feature event in the semi-late- model division.

Senneker was given the victory by the track officials when a protest was made following the race which was originally won by Larry Townsil of Grand Rapids.

Townsil was disqualified on the basis that he was running a racing slick on the right rear. The rules of the track specifically state that no racing slicks can be run.

But upon investigating a copy of the rules, just about every car that set in the pits that night was illegal, according to the rules. So the question that ponders my mind is, should he have been protested and been allowed to lose?

Rumors flying around the pits said that Townsil had been warned regarding the use of the tire; but shouldn't that have been where the enforcement of the rules should have started? If ne was running illegal, he shouldn't have been allowed on the track in the first place. But on the other hand if everyone else is turned out to pasture with illegal fixin's, why not?

There are so many aspects of the rules that can cause quibbling, that I sometimes wonder if it pays to race and for that fact even be a spectator, as much as I love the sport.

Racing rules are a touchy subject, and the heated arguments that arise sometimes could burn your ears. Oh well, may the best man win!
