Terms & Conditions of Sale

Absolute Warranties All Products Manufactured to Be Free From Defects In Both Material and /or Workmanship for a Period of Thirty (30) Days From Date of Sale. If for Any Reason The Buyer is Not Satisfied With Any Product Manufactured & Sold By Absolute Just Return The Item(S) Within Thirty (30) Days From Date of Sale for Refund or Exchange to The Place or Origin. If Such Item or Products is Not a Manufacturing Defect, it is Subject to a 20% Restocking Charge. Proof of Purchase is Required From Absolute Sheet Metal. See No. 8 Below.

Notice to Buyers Ordering: You May Order By Mail, Telephone, Fax Machine, E-Mail. All Absolute Kits Are Shipped Ups. We Accept MasterCard, Visa or American Express. Please Include All Pertinent Information When Ordering Parts. Give Us The Model & Year of Your Vehicle & Use The Part Numbers When Possible. List Your Phone Number & Area Code.

2. Prices: All Prices Are F.O.B. Chino Valley, AZ., USA & Stated In U.S. Dollars. Prices Are Effective on The Date Shown & Subject to Change Without Prior Notice or Approval. In The Event of a Substantial Increase In Price, You Will Be Notified Prior to Shipment of Your Order.

3. Packaging: The Goods Will Be Packed In Accordance With Seller S Then Prevailing Packaging. Buyer Shall Pay All Costs for Special Packaging Requested By The Buyer.

4. Personal Check: Prepayment By Check is Also Welcome, However, Some Delay May Occur Due to Bank Clearance Time. Also Note That You Should Call Our Shipping Department to Find Out What The Shipping Costs Will Be Along With Your Product Order.

5. Shipping: All Orders Are Shipped Via UPS Oversize or Overweight Items Will Be Shipped Regular Ground & Extra Shipping Charges Will Be Added to The Invoice.

6. Shortages: <u>Examine Your Order Carefully.</u> Call Immediately Upon Finding Any Shortages. <u>No Allowances</u> Will Be Made for Shortages Unless We Are Notified Within 5 Days With The Invoice Number & Its Date.

7. Damaged Goods or Risk of Loss: Shall Be on The Buyer From The Time Seller Delivers The Goods to a Carrier for Shipment to Buyer, Without Reference to The Type of Shipment. Seller Shall Not Be Liable for Any Loss or Damage Sustained In Transit. Buyer Must Assert Claims for Damages In Transit Against The Carrier.

8. Returns: You May Return Any Kit or Parts Ordered, But Not Parts of Kits, for Up to 30 Days After The Original Ship Date. All Returns, However, <u>Must</u> Be Made Within The 30 Days From Receipt. This Includes Flawed or Incorrect Merchandise. <u>No Exceptions.</u>

Any Merchandise to Be Returned to Absolute Must Have a Return Authorization Number Issued By Our Shipping Dept., Which Can Be Reached During Regular Working Hours At (928) 420-1254. The Return Policy is As Follows:

1. You Must Be Issued a Return Authorization Number.

2. You Must Return Merchandise to Us Within 30 Days of Receiving a Return Number. The Number Must Be Visible on The Outside of The Returning Container.

3. All Returns Must Be "Pre-Paid Shipping" & Fully Insured, As We Cannot Accept Collect Shipments.

4. In Cases Where a Return is Due to Our Error, We Will Refund "Pre-Paid" Freight Charges. After 30 Days All Sales Are Final.

5. Merchandise Shipped In Error, or Has Flaws Due to Craftsmanship or Defects In Materials, Will Be Immediately Exchanged or Refunded At No Charge. Merchandise Returned for Any Other Reason Will Be Charged a 20% Restocking Fee 1-30 Days From Original Ship Date. Product Must Have Been Purchased Directly From Absolute & Accompanied With a Copy of The Purchase Invoice.

9. Refused Shipments: Any Customer Who Refuses a Delivery of an Order (Damaged Shipment Excluded) Will Be Required to Pay The Additional Return Freight Charges. These Charges Must Be Paid In Full Before Any Future Orders Will Be Shipped.

10. Back Orders: We Maintain a Back Order Program. If Your Full Order Cannot Be Shipped In Total, We Will Place The Balance of Your Order Into Back Order Mode.

11. Tax: In Addition to Quoted Purchase Price, Buyer Shall Pay Any Tax Which Seller May Be Required to Pay or Collect Under Any Existing or "Future" Law, Upon or With Respect to The Sale or Purchase of Absolute Merchandise.

12. Manufacturer S Right Retained: Absolute Reserves The Right to Make Changes In Design or to Make Additions to or to Improve Upon Any Product At Any Time Without Incurring Any Obligation Whatsoever to Install The Same or Improve Upon Products Previously Manufactured.

13. Notice to All Buyers; Absolute Cannot Control The Application, Installation, Modification or Utilization of Our Products By Our Customers. Accordingly, No Express Warranties Are Given & The Company Makes No Warranty of Merchantability. The Products Are Sold on an "As is" Basis.

14. Specifications: The Product Shall Meet Seller S Standard Specifications Unless Buyer, In Placing The Order, Makes a Written Request for Reasonable Variations & Seller Expressly Agrees, In Writing, to Make Such Variations.

15. Testing: Buyer, In Addition to The Purchase Price, Shall Pay All Cost Incurred In Connection With Any Testing to Determine Whether The Goods Meet The Particular Specification of The Buyer. Buyer Must Specify Such Special Testing Requirements At Time of Order.

16. Patents: Buyer Shall, In Respect to Goods Packaged By Seller In Accordance With Designs, Processes, Formulas or Supplies,

Determined, or Requested By Buyer, Defend, Indemnify, & Hold Harmless, Seller, it's Successors & Assigns From & Against Any Claim, Loss, Damage or Expense, Including Attorney S Fees, Arising Out of Any Infringement or Claim of Infringement of Any Letters Patent, Trade Name, Trademark, Copyright, or Trade Secrets By Reason of The Use of Such Designs, Processes, or Formulas. Seller Shall Promptly Notify Buyer of Such Claim or Infringement No Returns Will Be Accepted After 30 Days From Shipping.

1947-55 1st Chevrolet First Series Only

The 1947-1955 Chevy (first series) and the G.M.C. pick-up and panel truck firewall from Bitchin Parts, was designed with no sharp bends or corners. All the set-back bends are rounded and smooth. After a lot of design, redesign work and new tooling, we have succeeded in making it a truly fine 16 gauge cold rolled steel firewall...one that you'll be proud to have in your truck. All of our firewalls are made in our Prescott area facility and come with all the necessary components and a complete easy to follow instruction booklet. This firewall has a frontal opening of 41" with a set-back of 3"...more than enough room for you small or big block guys. If you have any questions, contact our customer service department for additional information @ **928-420-1254**.

FIREWALLS & TECHNICAL INFO

Does your firewall look like this?

ORDERS ONLY 1-928-420-1254

Visa & Mastercard Welcome

It could look neat and clean like this.

NOTE: These firewalls are designed for the most popular enginetransmission conversion which is a Chevy engine and GMC turbo transmission. Any other engine installation (ford, Mopar, etc.) may require rework of the bell housing area of the firewall

751002 47-54 FRONT FLOOR KIT

Chevy front floorboard kits are designed to fit your stock firewall. The floors are 16 gauge cold rolled steel (heavier than stock) & has an 18-gauge tranny tunnel that will clear the typical modern automatic transmissions. Each kit comes with the bracing & floor brackets needed to make your floor as strong as or better than new.

FRONT & REAR FLOOR KITS

751003 47 - 55 FRONT FLOOR KIT

Chevy front floor kits are designed to fit a 751000 Firewall. The floors are 16 gauge cold rolled steel (heavier than stock) & has an 18-gauge tranny tunnel that will clear the typical modern automatic transmissions. Each kit comes with the bracing & floor brackets needed to make your floor as strong as or better than new

751004 47 - 54 REAR FLOOR KIT

Chevy rear floorboard kits are 16 gauge cold rolled steel (heavier than stock) & has an 18-gauge tranny tunnel that will clear the typical modern automatic transmissions. Each kit comes with the bracing & floor brackets needed to make your floor as strong as or better than new

COWL VENT FILLER

751023 47-53 TOP

These cowl vent fillers are made a little larger than the stock vent opening so they can be trimmed for a good fit. Also, the outer edge has a slight roll to allow for a better flush weld. So, fill that hole & swap meet the old parts for a few bucks!

751024 47-50 SIDE

\$22.00 EA.

APRON KIT

If you're like most street rodders, you want your ride to be a little different, so we at Bitchin Parts have re-designed the 1947-1955 Chevy (1st Series) Pick-Up and Panel Truck inner fender aprons. By doing this, we have really cleaned up the engine compartment.

751040 47-53

\$415⁰⁰

This part will not fit a G.M.C Pickup or Panel of the same year..

The parts in this kit are 18 Guage cold rolled steel and each Apron comes with a row of louvers to allow your engine heat to escape into the sheel well. When you install this kit in conjunction with our Bitchin Parts Firewall and one of our posi-align core supports, your engine compartment will take on a whole new appearance. Remember those ugly long radiator support rods that reach from your stock firewall o your core support? When you install your new Inner Fender Apron Kit along with our Core Support Kit, those stock support rods are no longer required. This inner Fender Apron Kit comes with complete instructions needed to install it in your truck. This is a bolt-in kit with no welding required. Once your kit is installed, you'll be surprised at how nice it looks and how professional the installation appears. This kit will match up against your stockfirewall and stock radiator core support with a small amount of trimming to the back edges and some minor adjustments to the front edges.

751064 47-53

\$420.00

751065 54-55 1st

ÕTÔ Vrucks of the same year Ă/@ãÁ ãÁ æ Áů^•ã }^åÁæ ÁæÆ[•ãÄ|ã } Ææåãæ∉ ¦Æ[¦^ÁS`]][¦As@æÆá Áæååã^&Aåå[|cã, Á & a list of the hardware needed to install. If you mount your radiator in the lower position (for V-8 S) the stock front lower apron will cover about 21/4 inches of the bottom of your radiator. That is why you must use the #751036 apron with this kit, because it is flatter in the rear, which keeps your radiator core open to the direct flow of air. If you run your radiator up, use the stock lower apron.
