

CENTRAL

The Central Zone, comprising States like Madhya Pradesh and Chhattisgarh, are emphasising on improving the quality of higher education. To improve teaching-learning process in the higher education institutes of the two States, evaluation of educational facilities and activities along with technology-based learning are gaining prominence. With the governments of these States gradually increasing their spending on education and skill development, a large number of private players have come forward to be a part of the educational transformation.

EAST

The East Zone, with States like Bihar, Assam, Jharkhand, Odisha and West Bengal, is home to some of the best private engineering institutions in India.

Higher education has a huge scope for infrastructural development in this education segment along with quality and access of teaching resources in the region. The governments of these States are also focussing on introducing industry-oriented courses in the higher education segment.

NORTH

Punjab, Haryana, Uttarakhand, Uttar Pradesh, Himachal Pradesh, Delhi, and Jammu and Kashmir, the States of the Northern Zone, are making tremendous efforts to do away with the demographic divide through several initiatives and by encouraging public-private partnerships to promote quality of higher education.

With demographic structure highly skewed towards young population, several world-class private institutions have come up in these States apart from traditional centres of learning that have the legacy of offering world-class education.

SOUTH

Southern Indian states like Karnataka, Telangana, Andhra Pradesh, Tamil Nadu and Kerala play a crucial role in setting benchmark for the best practices in higher education. These States have always shown the way forward to other States in the country in terms of level of higher education. Engineering education in these States has not only kept pace with changing learning requirements in the country, but also innovation in imparting education has acquired the centre stage.

**SDME Society (Regd.) Ujire
Shri Dharmasthala Manjunatheshwara
College of Engineering & Technology,
Dharwad - 580 002, Karnataka**

An Autonomous Institution Affiliated to VTU Belagavi

Accredited twice by NBA , Recognized by AICTE, UGC New Delhi & World Bank Grant Beneficiary

Shri Dharmasthala Manjunatheshwara College of Engineering & Technology, Dharwad was established in 1979 under the flagship of SDME Society and has grown into one of the nationally acclaimed -premier engineering institutions of the country. President of SDME Society - Dr. D. Veerendra Heggade, Dharmadhikari of Sri Kshetra Dharmasthala is the guiding spirit and driving force for all progress and achievement of all the institutions established under SDME Society.

Highlights & Recognitions

SDMCET has been consistently ranked high amongst Private Engineering Colleges of the country and has stood one of the Top Ten Engineering Colleges in the state to get all the seats filled in the first round of counseling itself under Government Quota | SDMCET is one among top few Institutions in Karnataka to acquire autonomous status from VTU Belagavi , UGC New Delhi on the basis of academic caliber, impressive infrastructure, good governance and robust curriculum | SDMCET has been recognized as an innovation centre by the District Industries Centre and also the department of ITBT of Karnataka has recognized SDMCET as a centre for R& D and Entrepreneurial activities/ Institution is recognized under section 2 (f) and 12 (B) of UGC Act 1956 for receipt of UGC Grants.

Academic Programs

Under Graduate Courses	B.E	Civil Engg. Mechanical Engg. Electrical Engg. E & C Engg. Computer Science Engg. Chemical Engg. Information Science Engg.
Post Graduate Courses	M.Tech	Digital Electronics, CAD of structures Engg. Analysis & Design Computer Science Engg Power System Industrial Automation & Robotics Information Technology MBA

Research Centres All the Engg. & Science departments have been recognised as research Centres to offer Ph.D. Programs

Academic Excellence & Institution with a Difference

An Autonomous Institute with a state-of-the-art curricula and syllabi | High tech multimedia class rooms and well equipped laboratories | Digital Library-Access to e-books & e-journals, Webinarium | Incubation and R & D centres, | Excellent placement record coupled with multitude opportunities | Browsing Centre / Internet (100 MBPS bandwidth), Intranet and Wi Fi facilities.

Campus Placements

Converting student potential into great career through consistent placement
60+ companies (Oracle, TCS, Sony, Dynametics, TATA Advance + Internship at Intel, KPIT etc.), 400 placements (85%) & highest package of 14 lakh

WEST

The Western Zone, comprising States like Maharashtra, Rajasthan and Gujarat, is known for some of the best private engineering institutes in the country for the quality of education and learning environment they offer. Being a hub of economic activities, this zone has also seen activities in higher education space with institutions readily adopting modern technology and methodology of teaching along with traditional methods to offer a holistic educational experience to learners.

British Council India and the UCL Institute of Education introduce

Becoming a Better Teacher: Exploring Professional Development

A FREE six-week online programme starting on 24 April 2017

Are you looking for new ideas to help you develop as a teacher?

This new MOOC will help you to grow your skills and learn more about different routes to professional development.

Who is the course for?

This course has been specifically designed for the needs of teachers in India, particularly those teaching in English or who teach English as a subject.

Sign up here: www.futurelearn.com/courses/becoming-a-better-teacher
