# TALENT ON PARADE

## WELCOME TO TOP 2021

We are very excited to welcome you to this 2021 regional competition. This is our 24<sup>th</sup> season and, despite the extreme challenges of recent events, we are thrilled to be back with you. The following are the “TOP 10” points to keep in mind for a fun, fair and safe event for everyone.

- 1. Dance competition by its very nature is a subjective event, meaning it is subject to a wide variety of opinions.** The outcome is also subject to a variety of changing circumstances throughout any given day that you likely have no control over. It's just a dance competition. Please accept it for what it is. Especially this season. Breathe, relax, have fun and enjoy this chance to dance regardless of the outcome. The past year has certainly taught us that you never know when you will be allowed to take the stage again in the future.
- 2. Video recording and photography (flash or no flash) will be strictly prohibited by audience members, except during awards presentations.** This is a very common practice in the entertainment industry, and with good reason. Studio directors, teachers and other parents tend to get very grouchy when choreography and/or costuming are copied without approval. More importantly, we're trying to protect the privacy and safety of the kids. The fact is there are people out there of a very questionable nature who may try to use photographic images inappropriately (gross!).
- 3. Do not leave personal items unattended.** Again, the sad fact is that there are those among us who will think nothing of taking stuff that doesn't belong to them if given the opportunity. TOP cannot be responsible for lost, broken, misplaced or stolen items of any kind.
- 4. Please be considerate of one another in the dressing areas.** Especially under the current circumstances. We request that you limit your time in the dressing areas too. Get in, do your business, then get out. Also, if dressing assistance is necessary, please limit to one adult helper per dancer. You might also consider arriving at the venue in your first costume of the day and leaving while in your last costume. Remember to also practice social distancing as much as possible in the dressing areas, (and in all other areas of the venue too).
- 5. Masks and social distancing may be required.** We will follow and enforce the mandates required by the appropriate authorities for the city/state/venue we are in. Specific information for each show will be posted at [talentonparade.com](http://talentonparade.com) and included with information provided to the studio director. Please be compliant and respectful in following any such mandates as they are put in place for your safety and for the safety of those around you. Also, do not move seating into larger groups than what is pre-set for the day. The saving of seats may also be restricted due to a reduction in seating required for social distancing purposes. With limited seating available, we also ask that extended family members, non-dancing friends, etc. watch the show from home on the live-stream feed (where available).
- 6. Dancers should remain in the audience for awards.** We will not bring dancers to the stage as a group this season for awards except for selected TOP 10 lineups. Instead, we will be asking you to choose one representative for each act to pick up when called backstage. Specific directions for each awards ceremony will be announced from the stage.
- 7. Assigned performance times are to be considered approximate only.** Flexibility is key to keeping the show moving. Please be ready, and willing, to perform earlier or later than scheduled. Also, be aware that the timing of awards ceremonies or other events may fluctuate with the schedule during the course of the day. We encourage you to monitor the progress of the show on the Dance Events app. Ask a staffer at the TOP Shop merchandise area for more information about the app if needed.
- 8. Please limit your moving around in the audience during stage performances.** When you stand, or walk down an aisle during a performance you're blocking someone else's view. We understand that it's not always possible, but please try to time moving around to a gap between acts.
- 9. Smoking of any kind is prohibited in the venue.** This includes any kind of electronic and/or vapor devices.
- 10. Guns are prohibited in the venue and on the venue grounds.** This includes concealed carry.

- Q** Steppin' Up Northshore Academy - Lake Bluff, Illinois
- R** Determination Dance - Huntley, Illinois
- S** Sunshine Dance - Glen Ellyn, Illinois

# TALENT ON PARADE

## TOP “POP” aka Programs On Pause

Although we are thrilled to have returned to hosting competitions, we’re also sad that some of what makes TOP special is still on pause due to the Covid pandemic. The following programs are “waiting in the wings” and will make a reappearance as soon as it is safe to bring them back.

### **TOP STARZ**

TOP Starz is our invitation-only program that brings together selected dancers from our regional competitions to participate in special production performances at our summer National Finals. We have paused this program until Covid restrictions generally have been relaxed enough to allow for large gatherings of dancers from different studios to rehearse and perform together in close proximity safely. If at any time during the course of this season we become confident in a lifting of restrictions for the summer, we will establish an open enrollment for those who are interested. Regardless of whether that happens this season or not, we hope to bring back TOP Starz in its original form for the 2022 season.

### **TOP CHARITY DANCE DOWN**

Our Charity Dance Down event has made it possible (with your generous help) for us to donate more than \$100,000 over the years to some very worth causes. This is a tough one to put on pause since we know these non-profits desperately need our help, now more than ever. We have no choice however until we are cleared to bring together a large group of dancers from different studios to the stage again. When that happens, we will bring it back. In the meantime, you can make individual donations directly to our favorite charities, Drea’s Dream and The Truth 365, via their websites if you would like to. Drea’s Dream is a dance therapy/expressive movement program for children with cancer and special needs ([dreadream.org](http://dreadream.org)). The Truth 365 is a national childhood cancer campaign whose National Spokesperson is TOP Dancer Gabi Shull ([thetruth365.org](http://thetruth365.org)).

### **COLLEGE BOUND DANCE FAIR**

This program is part of the TOP mission to assist dancers in moving beyond the competition stage and into post high school dance programs. It’s an event where a wide variety of colleges, universities, and preparatory dance programs are represented. Thousands of dollars in scholarships are also typically awarded on the spot as well. We normally host this event every other year and 2021 was supposed to be an “on” year, but COVID restrictions led to its cancellation. Watch for announcements at [talentonparade.com](http://talentonparade.com) about when College Bound will return in the future.

# TALENT ON PARADE

## CHICAGO REGIONAL JUDGES

### **HELEN ESTRELLA** *Denver, Colorado*

Helen was born and raised in the San Francisco Bay Area. Much of her youth was spent in the rigors of competitive artistic and rhythmic gymnastics through which she found her love of dance. She can be seen in print and commercial work for Sola Optical Lenses and 2000 Olympics. In 2002 she found her way back to Sonoma County where she directed local competitive companies until the birth of her own, Estrella Dance Company and The Dance Room. Helen is currently a faculty member of CampMe, the Boulder JazzDance Workshop, Theater Arts Preparatory School, Winterfest & Summerfest The Convention, LA Dance Camp in the High Sierras, Talent on Parade Dance Directive Convention, and judges for Talent on Parade. She is a nationally recognized instructor and choreographer who travels extensively teaching master classes and setting choreography on various dance companies. In 2010 Helen relocated to Colorado and now resides in Denver where she is the owner of Motion Dance Center. Helen is known for her cutting edge, contemporary style while focusing on the technical details of dance.

### **MICHAEL KELLY** *Portage, Michigan*

Mr. Kelly grew up in Kalamazoo, Michigan where he received his training from West Michigan Dance Center and Grand Rapids Ballet Company. Being a competitive dancer from the age of 9, the stage is where he loves to be. After graduation, he furthered his education at NYU Tisch School of the Arts as a Dance major in New York City. While in school, he had the opportunity to perform works by Crystal Pite and Bobbi Jean Smith. He was fortunate enough to dance in Crystal Pite's work in Lincoln Center's "White Light Festival" as well as perform at the Joyce Theater for the "Bright Lights Gala." He has spent summers studying with Hubbard Street Dance Chicago, Grand Rapids Ballet Company and Leon Dance Arts NYC as well as being selected to study abroad at the Academy of Performing Arts in Prague, Czech Republic. Throughout college, he began to find his love for teaching and choreographing for competition studios in New York and Michigan. Directly out of college he was offered a job at the renowned Moulin Rouge in Paris performing in the show "Feerie." After 2 years of performing 12 shows a week, he moved to London, England to join Rambert Contemporary Company. There he toured England as well as touring internationally. Michael has such a passion for the dance world and is hopeful for the future generation of dancers.

### **ABIGAIL RICE** *Kansas City, Missouri*

Abigail has been shaping young dancers as an instructor in the Kansas City area for the last 7 years. Abigail also spent those years choreographing, teaching masterclasses, and as a dancer herself. Prior to teaching, Abigail grew up dancing at local Kansas City studio's for 16 years before attending Avila University. During her time at Avila University, Abigail was a member of the nationally ranked Glitter Girls Dance Team. She was able to travel the United States and work with world class choreographers, Laura Edwards and Nieco Joy. While attending Avila, she earned her Bachelor of Science degree in Social Work with a minor in Dance. Abigail has trained under the direction of Dana Mcguire, Joni Hall, Teri Day, Andi Abernathy, Stephanie Ruch and many more incredible instructors. When she is not teaching dance, she is taking classes around the area. Abigail believes you can never stop learning from others, especially in the constantly changing world of dance. When she isn't teaching or taking classes, she travels across the United States as a Judge and Tabulator. Abigail's main areas of focus as an instructor are Technique, Contemporary and Jazz. She also teaches Hip Hop, Modern, Ballet, Tap, Lyrical, and Musical Theater. She is YPAD (Youth Protection Advocates in Dance) certified. Abigail believes that dance is an art made for everyone to experience and enjoy. She loves devoting her time and energy into the youth and helping shape their minds through dance.
