Healthcare Contract Upholstery Vinyl

Chieftain Healthcare range offers an array of colours and textures that are perfect for healthcare environments. Each range is inherently antimicrobial and provides high level protection against C.Diff, MRSA and E-coli. Our Healthcare range is the optimal solution for areas where high-risk infection control is paramount and where ongoing protection between cleaning cycles is crucial. Chieftain Fabrics are entirely manufactured in the EU and are REACH compliant.

Chieftain Multistretch

chieftainfabrics

Chieftain Multistretch

Chieftain Multistretch is suitable for use in all high-traffic areas. This collection was designed to accompany the Just Colour range, ensuring that each pattern has a complementary plain vinyl. As with all Chieftain Fabrics, Chieftain Multistretch is entirely manufactured in the EU and REACH compliant. Our entirely vegan range is phthalate free and our backing cloth is produced from recycled polyester. It is essential for us at Chieftain to be as environmentally responsible as possible in all areas of production, making our impact less and our contribution greater to our planet.

Wash and Care Instructions:

Ravel is treated with Teflon stain resistant finish. Ravel should be cleaned regularly. Remove spillages promptly with an absorbent dry cloth. Solid stains should be removed gently first, before being wiped with a damp cloth in a circular motion. It is essential that all residue is removed from the surface. Do not leave liquids in situ. Do not use solvents, abrasives, synthetic detergents, wax polishes or aerosol sprays. For more information please visit our website www.chieftainfabrics.com.

Disclaimer:

Batch to batch variations in shade may occur within commercial tolerances. We reserve the right to alter technical specifications without notice. The Unregistered Design Rights and the Copyright in all designs are the exclusive property of Chieftain Fabrics.
