(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

(What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

This document is in three parts. **Part One** sets the stage for all three parts. It takes up where the last document, *Christ and Antichrist, The Helios Cycle of 2018*, ended. This document looks at the consequences of the solar eclipse of July 12th following Pluto's conjunction of Guru Ma's MC, on July 2nd, the 2nd of 3 exact conjunctions in 2018.

Part Two looks at the Sun's transit of Leo, in the year of the Saturn Return of the Initiation of the Heart by the Holy Spirit (*Maha Chohan Feb 21, 1988*). It looks at the karmic astrology of the lunar eclipse of July 27th and at its impact upon the soul's journey at the Y in the road at the apex of Chiron. Our souls stand at this point (*of the Y*) on the evolutionary journey of the soul when we must choose to follow the original blueprint of our soul's destiny in God, in the ascension, or of our original rebellion against the Guru in the garden. This is the decision point of the soul to take the inner path and recede on the 8th ray into the secret chamber of the heart, or remain on the outer path and retrograde back down the mountain, following the blind leaders of the blind. We look at the second Y in the road at the apex of Transpluto. What does it mean to the soul having made the decision at the Y in the road with Chiron...now Transpluto? Taken by itself it seems insignificant, but taken in the context of 2018 within the major cosmic/karmic cycles of the Nation and the Church, it is the deciding factor, the "Zero Point" taught by Gregg Braden. It is, Mother and Maitreya teach, the foretelling of the encounter with the personal dweller as taught in *Climb the Highest Mountain (series), Christ and Antichrist*.

Part Three looks at the Summit Lighthouse, understanding its birth and the Dragon opposing it and where we stand on the Summit having progressed to August 2018. Knowing the state of consciousness and the condition of the activity in 2018 we take a look at the initiation and challenges of the Keepers of the Flame in this next year. This will determine where we will be as a Nation, America, going into the election year, 2020. 2020, when we will stand with Saturn, Jupiter, and Pluto conjunct in Capricorn driven by the ambition of our leaders whom we elect to follow, or we will be found sealed within the secret chamber of the heart while the Vials of the Seven Last Plagues descend upon Babylon the Great. Lastly part 3 looks at the solar eclipse of August 11th. At why Helios cut off *those who* in their ignorance/ignoring of the law, the guru and the teachings, engage in senseless reformation of the activity and government, instead of the work of the ages of slaying our own as well as, the dweller of those generations

with Pluto in Leo (even Virgo, Libra, Scorpio, Sagittarius and now Capricorn). This (Leo) is the lifewave who wants to be in control and finds it difficult to surrender to the guru or to trust in God.

Part One

Preface

Summer quarter (2018) is the period when the Divine Mother waters what the soul has planted in the spring (of 2018). This document is the companion to the preceding document, “*Christ and Antichrist, The Helios Cycle of 2018*”. In that document we saw the importance of 2018 as the year of the soul’s accounting to the great initiator, Lord Maitreya (by every soul).

2018 is the fulfillment of cycles, as we conclude the final step of the ascension, as taught by Saint Germain. Chapter 22 of the Book of Revelations, the 22nd step of the ascension when the soul demonstrates her God Mastery (*number 22, the master number*). Mother taught us how to put the 404 verses (*of Revelations*) on the cosmic clock to know the soul’s initiation and testing on the way to the fulfillment of the promise, the ascension. In the fall of 2017 we saw playing out the great drama of the confrontation between Christ and Antichrist as we entered the last message of Revelations, chapter 22:6-19. At *winter solstice* 2017 with the Sun conjunct Saturn; we stood in Revelations 22:8 and we were shown, each one, what would be our opportunity in the coming year as foretold by Jesus through John, “and I, John, saw these things, and heard them. And when I had heard and seen, I fell down to worship...”. This combined with the vision of the *thought form* for 2018, given on New Year’s Eve at the Royal Teton Retreat delivered by Gautama, directs us in 2018. At *spring equinox*, we witnessed what was being planted prophesied by John in Rev 22:11, “he that is unjust, let him be unjust still; and he that is filthy, let him be filthy still; and he that is righteous, let him be righteous still; and he that is holy, let him be holy still.” This is the fulfillment of the prophecy played out in the astrology of the confrontation that took place in 2017 now being planted in the spring of 2018 to play out the great drama of that is written in the Book of Revelations. Then, at *summer solstice*, the promise, as it is written in the Book of Revelations 22:14, “Blessed are they that wash their robes, that they may have the right to the tree of life, and may enter in through the Gates into **the city**.” This is the path of initiation unfolding in 2018 of the dividing of the way, in the preparation for the anointing of the victors, but first the preemptors, the destroyers.

We stand in the cycle of initiation for the fulfillment of the prophecy (July 21-August 21) in Rev 22:15, “for outside are dogs, and sorcerers, and fornicators, and murderers, and idolaters, and whosoever loveth and maketh the lie.” We are being prepared on the path of initiation for the fulfillment (harvest) of the prophecy in Rev 22:17 at *fall equinox* (September 21st) 2018, “and the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely.” The door is shown, the opportunity given, the choices made.

CHRIST AND ANTICHRIST

We stood in July 2018 fulfilling the prophecy of the Book of Revelations 22:15 as we meet the challenge of the initiation on the path of the initiation of the heart and of our personal Christhood in Cancer in the 31st year, in the test of the 14 in Pisces on the third station of the cross. We, the remnant of the woman and her seed, stand with Jesus, to meet the challenge upon the cosmic cross of white fire of the planetary weight of fear. All stand in the summer of 2018 seeing and hearing, as prophesied by John at winter solstice, the coming avalanche of world karma. The remnant of the woman and her seed have been sealed in their foreheads in preparation for the descent of the karma of the betrayers of the word [incarnate in the one and the many], the descent of the seven last plagues. This descent is prophesied by Daniel in chapters 8-12 as the Tribulation, the final three and half years of the dark night of the spirit, as taught by Saint Germain.

The 14 tests of the crucifixion, Maitreya teaches, is the pattern of the steps of initiation following the cycle of 14, known as the stations of the cross upon the cosmic cross of white fire to which the soul fastens herself, “not as the crucifixion but as initiation”. Maitreya teaches us to understand this path in *the physical sense* as well as *esoterically* and according to *our astrology*, personal and planetary. He wants us to understand the *role of the 12 hierarchies of the Sun*, of the *lines of the chakras*, and of the *four quadrants of matter* and of our *four lower bodies*. He wants us to be aware of the *protection* of each of the 12 solar hierarchies and *the lessons* to be learnt, and *the karma* that must be confronted as we choose to assimilate the light of the guru, or to accommodate the light and play out the karma returned by the four horsemen. The latter, embody the archetypal pattern of the false hierarchy revealed in the Book of Revelations, the books of Daniel, and in the teachings of the Everlasting Gospel, Climb the Highest Mountain.

Maitreya teaches us that the stations begin at the moment of the soul’s condemnation in her service to the guru, the community and the nation. Saint Germain teaches us that the condemnation comes from those out picturing the karma of the four horsemen, as taught by the Maha Chohan, as they attack Mother and the Community and, Saint Germain says, America.

These betrayers of the word on the path of initiation play the role of the adversary. These tests follow one upon the other once they begin, Maitreya tells us. And, for many, the next 14 years will see the transformation and the transfiguration. This occurs during the playing out upon the stage the great drama as foretold by El Morya and written by the word of Daniel in chapters 8 through 12. Study *to show yourself approved* that you might be aware of the protection of each of the solar hierarchies and of the hierarchies of the Ruby Ray. As you meet the challenge of the coming (*returning*) karma (*to the four lower bodies/planes of matter*) that Mother and Elohim foresaw in the mega conjunction of 1994. If left unchecked, this karma we were told by Mother and Elohim, would destroy the church and America. To meet this challenge the Great White Brotherhood created the office of the **70 Elders** (*April 1st, 1994*) to bear one 70th of the mantle of the guru to deliver the teachings to a waiting planet. Daniel teaches us the cycle of the returning karma playing out under the sponsorship, by the Ancient of Days, of the little horn which is the fulfillment the prophecy of the judgement of the Lord God upon the fallen angels, as taught by John the Revelator 17:17.

We understand that the playing out of this karma, as seen by John the Revelator, began at winter solstice, to play out in 2018 upon the stations of the cross in the community and the nation. As all Americans are chelas of the guru under the hierarch of the Aquarian age and are initiated under Lord Maitreya, as taught by Saint Germain.

It is important to digest what El Morya has to say to us at this point in our battle against the enemy. The enemy bears understanding because of its deadly intent. El Morya gave these teachings on the 31st anniversary of the Summit Lighthouse. El Morya delivered instructions to us in his dictation titled, "I Am Unbenched!". Given on Tuesday, August 8, 1989, 11:47 p.m.- August 9, 1989, 12:48 a.m. MDT. Vol. 32 No. 33 - August 13, 1989. Now in the 30th year, Gemini. In the 2nd station of the cross in Aquarius, we are made to bear the cross of world hatred of Christ.

El Morya tells us that the order of the day is *to secure the Church Universal and Triumphant*. He states that the Gates of hell shall not prevail against this *my Church* and *your Church!* <6>. Morya tells us that *they (fallen) have little time to prevail*; therefore, they *try all the harder to no avail*. Morya tells us that this is because the LORD our God is mighty in our midst and that *he is in our midst and that he is the Holy One of God, the abiding Presence upon our altar.*

El Morya then does a remarkable thing. Morya states, "Behold the Witness of our God, beloved!" and delivers the following Revelation: (***Understand who Modred is; who the Modreds are.***)

- Morya says, "The Modreds come out from their holes and hiding, have their day and that *they must play their part*. Let the Word go forth, he says and let the Light descend and the work of the ages attest! **that those who deal ignobly with my own, those who are the ignoble, let them also know (they are the ignoble) that they are [it]) and as they so act, so they do shorten their own life stream and their own crystal cord.**

And therefore, Morya says, they need not be given the rope, **for they take it**; and they do take that *rope of opportunity* and instead of climbing to the heart of God **they use the rope to hang themselves by their words and their works.** <7> Therefore he says, let them have their say, for the Lord's decree will not fail: *By their words they shall be justified. By their words they shall be condemned*". <8>

- Morya says that until they are exposed, until they take their stand, their karma does not descend nor does their judgment. And until they do act, the worldwide expansion of this Community of the Holy Spirit “cannot and does not” take place. Morya says, let the betrayers perform their works of infamy and he says, let us, be *exorcised* of them by the Holy Spirit. (*see the Ritual of Exorcism taught by Sanat Kumara for us to understand what it means to aspire to an office within the Hierarchy of the Ruby ray. Sanat Kumara tells us we must understand the false hierarchy and their enmity with Christ, and the aspiring soul.*)
- Morya tells us that there are at least one million potential chelas of the will of God in this world ready to enter in. Morya says, they are held back by world karma. He says, they are just like us that they be polished up and and made white, just as we have been.
- We are he says reaching a momentum in binding our own dwellers-on-the-threshold and soon will break down the barriers of hate and hate creation (Aquarius...Mars, South Node, Black Moon Lilith) and all false reporting and untruths spoken. Morya says that when ***the inner fiery core of this movement*** reaches that crescendo, *as you have been moving toward it and have achieved my (Morya's unbenching) glorious freedom **this day**, you will then know* the expansion that God has decreed. But know that he said, “it is indeed a race between Light and Darkness”.
- Morya brings to our attention just how many are being held back by drugs (1989, and now it is made legal), by rock music, by Satanic practices, psychism, witchcraft and black magic. He states that the reality between Absolute Light and Absolute Darkness is that moment of the razor's edge. Morya wants us to understand that this Church is meant (in 1989) for one million more souls who could enter, if they were cut free.
- Morya then assigned us his first labor. He tasked us to cry out to the Father-Mother God for them, just as we did to get Morya unbenched. That they might be cut free and drawn in before it is too late. Morya gives this reason, so that Saint Germain shall have sufficient numbers of the chelas of the will of God so that after that which must take place [*“après la guerre”*], *there will be those who may rise* to bring in that great golden age of Aquarius. And that this will mean ***so great a manifestation*** to this system of worlds, this galaxy, and all of cosmos.
- Morya says that should the golden age appear on earth it would turn the tide for many systems of worlds because there are representatives in embodiment [on earth] today (1989) from all of those systems of worlds who will be affected. Stating that the good

karma for so great a victory is vast and the burden of such a potential defeat, unthinkable and that the Darjeeling council is dealing with the possibility of that eventuality. (*Morya told staff that if he can not accomplish this with us (staff in 1989) then he would raise up a new generation. The Masters tell us that the first 33 years of each century determines if Christ will come forth in that century. We are in the 18th year of this first 33 years of this century. Morya tells us that it is by age 18 that the soul of the child...man commits to the path of the will of God.*)

- Morya says that as we call for those who are in far more serious plights of karma and psychology than yourselves, and as we lose yourselves in making the calls day after day for their freedom, we will find our own wholeness. Because selfless service *creates a vacuum* in our temple that the I AM Presence and Holy Christ Self fills. (*Maitreya tells us that he comes on Jan 1st each year to evaluate our temple (our hearts) to measure the increment of personal Christhood each year. This is the measure of the annual harvest upon which heaven is petitioned by hierarchy for the upcoming budget requests.*)
- Morya asks us to pray for brothers and sisters who are a part of our mandala, first, re-create the nucleus of 144,000 and then add the remaining million who can come in? Morya gave us one goal with 2 priorities: the altar of God, the Alpha, and preparation for physical survival, the Omega. These two activities of our life demand all our love and attention; and all activities should lead to these two priorities, Morya says.
- Morya tells us that to accomplish this goal some who are willing and able, must be at the altar five nights a week. (Friday, Saturday, and Sunday, Tuesday and Wednesday, leaving Monday and Thursday for other evening obligations) To be in this sanctuary, not for long hours but some portion of those five nights. This he says, will give us the anchor point.
- Morya warns us that many others (beyond the million) have been aroused. He tells us that whereas, it may appear that they are aroused by this and that occurrence or news reporting. This Morya says, is a side effect. They are aroused, he says, by the Light. **As the Light presses in it creates a pressure.** And those who are not about to bend the knee (in Capricorn) and confess that Light as the Universal Christ, then *they must take their stand against it* and do so swiftly. Why? Because Morya says, they shall be devoured by the Light unless they bend the knee to the Light.
- Also, Morya tells us that there are many who are not yet ready to choose between absolute Good and Evil but who have been polarized by their own inner fears and doubts, their own records of injustice, and are polarized therefore against you when they ought to have been polarized and magnetized to you. (Our brothers and sisters who are African Americans, Hispanics, Indians).

- We know, Morya says, that those whose allegiance has been to Darkness for aeons will not change. We know that our God has declined that they be converted. <9> Morya says, they receive the judgment of the Holy Ghost, for they are the violators of the cloven tongues of fire <10> in their bodies, in their minds, in their souls, and in their hearts.
- Morya tells us to make *calls that they be bound and held inactive and dealt with by the legions of blue flame* under Archangel Michael daily. As Morya says, they unbind themselves and must be bound again and again. Yet Morya says that every day that they work the works of Darkness, their life stream, the very quotient of energy descending from God, is diminished by a percentage. *This is the judgment that can be enacted and that is enacted in answer to your call*, increment by increment of 1 percent or of 10 percent.
- Morya says that it is those in whom there burns a threefold flame, yet who have not nourished it by devotion and adoration who are easily swept aside by the *remaining magnetism of the fallen ones and their cunning* in their lying. Therefore, Morya says to place our attention on those in whom there burns the spark Divine, beginning with those with the greatest Light on the planet and who have the greatest potential to be chelas of the will of God.
- Decree for them, Morya says, and then measure upon measure expand that decree to include greater numbers of those who, if they knew better, if they understood. Who if they were delivered of the burdens of the lies of the fallen ones, would begin to understand and to study the great teachings of the Ascended Masters and the Lost Teachings of Jesus returned now and published and so available.
- TSL, Morya says, at her 31st anniversary with her existing resources (1989), could with no more effort by this organization and its staff, minister to the millions than it is currently doing to minister to those who [already] receive this teaching. Because, Morya says, once the books are written and published they can be multiplied many times over, as you see.
- TSL is in position and has truly fulfilled that founding flame of Divine Love. It is Morya says, as if this day (31st anniversary) were the founding all over again, and instead of seven there are seven thousand and seventy times seven thousand. The numbers have multiplied, and Morya tells us that *they seek a critical mass of Light* whereby the Great Central Sun Magnet acting through you is able to deliver to that world of Lightbearers all that you hold dear in your hearts.
- Morya says, *dispel* the doom-and-gloom consciousness, *believing that you are an isolated* (and I add diminished) *group of individuals* (who are) *uniquely capable of understanding this path!* Morya says, that had the Christian churches not totally rejected the true path of individual Christhood these two thousand years, Morya would

not be speaking to us about one million potential chelas, but about all of Christendom! For if they came close to the hem of Christ's garment they would have recognized it immediately the moment they found one of the books published by the Messengers and staff. (*They are like us and will hit the ground running...into the battle, as we did*).

- Consequently, Morya says, that the Masters are accelerating the progress of all souls who are in the etheric temples (as of 1989). Giving them courses that awaken [their self-awareness in Christ] and are preparing them to take embodiment armed with the teachings that the Messengers teach on the inner levels and in their books. Morya tells us that they use the Messengers books in the retreats because the content is so acceptable to those who have recently come out of this civilization.
- Morya tells us that, not one of us would desire to see the cause for which we have fought for so long lost because *the gods* are determined to have their last war, ***their turf war to see who gets the earth for the next two thousand years.***
- Morya says that the rivalry of these serpents is beyond belief. That they are so blinded in their lust for power and their lust for territory and their lust for the control of your souls that they have missed the point. ***They will have their last hurrah and their last war and neither will have the earth for their victory!***
- The keepers of the flame of life and liberty and mercy and justice and the age of Aquarius, Morya says they shall have the earth. For they are the LORD's, and the earth is the LORD's and the fullness thereof. **<11>** (see Daniel chapters 8-12)
- Morya says to watch. Watch, he says, and be watchful ***with a joyous heart, determination,*** and the ***absolute foreknowledge of the victory.*** Know, he says, that it is God and his servant-sons and daughters who shall claim and have the earth for the future generations who deserve it, who are ready, who are cheering you on from inner levels and would give anything to be in embodiment at your side in this hour. (even now!)
- Morya tells us that Mighty Hercules is so close to the physical octave because in earth's past there was a time when evil was so rampant with spacecraft, aliens, giants and gods, **<17>** that Hercules volunteered to take embodiment to deal with the Watchers, to deal with their creation half-animal, half-human. Hercules descended in a past era. He spent all his days challenging those fallen ones.
- One-pointed, Hercules saved the day for planet earth in a past era. Morya stated that he saved the earth for us, to be here today, in this time (because it was foretold that we would come). And now Hercules, Morya says, is grateful that we call forth his Electronic Presence and walk the earth not only as Morya's chelas, and Michael's chelas, but also as the chelas of Hercules and Amazonia.

- The myths you hear, Morya says, are indeed myths. But, myths have at their heart truth and the realization that one, so great a being of Light could actually receive the dispensation of Almighty God to embody. Then become so involved in dealing with Evil incarnate as to create karma, which trapped Hercules by that barrage of human and Nephilim creation and all manner of manipulation of the sacred science to require Hercules to reincarnate three times in order **to expiate** (seventh house third decant/ Libra third decant) **the karma** incurred for literally rolling in the mud of earth with these fallen ones.
- Understand the sacrifice of one so beloved. Here, Morya says, you can understand a heart who would not stand by and see the infamy of these fallen ones on planet earth and did forego the octaves of perfection and light and God-dominion. And therefore see how planetary karma and the energy veil can trap /detour even one such as an Elohim.
- Therefore, Morya says, do not chide yourselves for your mistakes, but learn from Hercules sacrifices and his victories as well as from his mistakes. Know, Morya says, that for an Ascended Master or a being of cosmos to volunteer to take physical embodiment is indeed *a calculated risk*. Many have found themselves in this very predicament and have had to come home the long, hard road of karma yoga until the coming of Saint Germain and Portia and the dawn of the Aquarian age and the [dispensation of the] violet flame.
- Morya says that Hercules' wrestling with physical monsters now becomes for us today the exorcism [by the Ruby ray of the Holy Ghost] of **their astral counterparts**. And although it is very hard [spiritual] work and takes a certain [physical, emotional and mental] stress and strain, that when we have that victory we will know a *peace* at a new level of victory and a new level of peace. That each time we have the victory, the sacred fire of the Kundalini rises and we experience (*Virgo 2nd decant / 6 house 2nd decant*) a new heaven; and that gradually our souls mesh with the etheric octave (*as we live in the etheric and walk in the earth*) so that death when it comes upon you, in the natural order of things, will be nothing at all, for you will already have been living in that octave for decades [while yet in the] physical body.
- Morya says, **Know the Path**, and know that the hour will come when you will need "money in the bank," [i.e.,] momentum [of Light] in the causal body [and] momentum of [Light's] victory. He says, for at that moment of challenge and initiation you will require all of your past experience as an initiate of the sacred fire, and all of your deftness in wielding the sacred sword of the Word. You will require all of that momentum to slay the **foe that comes with the declared intent to destroy you (from within)**. And these agents have declared their intent to destroy you. **That is their purpose**. Therefore, Morya asks, will you allow it? Then, he says, see to it.

- The greatest danger, Morya says, is that we incorrectly and improperly assess **the schemes of these fallen ones in our midst** (as they have come to destroy us) and **the intensity of their intent**. They will **stop at nothing to achieve** their end.
- Therefore, Morya says, there **comes a time** in the path of the chela when the **victory will be to the one who is determined** (Taurus 1st decant / 2nd house first decant) that he **is undefeatable** in God. He will not even admit the possibility of failure or defeat of any kind. That one-pointedness you will gain from all of those of the First Ray, the greatest of which is Hercules himself. That momentum of one-pointedness in the heart of Hercules allowed many fallen angels to be taken and bound so that *life could be resumed* and the foundations laid so that finally in these centuries the United States of America could be established.
- The seeds of these giants and fallen ones, Morya tells us, have come to their last embodiment on the stage of life, as prophesied by our father Enoch. They return to be faced by Archangel Michael and his legions. Morya wants us to know that when he, Morya speaks and when the Messengers speak they (fallen angels) listen simultaneously. Morya says, get used to the idea that you are not in the privacy of your God except when you retire to the secret chamber of the heart to the living presence of *the Buddha, who is Guru, and to the Christ, who is High Priest.*
- Be compassionate toward all caught in the gray area of indecision, for lack of their own momentum, (one-pointed). But, be **fierce** in invoking the judgment upon those who have sworn enmity against the Woman and her seed, **<19>** Sanat Kumara and his own. Be fierce, for out of the fierceness of the white fire and the wrath of the Great Kali and the circle and sword of Astrea, so all things shall come to pass in Divine order.
- Count your moments now, Morya says, as sands descending in the hourglass moment by moment. Use your time well, for the timing is upon us, Morya repeats this 3x. *Heed* the word and the direction of the Messenger when it is given and in your best effort fulfill it. **It is not good to lose the hours when you are called to prayer for a cosmic purpose. It is not good to disregard the words from the altar and it is dangerous not to have the armor of your Pearls of Wisdom** with you throughout the day that you might cherish the morsels and the words that are given.
- Morya has directed that this leaven be placed in the *Pearls of Wisdom*. Morya asks, will you let them go unread and therefore **fail to eat your daily bread** and *not have the leaven of the Christ Mind raising you up* even as you toil and labor for the victory?
- Morya petitioned Alpha and Omega for the founding of The Summit Lighthouse, the keystone in the arch of this activity [was to] be the *Pearls of Wisdom*. That the Lightbearers of the world might have the true Communion of the Universal Body and Blood of Christ

CHRIST AND ANTICHRIST

- Morya tells us not to neglect the spoken Word that is transcribed and printed in our *Pearls of Wisdom*, for it will teach you. It will keep you in alignment [with the Word who is your Mighty I AM Presence]. **It will prepare you for the testings of the day.**
- Morya says it is time for the one million fallen ones who were the sponsors of Modred and his seed to be taken to the Court of the Sacred Fire. Morya says, let their places be filled by one million chelas in embodiment because you recognize that **you in your heart** are **the magnet for their coming**. *(The goal of the path of initiation is to recede into the secret chamber of the heart to commune with the Holy Spirit. There to be God taught and to create the magnet of the heart, to magnetize these to the heart. As did Saint Patrick's 200 Bishops and their Tors, who believed they were hermits. Yet reshaped the socio-economic-political landscape of Ireland as the people migrated to take up abode surrounding the Tors. The predecessors to the church steeples at the centers of Britain's towns and those of New England.)*

El Morya's Prayer (Insert)

Our Father who has accorded us new opportunity by the heart of the Divine Mother, by the hearts of chelas of the will of God, we bow in gratitude for this opportunity to be together and to see on the horizon the flame of earth's victory. We come, our Father, to fan that flame by thy breath of the Holy Spirit which thou hast placed within us.

I call forth from the heart of the Father seraphim of God, beings of fire and salamanders for the protection absolute of the physical bodies, the emotional, mental, and etheric bodies and the souls and chakras of my chelas here and everywhere upon earth. I call for that protection, Father, and thou knowest it is needed. Therefore, let thy holy angels tend them.

And let the Liar and the Murderer be exposed and apprehended. And [let] all those of evil and malintent be reduced according to their hatred of the Christ within these our own.

I, Morya, do bow with the knights and ladies of the flame at this Camelot come again. And I do caution them to keep the fire of the altar burning and not stray from this place where the Victory must be fought and won.

Therefore, I, El Morya, pledge myself to my own [and] to the hierarchy of the Great White Brotherhood to bring about those necessary implementations of change, of building, of alchemy, of transmutation, of refinement of hearts and souls and physical protection to our own everywhere.

In the name of Christ, our Lord Jesus, Amen.

I. Solar Eclipse July 12th, 2018.

The **solar eclipse of July 12th** is about the prophecy of the accommodators (1988 mega conjunction) of the Word Incarnate in the one and the many, and it is about the Abusers of the Word on the First Ray (May 27, 1984). It is about the role and responsibilities of the 70 Elders (4/1/1994), in 2018 and it is about the next 14 years in Maitreya's Mystery School (2018-2032). The cosmic cycles of light are accelerating the path of initiation and the karma descending. Souls are being tested by the karmic patterns unfolding.

Chiron conjuncts Mother's Midheaven for a cycle of 18 months (the window opened, with a 1° orb approaching and separating, on May 9, 2018 through February 13, 2020. The *exact* conjunction of Mother's midheaven plays out on the stage as the great drama, between the Guru and the chelas and the *24 Elders* beginning July 31, 2018 through January 21, 2020.)

Chiron forms a YOD while conjunct Mother's midheaven, when the chelas and the Elders stand at the Y on the path. When many in embodiment must choose the right-handed path or that of the adepts on the left-handed path as Black Magicians as the latter call you to follow them on their journey back to Egypt from whence you came (out), led by the guru.

Chiron formed the apex of the Yod beginning with the Sun's entry into Taurus and throughout the transit of the Sun through the mental plane in Virgo [April 19 - September 7, 2018]. Pluto, the personal and planetary dweller on the threshold of the chelas, the Elders, and the false hierarchy of the Ruby Ray conjuncts Mother's Descendent at 20° Capricorn [3 times in 2018, on **February 15** during the solar eclipse at 27° Aquarius; on **July 2** and finally at **winter solstice 2018**]. The dweller of each one, Pluto is come to test the chela's and the Elder's bond to the guru whether they will follow her example on the path of the eighth ray, of the Father in the Sun/Son, or whether the soul will follow the dominant egos back to Egypt on the path of dialectical materialism. Pluto is come to test the Elders. Who will fulfill their purpose for being, to defend the Guru, by fulfilling the office of Christ as purposed by El Morya on Feb 3rd, 1985? Who will fail their initiation and claim the office and authority of the Son of Man on the East Gate and take heaven by storm, the

Vicar of Christ, as did Peter (*Kuthumi #13 in Expose on the False Teachings*)? Who will fulfill the office of Elder and take their stand to defend the Guru against the attack upon the Guru by the dwellers of those chelas and the Elders? Who will speak the truth into the lie as taught by Archangel and Archeia Aurora (*Vials of the Seven Last Plagues*)?

We will look at **the kite of the Divine Mother** who has come to raise up her own to accelerate the inner teachings of the soul as Jesus did with Saint Paul while Helios comes to deliver the Seven Last Plagues, as the Seventh Seal releases the final prophecies of the Age, that all that is written may be fulfilled (*see Rev 17:17*).

We will look at the choices to be made to the right, or left, on the path that lies ahead. We will look at astrology as the science of the Path of Karma and Initiation or as the science of Justification and Desire as the soul seeks to dodge her karmic path under (the lie of) dialectic materialism as she seeks to preserve her material wealth (substance) and the underlying economy of Babylon, in the face of the judgement descending and now accelerating.

We will look through the lens of esoteric astrology at the **cycles of transforming the components of personality or of channeling the energy into transforming our organization and nation** preparing the way for the coming of Christ and Antichrist in the final confrontation of the dark night of the spirit, in the final 3 ½ years called the Tribulation described by Daniel in chapters 7-12. This is crucial to our understanding of what is coming to pass.

We will look at **the doorway formed by the mystic rectangle** that tests the soul of each one who by the light of attainment opens the door with no knob or key hole. It is the soul herself that is the key that opens the door by her vibration, either from the right or from the left. One a mystical Gateway into the secret chamber of the heart where she communes with the Holy Spirit in the final preparations for the transfiguration and mission of Christ (*beginning in 2021*). The other, a doorway that opens into the occult as the soul having stood at the Y takes the path of the adepts of the left-handed path of the black magician, her dweller, as taught by Mother and Maitreya. This window opened as the Sun entered Taurus and continues to lure the soul through the Sun's transit of Virgo in the mental plane beginning on **August 30th** (the meeting of minds, the deciding factor in the salvation or the judgment) through September 7th. This Yod is the key to the souls opening the door of the mystic rectangle.

We will look at the rising astral sea and the fear it is generating in the people and chelas who see the judgement descending upon them, the organization, and the nation. We will see how the karma plays out and the choices the soul faces in the encounter...those who recede into the heart or retrograde back down the mountain to (Egypt) Babylon the Great [*in summer of 2018, with 11 solar bodies retrograde*].

We will look at the message of the Sun and Mercury (the Guru and Messenger) and those who heed the call because of the bond that ties their hearts to the Messengers and Maitreya. As they learn from their mistakes how not to make a Golden Age and the Kingdom come. They learn from lessons hard won how to build the Community of the Holy Spirit in the Kingdom

come on the Earth. They also are learning what must be named and cast into the flame and be **UNDONE** lest it survive to poison the coming Kingdom. Also, so that the soul will know that what she sees must be washed from her four lower bodies that when it comes to her it finds nothing and the doorway opens to the right-handed path of the heart ,or if it were to hit, it will not stick as taught by Morya in the 4-10 axis clearance of Taurus Scorpio.

The karmic cycles playing out in the summer of 2018 and for the next 21 months began with the descent of karma in the initiation of our souls during the solar eclipse over North America on August 21st, 2017 for the clearing of the threefold flame of the City Foursquare of the unclean elements who have gathered at 10° Taurus fighting for the light and for the right to rule in their lust for power and the light of the Mother. The karma delivered by this eclipse, over the nation and the church at 10° Taurus, their Sun signs and over Canada and Mexico which make up the City Foursquare, began to descend in August 2017 to play out over the succeeding 33 months of the window opened by the eclipse.

This is the first of five eclipses over the nation and the church for the fulfillment of the prophecy delivered by Elohim in 1993 and by Mother in her July 4th Address (1993) for the purifying of the church and the nation and their reorganization in Capricorn to clear the way for the Divine Mother to give birth to the man child. This was prophesied by Saint Germain and the Goddess of Liberty as the casting out of the black magicians from North America and from Camelot, who are the manifestation of the Dragon who stands before the Divine Mother giving birth to devour the manchild as soon as it is born. God is not mocked and evil is not real and its appearance that it is, has no power.

The initiation of this and the coming eclipses¹ are to test the souls of the faithful on the path of accelerated initiation, whether the soul will enter the heart and the secret chamber to commune with the Holy Spirit, the inner community of the mystical body of the church. Or whether the soul will stay in the outer community and be crucified by those who have unresolved hatred of the guru and who are prophesied in the end to curse the guru because they cannot escape their returning karma, having failed to enter into the heart of the guru and pass through the Odyssey of the soul's journey through the solar plexus and all of the pain and suffering and the joy of victory over the challenges of the Odyssey. ¹ [8/21/2017; 4/8/2024; 2044; 2045; 2052].

This karma that is descending is the disease of the soul who has rejected the guru, the teaching and the law. It is the judgment of the state of consciousness of the self, the synthetic self, whose pride (of ambition) and ego does not allow the soul to take the hand of the guru to face the personal and planetary dweller upon the threshold that has risen to devour the manchild being born in the second advent. This disease, the five Dhyani Buddhas teach, is the poison of the components of personality for which the wisdom of the five secret rays is given to consume and to heal the soul. The August 2017 eclipse is tied by the eclipse cycles to the eclipse of 1918 which occurred two months before the outbreak of the Spanish flu. This occurred with America's entry into World War I. It occurred as the judgment upon the people as prophesied by Mother Mary at Fatima of the coming of world communism in Russia in 1917. This disease was the delivery of karma, the fourth horsemen Neptune, the pale horse (*Neptune rules contagious disease and*

outbreaks). Mother has taught us in “The 2000-year Ride of the Four Horsemen” that she sees the four horsemen on an oval racetrack where one or more of the horses takes the lead at any given time.

Eclipses are a means by which the Elohim fulfill their plan to save the earth for the golden age. The coming eclipses over America are for the casting out of the black magicians, prophesied by Saint Germain with the return of Merlin to Camelot. They are for the testing of the souls of those who believe through the coming tribulation, in the promise and who keep the vision of the door of opportunity for the return to the Garden of Eden in the ascension. The coming challenges are tests that will try men’s souls. Who will be faithful, bonded to the heart of the messengers and to the heart of Maitreya for the final journey on the climb of the highest mountain to the summit. Where no man may mount, but rightfully occupied by the Son of Man. [See the ritual of exorcism, number 5].

What follows now is an accelerated path of initiation of the inner community. The initiation of those who stand with the guru on the *South Gate* with the Woman Clothed with the Sun and her manchild who keep the mystery school in the Western Shambala; and who stand to defend the guru on the *North Gate* as the sons and daughters of God, and as the remnant of the woman and her seed who keep the white cube of the Church Universal and Triumphant; and who stand on the *East Gate* in the authority of the Son in the office of Man occupied by the two Messengers, the two witnesses of the second advent and by the true Christs and the true prophets.

What follows now, on the path of initiation is the acceleration of the return of karma. The inner community will know the return of good karma as they uphold the arms of the guru [*Gemini*] in the judgment fulfilling the priorities of El Morya to attend the altar and prepare to survive. It was during this cycle of the returning karma, of the 10 plagues of Egypt that Moses, the guru, told Joshua, the chela, to come in and close the door [*to the 8 petaled secret chamber of the heart to be with the guru*] while the 10 plagues descended upon the outer community. Today on the path of initiation we are called to enter the secret chamber of the heart and be sealed in the inner community in communion with the Holy Spirit to attend the altar and exalt the God flame in the guru and in each other while the seven last plagues descend upon the outer community of the nation and the church. This is the purpose of Revelation given to the seven churches in their apostasy and their rebellion. This is the prophecy of Mother Mary at Fatima to the church. This is the prophecy of the 90s delivered at Fatima through the Messengers of the Great White Brotherhood for the judgment of the abdication of the office of chela striving to fulfill the office of Christ in America and the church. In the prophecy of the 90s published in the book *Saint Germain On Prophecy* book 2, chapter 2 Saint Germain prophesied the nuclear first strike upon America as the consequence of the people’s rejection of their God. We can mitigate this karma, thus limiting the judgement that is *coming*, seen by John at winter solstice, 2017.

El Morya gave us a priority to attend the altar and to prepare to survive. Saint Germain told us to prepare to survive physically for the *coming* of four scenarios. The fire of earthquake and volcano, the rising oceans and seas as the astral plane rises to be consumed by the flame burning upon the altar of the hearts of the faithful and true who keep the flame within Maitreya’s

mystery school and within the white cube of the Church Universal and Triumphant in Cancer Capricorn. Saint Germain told us to prepare for a time when there will be no growing seasons and for nuclear fallout [radiation]. These four scenarios are the physical representation of the coming seven last plagues described by Saint Germain and the prophet Daniel as the tribulation. The final 3 ½ years of the dark night of the spirit that will end in the final battle of Armageddon.

Saint Germain told us that this battle of Armageddon is taking place on the astral and mental planes. He gave us the Aquarian age and the violet flame to transmute this energy veil and planetary karma as we keep the vigil of these Herculean labors to clear the 12 lines of the clock of the nation and the church with our finger in the dike. As we uphold the arms of the guru in the judgment we can keep Armageddon from emerging into the physical. Sanat Kumara and the Great Divine Director have taught us that if Armageddon emerges into the physical plane and destroys the church and America then the golden age will occur in the etheric. Sanat Kumara said in the spring of 1979 that he will not sacrifice the faithful, but would turn the dial as he did at Shambala and the Golden age in the Sahara and withdraw the faithful leaving behind the unbelievers to face their returning karma. Sanat Kumara made it very clear that the rebellious ones who reject the love of the Divine Mother who sent her daughter to rescue them will not inherit the earth, the nation or the church. Instead he'll wipe all life from the face of the earth and it will become physically uninhabitable, as is Venus.

The cycles occurring in 2018 are whether or not the chelas will stand united holding the hand of Guru Ma and her guru El Morya and uphold their arms in the judgement, during the eclipse window that opened on February 15 during the eclipse of the Sun as Pluto conjuncts Mother's descendent. The eclipse the Sun of the I AM Presence, would eclipse those who have rejected the love of the guru.

The presence of the guru has caused to surface on the path of initiation the hatred of the guru that is left untransmuted to play out in the killing of the mockingbird. To the faithful the eclipse of the Sun is the Divine solution and the opportunity to call upon the Lord, who is the doer and for which no thing is impossible, to eclipse all opposition to the Sun of the I AM Presence of the soul.

Call to eclipse the soul of all opposition from those who have created the illusion, and the appearance of evil that they have the power, having usurped the authority and the office of Guru Ma and her chelas who keep the mystery school in the Western Shambala in Capricorn on the South Gate and of the Messengers in Aries on the East Gate and of the remnant of the woman and her seed in Cancer on the North Gate who with the sons and daughters of God keep the *white cube* of the Church Universal and Triumphant. As well as usurping the faithful who stand in Libra on the West Gate waiting for those who are being prepared on the inner by Gautama Buddha to be world teachers. Those who will gather the faithful and standing on the West Gate with Archangel Zadkiel invoke the violet flame for the fulfillment of the prophecy that when sufficient violet flame shall have been invoked Archangel Zadkiel will release seven vials of violet flame that he is holding. These vials of violet flame will roll up the darkness from North to South and West to East as prophesied in the book, *The Vials of the Seven Last Plagues*.

Initiation, Maitreya teaches, is the soul fastening herself to the cross. The cross represents the four points forming the square, in astrology the grand square. It represents the opportunity of the soul to fasten herself to the cross, to throw herself upon the rock of Christ and be broken (*of the components of personality*). The soul stands on the cross in the four planes of matter in sacrifice, surrender and selfless, service. The soul frees herself of the synthetic self, having washed her garments white as snow, she stands in the purity of the seamless solar garment prepared for the coming of the bridegroom. If you do a graphic Google search on a square you will see the two-dimensional representation of a square. But the square as the cross becomes the cube, the white cube. The cube becomes the hexagon, the six-pointed star, as taught by Maitreya as the six-pointed star of the Lord of the World, the path of initiation.

The square is formed by Mars South Node at 7° and 6° Aquarius in the first decant of the 12th house squared Apollyon at 1° Scorpio in the first decant of the eighth house squared the North Node at 6° Leo in the first decant of the sixth house squared Uranus at 2° Taurus in the first decant of the second house. The soul is standing in the return of her karma in the garments (circumference of the wheel) of her astrology buffeted by the four corners of the square in the storm of her returning karma. Or, the soul chooses to cast herself upon the rock of Christ in the cycles of initiation upon the cross formed by the four corners of the square as the soul undergoes surgery with the master surgeon to cut the ties that hold the soul earthbound to her prison house defined by the four walls of the square.

The soul fastened to the cross (the cosmic cross of white fire) of initiation stands in the eye of the storm unmoved by the returning karma and the storm that it has created in the community and the nation. By right choices, El Morya teaches, made by right reason, right motive, and right cause, the soul obeys immediately and carries out the precise counsel given by the master surgeon to break the karmic tie to consume the clay tablets that frees the soul to rise from the density and mass consciousness into the higher mental plane of the Christ mind where it is illumined by the consciousness of God, his wisdom, illuminations flame. The soul takes wise dominion in acts of love by the giving of self. The soul is unmoved and unperturbed by the grand square. Fulfilling the promise, “what is that to thee, follow thou me.” Invoke the light consume the darkness.

On the path of initiation the soul stands in illumination’s flame illuminating the dark night and sees at 7° and 6° Aquarius in the 12th house the superconscious mind of God and in his love, the power to stand in the institutions of our organizations and government and be true to self. Be true to the *originality* in Aquarius of the original blueprint of the soul to be the Christ and to see clearly the original blueprint of the original rebellion of the departure of the soul from the guru.

The soul is being shown the original blueprint at the core of the spiral of her rebellion, the original inception. All souls who recede into the heart, as taught by Maitreya, have come to the point on the path of the return home to the mystery school in the ascension of that original blueprint of the soul’s origin in Christ and of her rebellion against the law. This is represented by Mars conjunct the lunar South Node, the Dragon’s tail. Now is the hour upon the cross of white

SUMMER 2018
WATERING THE CROP
CONTAINING THE BLIGHT
CHRIST AND ANTICHRIST

fire in the white cube to cast this rebellion into the flame. We see it playing out in ourselves and within the community and the nation. Seeing it we name it and we cast it into the flame and God who stands with his legions waiting upon his own, then moves in to take this original rebellion to free the soul from the clay tablets that have caused her to repeat the past in every community of the Great White Brotherhood (*for the last million years, says Saint Germain*). Now is the hour to break the pattern, to break the mold of the original rebellion that has played out in every community of the Great White Brotherhood as rebellion, the rejection of the love of the Guru for the chelas by seizing of the scepter of the vicar of Christ (by Peter) repeatedly, as taught by Kuthumi in the Exposé of False Teachings number 13.

The soul standing at 1° Scorpio in the eighth house draws upon the resourcefulness of her causal body's attainment and the momentum of good karma to call upon the Lord as she faces the false hierarchy of the Nephilim from the 12th planet known as the false hierarchy of the ruby ray, known in astrology as Apollyon, *the God of plagues*. The soul is able to stand on the cross in the initiation of the grand square and face the souls who have rejected the opportunity to wash in the eighth house and be transformed in the alchemy of the seventh ray and be transfigured as the soul is wed to Christ. Or the soul chooses, as taught by Maitreya, to stay in the outer circumference, the consciousness of her astrology, outside the heart to be crucified upon the cross by those who stand in the eighth house in Scorpio drunk with the blood of the Saints and the light of the Divine Mother.

The latter are drunk on their insatiable passions driven by *ambition*, in Capricorn within the organization and within Leo and the fifth house, to crave the light of the guru in their lust for power; her authority and office of the Vicar of Christ. This is the rebellion of the unjust stewards who would take, if they could, that authority and office which is bestowed by Jesus Christ and not by the unjust stewards. These latter were given to fulfill tasks on behalf of the office, as the magistrates of old rebelled against and cast out the rightful kings and emperors as they did Jesus Christ on Atlantis and repeatedly in every activity of the Great White Brotherhood for the last 25,800 years. In fact, Saint Germain tells us this has occurred in every activity of the Great White Brotherhood for the last million years.

What we are seeing today in America and the church is the vast experience and the vast momentum of Mars and South Node in Aquarius opposing the seventh angel and his prophets (Revelation chapter 10-11). As Revelations chapter 20 teaches us and the Ritual of Exorcism number four teaches us, that this is the final play of *the anti-church* and of *the church age* in response to the coming of Guru Ma and her chelas (number eight in the Ritual of Exorcism) on the 12 o'clock line in Capricorn, pioneers bringing in the Kingdom Age. Both number four and number eight in Capricorn, represent Pluto the personal and the planetary dweller on the threshold, as Apollyon rallies the false hierarchy of the antichurch and its anti-apostles and false pastors to usurp the office and authority of the guru and her chelas who have been initiated to take the scepter the Divine Mother and initiate the rule of Christ under Lord Sanat Kumara, the God of earth who is come in the Kingdom, to rule for the next 1000 years.

CHRIST AND ANTICHRIST

The grand square represents the initiation upon the mountain with Satan(s) as the soul of the initiate faces the test of recognizing Antichrist, the false initiator. Jesus stood upon the mountain with Maitreya and Satan, he recognized the latter, he named him and cast him behind him. This is the initiation of the Church Universal and Triumphant and of the United States of America at 10° Taurus, in 2018. The initiation of this square plays out during the window of the Sun's entry into Gemini through its transit of Sagittarius in 2018; playing out in every action, every thought, every feeling and in every memory of everyone on earth. This is the turning point.

The soul stands at 2° Taurus in the second house with the determination of the Christ mind, one pointed in the diamond heart in the love flame to face that original rebellion against the guru in Taurus. And with determination having seen it, the soul names it and casts it into the flame. The soul having conquered within sees clearly what is playing out upon the stage as every Keeper the Flame stands in the shoes of Hamlet (in 2018) determining to be or not to be as prophesied by Mother in her July 4th Address in 1996.

Souls are making the choice to follow Apollyon and the false hierarchy of the Ruby Ray, the 12th Planet, and to crucify the Christed ones (*as Rich Richards did Thomas More*) by usurping their office and authority. They take the scepter of the Divine Mother and to rule them through black magic, terrorism, and anarchy [Uranus] under the reign of the Gentiles by the social networks and associations [Uranus] of the Modreds, as taught by El Morya of the anti-apostles and the false pastors of the anti-church and of the ICCC of Babylon the great and their secret societies [Uranus].

The soul sees clearly the anti-love of Uranus at 2° Taurus as these out-picture the archetypical pattern of the third Antichrist. In esoteric astrology Uranus represents the highest love, the universal love of the brotherhood of the Great White Brotherhood, Uranus' causal body. The electronic belt of Uranus represents the original rebellion of the soul against the Christ in the law of the guru, the father. The electronic belt of Uranus represents the lowest love, Mars. The rejection of the love of the Divine Mother, manifest as the hatred of the guru, the one sent.

The soul stands on the North Node at 6° Leo in the sixth house of the soul's service to the guru. The soul stands in the heart in Leo and recedes into the secret chamber in service to the guru having spoken the truth in the face of the original liar and the liars and their lie as taught by Archeia Aurora in *Vials of the Seven Last Plagues*. Having spoken the truth, the soul remains silent as taught by Archangel Uriel and recedes into the heart to be prepared for when the judgment has passed, to fulfill her destiny as world teacher wearing the mantle they wore on Atlantis before the last golden age fell, the promise of Sanat Kumara.

The soul passes her initiation by being wise as a serpent, but harmless as a dove, having stood in Leo with Vairochana on the wheel of the teachings and the law casting into the flame the component of personality, consciousness, of the (synthetic) self. This component claims for herself what rightfully belongs to the Christ self. The soul stands in the first decant of Leo in the first decant of the sixth house and chooses to be governed by Christ rejecting Satan upon the mountain to be the ruler over others, as Antichrist, as Simon the apostle urged Jesus to lead the

tribes in rebellion (Taurus) against the Romans. The soul understands that, that which is playing out in 2018 on the path is the choice to be or not to be the Christ, to be governed by Christ or be ruled by Antichrist as taught by El Morya. He taught us that if we will not be governed by Christ, then we will be ruled by Antichrist.

The soul understands this to mean that this church's leadership and this nation's leadership stands at the crossroads and may choose to elect to rule as Christ or Antichrist. The latter, having rejected Christ having rejected the love of the Divine Mother who is giving birth to the Christ, within the souls trained to govern. And that if the soul standing in the grand square chooses not to acknowledge the rightful heir to the office of Christ because of fear of the uncle who usurps the rightful office of the soul, as did Hamlet. Then will *come* the prophecy given by Mother to every Keeper of the Flame that they (*who have chosen thus*) will lose everything they love. As this grand square is the crucifixion of the one upon the grand cross who is expanding the pink plume, in Aquarius Leo Taurus Scorpio. The soul's (Leo Aquarius) vision (Taurus Scorpio) of her original blueprint her identity in Christ to rule with the Lord of lords for the next thousand years in this Church Universal and Triumphant and America and in the nations of the earth.

Or the soul, forsaking that vision, for the vision offered by Satan upon the mountain to rule the nations and the church, chooses the path of the vision of the original blueprint of the rebellion of the soul. Having lost the vision, their hearts fail them for fear, of what is coming upon them, as prophesied by Archangel Zadkiel, in *Vials of the Seven Last Plagues*, as earthquakes in their four lower bodies.

This grand square superimposed upon the cosmic cross of the white cube of the Church Universal and Triumphant is the vision that Mother gave us in her July 4 address 1993 that would destroy this church and nation if they were not reorganized to give birth to the Christ. This is the fulfillment of the prophecy given by Mother following her trial in 1985 of the danger that the 24 Elders would face. Whose office was created by El Morya in 1985 following Mother's trial to uphold the guru and to defend the guru against Antichrist. It was, El Morya said, unlawful for the guru to be judged (put on trial) and to have to defend herself. It was given to the chelas to defend the guru. This is the initiation in 2018 of the 24 Elders whether they will (each one) *either* uphold the guru and defend the guru by attaining and striving to the office of Christ as taught by El Morya in that dictation (2/3/1985) *or* they will usurp the office of the guru and take to themselves the office and authority of the vicar of Christ.

This is Mother's prophecy that the fallen angels will change their strategy from attacking the guru to attacking the chelas, to strip them from the guru (given in 1985). This prophecy is playing out in the great drama between those who are the assimilators of the word in the guru and those who are the accommodators of the word in the guru. Destined to play out in the year that began at winter solstice 2017 [2018] with the birth of Christ at Christmas as the soul stood before Maitreya in the Saturn return of the initiation of the heart to account for her integration in Christ, the assimilation of the guru and the teachings or the accommodation these last 30 years.

The tragedy of this is that Mordred and his seed and Vivienne and “her like sorceresses” are playing out by their words and their deeds the destruction of the community of the Holy Spirit, Camelot come again. They are playing out this great drama to engulf the souls of the 24 Elders and key members of the community, the Keepers of the Flame and Communicants and even within America [*who Saint Germain says are initiates under Lord Maitreya on the path of the Ruby ray*] in order to strip the chelas from the guru, the chelas from Maitreya’s mystery school, the chelas from the path of the ascension and the return home.

The tragedy is not that Vivian and Mordred are moving to destroy the church and the nation. This was prophesied by Mother and the seven Elohim in 1993 that began with the release of the karma that is now playing out, of the mega conjunction in Capricorn in January 1994 under the Pluto Saturn square in Scorpio Aquarius at 27° now being triggered by the grand square of Mars South Node in Aquarius squaring the false hierarchy, Apollyon at 1° Scorpio. And by the eclipse of the sun at 27° Aquarius in the 7th house. *The tragedy is* that the chelas standing upon the stage in this great drama in the summer of 2018 do not see, do not name, and do not cast out the original rebellion that is playing out before their very eyes upon the stage in 2018. First, within their own hearts and then within the hearts of others.

The initiation is for the soul, as Archeia Aurora teaches, to speak the truth in divine love with the fire of the heart and the sword of truth in hand and plunge it into this lie that is the manifestation and the projection upon the guru of the hatred of the guru, by the chelas. The tragedy is that this is the prophecy playing out of the Book of Revelations in chapters 20 & 21 of *the unbelievers*, who, we are taught by El Morya, being silent is to give your consent. The karma of silence, the karma of omission, is to give your power to the Mordreds to destroy Camelot and therefore America. Because Mordred and Vivian of themselves are as whited sepulchers. They have no power. They use witchcraft and black magic to project upon the screen the illusion that they have real power. It is the congregation and the citizens of this nation that give their power to this illusion to make it real i.e. the playing out of the returning karma of the seven last plagues as the judgment upon those who have rejected their God.

God is not mocked nor does he give false testimony. God has promised the faithful that he will not sacrifice them, but he will seal them in the eye of the storm and prepare them for their destiny in the golden age and their ascension in the light. And, if necessary because of the faithlessness of the 12 tribes of Israel, Americans, the Keepers of the Flame and Communicants of the Church Universal and Triumphant then he will withdraw the faithful as he did in Shambala and the Sahara and many many more communities of the Holy Spirit throughout the ages as history records the disappearance of civilizations such as in Macho Pichu and Cuba, there are many more. Gautama Buddha in his dictation on New Year’s Eve in the early 90s said that if this church and America fails, the brotherhood will open the earth and lead the faithful to the Grand Teton retreat.

Gautama Buddha also stated as he pointed in King Arthur’s court to the congregation that many in the room at the time would refuse to go, as they have many times in the past, as the brotherhood have had to lead the faithful inside the earth to the retreats. Gautama stated that

those of this generation within the Church Universal and Triumphant who refuse to go would stay upon the surface and take their chances with the aliens. The tragedy is that those who refuse to go, those that were being referred to on New Year's Eve who were sitting in King Arthur's court and around the world on the patch, would fulfill the prophecy of Revelations 20:5.

Revelations chapter 20 speaks of the Satan(s) being bound in the abyss during the kingdom age, at the completion of the first resurrection. Rev 20:4 speaks of the salvation of the *faithful*, "and I saw thrones, and they sat upon them, and judgment was given unto them; and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and who had not worshiped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ, 1000 years. But, the *unbelievers*, Rev 20:5 Jesus taught John that these, the rest of the dead lived not again until the thousand years were finished this is the first resurrection. Blessed and holy is he that hath part in the first resurrection; on such the second death have no power, but they shall be priests of God and of Christ and shall reign with him 1000 years".

We are taught that the laggard evolution of Maldek were the good people who did not take part in the great rebellion that resulted in the destruction of the planet. These are the good people who were silent. They were cast out as the karma of their omission to become the laggard evolution upon planet earth who are now being cast out, as soulless ones. This is the risk the soul is taking who does not put on the Christ or bows before Satan upon the mountain at the fork in the road to become wedded to their dweller, an adept on the left-handed path of black magicians as taught by the Messengers in the Climb the Highest Mountain, *Christ and Antichrist*

Venus at 3° Virgo in the third decant of the sixth house is conjunct Transpluto, the intergalactic dweller on the threshold, the aliens from the 118 civilizations come to earth in their motherships to wage war against the Great White Brotherhood and their chelas as taught by the Messengers. Venus represents the love of the chelas for the guru. Venus represents in the sixth house, the service of the chelas to the guru at 3° Virgo [the first decant of Virgo] the achievement of the soul's integration in Christ on the path of initiation in the summer of 2018. Venus renounces those whose minds are programmed by the alien computers who stand in the sixth house of service to the guru in rebellion as the unjust stewards who have seized the land, the property of America and the church and would rule it as antichrist in the fulfillment of the prophecy. The soul stands and renounces these who would rule as antichrist. They speak the truth with the fire of the heart and the sword of truth in hand into the lie as taught by Archeia Aurora. And the word goes forth in fulfillment of the prophecy and the judgment descends and plays out as taught by John the Revelator and Daniel. During this time of the return of karma of these, the rebellious ones, the faithful in their silence of the secret chambers of their hearts as taught by Archangel Uriel are taught by Gautama for their role in the coming of the dawn of the new day when they will rebuild the church, the community, and the nation. As they magnetize the hearts of first the 144,000, then the remaining 1 million chelas of the will of God who will raise up a new generation as prophesied by El Morya.

Pluto at 20° Capricorn stands in the 11th house second decant conjunct Mother's descendent as the dweller of those in the community (and among the 24 Elders) and within Congress who are representatives of the people, stands against the guru and her chelas on the cusp of the seventh house of Mother's descendent in 2018 and 2019. This Sanat Kumara teaches in the Seven Initiations of those who Follow the Lamb *that they must understand* the false hierarchy the ruby ray defined in the Ritual of Exorcism numbers 1 to 8, the point counterpoint to the eight hierarchies of the ruby ray numbered one through eight. These represent those who usurp the authority and subvert the office of the rightful holders of the office under the hierarchy the ruby ray.

Pluto represents the dweller of the chelas who have stood on the path of initiation at the Y and have chosen to wed the dweller instead of Christ. They have bowed before Satan instead of Maitreya as taught by Maitreya and the Messengers in the Climb the Highest Mountain, *Christ and Antichrist*. These are initiates who have been on the path for many decades. They stand under the eclipse of the Sun being cut off from their I AM Presence as their Pluto usurps the office of the guru and the Messengers and would replace the guru and the Messengers with themselves. They would set themselves up in relationship to Mother's chelas by taking the office of the Vicar of Christ and its authority as did Peter in the Roman Catholic Church and Peter in the Anglican church. This is the anti-church and its anti-apostles and false Christs number four in the Ritual of Exorcism. Pluto in the second decant of the 11th house rejects the idealism (3rd decant Capricorn) of the capstone, the chelas direct communion with the ascended masters, as Mother with Morya. This is the dwellers' warfare in the battle of Armageddon against the Great White Brotherhood. This is the antichurch who stands in opposition to Sanat Kumara and his chelas the ascended masters of the Great White Brotherhood.

Pluto stands in the 11th house in opposition to the Sun of the eclipse at 20° Cancer conjunct Mother's ascendant and conjunct the moon, the soul of the chelas who stand with Guru Ma on her ascendant and receive their Holy Christ self. The soul and her Christ stand upon the mountain receiving Maitreya and casting out the Satan(s) who have stood in 2018 at the fork in the road in the Yod formed by Chiron that stands at 2° Aries on Mother's midheaven and cast Satan behind them upon the mountain and uphold the guru as the word incarnate. The words spoken in truth with the fire of the heart is the word incarnate and it is the judgment. The eclipse of the Sun, Sun conjunct new moon, represents the Sun/Son conjuncts the soul/moon as taught by the Maha Chohan as those who assimilate the guru and the teachings standing in the 5th house 2nd decant. The soul to pass the initiation must study the teachings, research the teachings on black magicians and the Y in the road to know that it is possible for the highest initiates overnight to become their dweller and black magicians. The soul is called to study the teachings and Mother's teachings on reforming the organization and the nation as taught by Mother and the Elohim in 1993 and to study the minutes of the board meetings and the articles that govern the board and the Elders and to know the teachings and the law.

This organization was reorganized to deliver the teachings and to raise up the Christ to govern this church and the nations. The teachings speak of the infiltration of the activities of the Great White Brotherhood and they speak about the path of initiation when the soul comes to that

point of initiation when they must slay the dweller or become the dweller overnight. This comes to every chela as taught by Lord Maitreya in his dictation “The Six-pointed Star of the Lord of the World”. The soul stands with her Holy Christ self (Son/Sun) under the eclipse of the Sun on the ascendant with Mother to receive the guru and the initiator Maitreya and understands that the reforming of the organization is the inner initiation to stand in the second secret ray in Virgo on the 6 o’clock line to transform the component of personality of the outer form of the synthetic self. Those who have chosen the left-handed path see the opportunity of 20° Cancer in the third decant interpreting the teachings and the bylaws to mean what they want them to mean, not what the Masters meant and they state this clearly. They stand in the fifth house second decant for the transformation of the outer organization. Their focus is on the outer while the initiates who are faithful, their focus is on the inner transformation. The TRANS-FORM-ACTION of the inner, of the soul’s original blueprint of her creation to be Christ and of the original blueprint of the soul’s rebellion to be transmuted and therefore to transform the soul from the current state chained to the fallen ones to be free to rise as eagles to be transfigured into the Phoenix in the resurrection as Christ.

The eclipse of the Sun is the coming of Helios for the judgment to cut free our souls from these chains that tie us to these who are the rebellious ones, to cut free this people in the church and the nation from this false hierarchy of Babylon, the great, and the anti-church. Helios is come to deliver their karma to those who created it, to take them down and seal them at the level of their karma as taught by Daniel in chapters 8 through 12. And when it is done, to take from them the nations when all that is written is fulfilled and to give it to the sons and daughters of God to reign for 1000 years in a golden age.

The eclipse is given to the sons of God as a celestial weapon to invoke as taught by the Messengers. Call for the eclipsing of all opposition to the Sun of the I AM Presence and to the office and authority of the vicar of Christ, and to the office and authority of the 24 Elders. The chelas are called to understand that the office and authority of the vicar is the office and authority of Christ as taught by El Morya in the dictation given to create the 24 Elders. The Elders were called to uphold and defend the guru against the false hierarchy of fallen angels who were prophesied to come within this organization and from within destroy it both the church and the nation. The 24 Elders are called to stand up against those who would usurp the office and authority of the Guru under the hierarchy the ruby ray by this false hierarchy that opposes Christ and his authority and office, the Vicar. No one can take the Vicar of Christ as it is a spiritual initiation attained to and given by the guru. What they will do is deceive and create the illusion that the guru, the false guru of the false hierarchy of the ruby ray have given the office and authority to them. This grand illusion we are told will play out and that if time is not shortened even the elect will be deceived. Archangel Uriel and Aurora in *Vials of the Seven Last Plagues* speaks of Lanello’s prophecy, that in the end few will remain faithful to Mother.

The eclipse of the Sun manifests for the salvation of the faithful as the kite formed by the midheaven, nadir to Mercury at 17° Leo in the sixth house, to Mother’s Sun at 17° Aries in the first house. This kite is the means provided the soul who is bonded to the guru, as the guru sends the winds of the Holy Spirit to raise up the faithful above the karma playing out upon the stage of

the great drama of the taking of the scepter of the Divine Mother before it is won. We were told in 1973 by [Mighty Cosmos Secret Rays, 4/8/73] that we were given the next 36 years, 1973 to 2009 on Mother's birthday April 8 to be trained to take the scepter of the Divine Mother to become the Christ. The kite is a 17° kite, comprising the midheaven at 17° Sagittarius, nadir at 17° Gemini, Mercury at 17° Leo to Mother's Sun at 17° Aries. [Surya describes Mother's astrology as celestial astrology meaning that hers is timeless; then as now, and in the earth and in heaven.] The chelas are called to take the hand of the guru and to rise as eagles on the winds of the Holy Spirit above the astral sea of the rising karma of those who would take the scepter of the Divine Mother by their words and by their deeds they are judged.

When the Sun entered Taurus in April, Chiron stood at the apex of a Yod at 2° Aries conjunct Mother's midheaven, as the people (12 tribes) and the chelas (13th tribe) stood at the Y in the road. Much ground transpired between April and the solar eclipse on July 12. In the eclipse chart Chiron stands in the first house, second decant to oppose the soul. The soul's activity [Aries first decant] is to glorify the God flame within as the soul stands on the ascendant at 7° Pisces as the individualization of the God flame having received her holy Christ self and bent the knee before the great initiator Lord Maitreya. The soul now stands to be initiated to transcend the original blueprint of the original rebellion in defiance against the guru. So that when this karma descends upon the clock of betrayers who stand on the North Gate on the six o'clock line in Cancer, usurping the authority and the office of the sons and daughters of God who keep the white cube of the Church Universal and Triumphant, the latter shall be found bonded to the heart of the guru in the heart of Maitreya in the Saturn return of the initiation of the heart and the testing of the soul.

The Y in the road is where the soul must decide to slay the dweller or to slay the guru. The Yod is formed by Chiron to Apollyon at 1° Scorpio and Transpluto at 1° Virgo. The soul must stand in the initiation, knowing the teachings and the path of initiation as taught by Maitreya. The soul stands on the path of personal Christhood and in the initiation of the heart on the third station of the cross in Pisces on the 2 o'clock line and with Jesus falls under the weight of world fear as the Elders, the members (CUT) and the people face the judgment as the salvation of the Lightbearers and the judgment of the Reprobate. We stand at the Y between April 19th and Sept 7th. This is what Gregg Braden calls the Zero Point.

This initiation of the heart is preparing our souls to be the first fruits as *the many*. As we stand in the 31st year in Cancer preparing for the 32nd then the 33rd year in Virgo, the Transfiguration. In preparation for the 14 tests of the crucifixion that concludes the three-year mission that begins in Libra that will prepare the soul for the resurrection in the 37th year in Capricorn, in 2024. By then we will have to have fulfilled the mission of the Summit Lighthouse. Because that is when the world will be ready to receive the world teachers and those anointed by Sanat Kumara to wear the mantles they wore on Atlantis before the last Golden Age fell. When the world will be ready to rise with Atlantis once more to rebuild the culture and civilization of the Divine Mother.

Our souls are being prepared for our Christ mission on the path of personal Christhood (11/1/1987) in the initiation of the heart (2/21/1988 ~ *Maha Chohan*) to stand at the river Jordan on the 9 o'clock line on the West Gate (in 2021) with the multitudes who have been waiting for their saviors in the second coming of Christ in the second advent. The Christ mission of the many will begin to the nations to finish the mission of the Summit Lighthouse that concludes in the year 2024 (1991) as world teachers bearing the mantles we wore on Atlantis, bestowed by Sanat Kumara. These are the souls of those who will return to Camelot with Merlin to cast out the black magicians. Casting them out of North America as prophesied by the Goddess of Liberty.

In summary, the Sun transited Cancer, with the coming of Helios at summer solstice, to deliver the judgment upon the accommodators of the word, the abusers of the word on the first ray. The Ritual of Exorcism, number 6, identifies this false hierarchy as the Devil in the person of the Accuser of the Brethren; the laggards against the light, the fallen ones, and the clock of betrayers; Abaddon, his fallen Angels and the devils and beasts out of the bottomless pit that make war with the Lamb and his chosen and faithful who subvert the authority of the Father and usurp the office of the Lion occupied in matter by the Saints who are the sons and daughters of God, the 144,000, and *the remnant of the woman's seed* who keep the flame in the white cube of the Church Universal and Triumphant. El Morya tells us that the Modreds must play their hand. This is what El Morya describes as the Great Drama. Pluto conjoined **Mother's descendant**, a second time, on July 2nd at **20° Capricorn**. Then on July 12th, the Sun conjunct the new moon during the solar eclipse at **20° Cancer** conjunct **Mother's ascendant**. This eclipse set the stage for the accelerated initiation of souls. It set in motion the cutting off of souls from their I AM Presence as we entered the seventh lunar cycle of the year in the 28 day lunar cycle to meet the challenge of the playing out of our unbound residual desires as we stand at the Y with Chiron and face the conditioning of our souls whether we will bond to the heart of the Guru standing on **Guru Ma's Midheaven** (2° Aries) or drunk with the blood of the Saints and the (Man) child usurp her authority and subvert her office. This initiation is occurring now and all activities, thoughts, feelings and revolving memories are the playing out on the stage by every soul their role in this great drama. The drama of the return to the mystery school and the soul's confrontation with the Serpent mind at the East Gate. It is the drama of the souls' Odyssey as each one faces the original blueprint, while standing at the Y, of her soul's destiny and her original rebellion, her stubbornness and defiance against the Guru as lawgiver. And must choose her path going forward, to the right or to the left (handed) path. This is especially true for the Elders who were created to defend the Guru, in Feb 1985, against the change in strategy of the Fallen Ones (Nephilim and Watchers) to strip the chelas from the Guru. The Modreds, Morya, tells us, must play their hand. Standing at the Y on the East Gate (number 5 in the Ritual of Exorcism) they must defend the Guru or, in their pride and ambition, usurp her authority and the office of the Son of Man, Christ Taking heaven by storm, described by Morya, as Peter did twice before, as described by Kuthumi in number 13 of the Expose of the False Teachings.

They have not met their timetable...to prevent placing of this capstone on the pyramid of America...any holocaust or war that they should stage will not have been in time to prevent this manifestation.
- Let the victory be sustained...

- Purpose of all time is preserve and protect this activity...gain God-Mastery
- Clear the 7 deadly fears (Napoleon Hill) from your worlds that you may precipitate that supply.
- Alliance with Kuthumi, that psychologist, assist you in transmuting the negatives **by seeing through them, by blowing them away by Love and Mercy**
- **Bless your enemies, all from whom you receive negative vibrations and matrices. They present you the test, you would pass, the initiation you would get through (that obstacle) you one day would overcome; when you no longer carry their challenges.**
- **They are the initiators who come from the dark side. Bless them for the great strengthening you have received [from God as you determine to meet those challenges victoriously]** Bless them for the lessons you have learned so that you could pass the tests of Maitreya and the Cosmic Christ when they did come. Thus God-Gratitude for all who have ever injured you. In that state of mind [trines, sextiles, quintiles] you become invulnerable and invincible, it is then that the ANGELS can permanently mend the holes in your garments.
- Let the word live in you and let the work, as its complement be for the anchoring and the balance. Let our chelas speak the word because they have assimilated it, as part of their total being.

are God's, and He holds you close...the only distance you know is time and space conditioned by inharmony.

- ...the dark clouds of the fallen ones that attempt to cover and **eclipse** the SUN of your I AM Presence.
- Let not the eclipse of the Sun or moon in any way mar the blessings of the Sun of your soul and the Sun of your I AM Presence! Defeat that astrology...unto you is the cup of victory. Remind yourself daily, I am a son or daughter of Helios and Vesta.
- ...*these wings are **the wings** of the mind...of God Mercury...of Venus. Draw down the SUN into the lowest depths of the physical plane...unto the 33 steps... you can by the power of the SUN rout those fallen ones bind death and hell, cast them into the lake of fire of your own SUN.*
- **Fallen ones remain** until the people (1st house) decide to reject them, for they will no longer worship them, they will no longer accept their standards. It is YOU who have given them haven! Divest yourselves of all that consciousness...they will no longer be able to abide. The earth is ...St Germain's and Portia's and it is their turn with God and Goddess Meru to remake this world into the kingdom of heaven and you assisting...
- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with. Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
