
Christian Militants In Southern Kaduna Threaten Fulani Herdsmen, Give Seven Days Evacuation Notice

A militant Christian sect that first emerged last year in Christian-dominated Southern Kaduna again, today threatened to chase out Fulani herdsmen if they do not leave the area in the next seven days.

JUN 04, 2012

A militant Christian sect that first emerged last year in Christian-dominated Southern Kaduna again, today threatened to chase out Fulani herdsmen if they do not leave the area in the next seven days.

The group, known as AKHWAT AKWOP, said its spokesman, Bukarma Leguma, that it has “watched peaceful, innocent, and hardworking people by the thousands being driven out of their homes in southern Kaduna,” and urged the herdsmen to

“AKHWAT AKWOP is also aware that the ultimate aim of the Fulani terrorist is to create a situation of insecurity in southern Kaduna whereby our people will not be able to utilize this farming season thereby leading to hunger, deprivation and famine in the land,” the statement said.

It warned that after the seven days of grace, which expires on June 10, AKHWAT AKWOP will declare “open season” on any Fulani found within their lands.

[Full text of the statement]:

Below is the full statement:

Greetings in the name of our lord and savior Jesus Christ.

AKHWAT AKWOP has watched with disgust the unrelenting murders and killing of our peaceful, innocent, and hardworking people by wandering bands of Fulani terrorist gunmen operating in southern Kaduna.

Between January and June 2012, the Fulani terrorist have murdered over 100 innocent southern Kaduna people, the recent one at zonkwa claimed a father and son leaving others injured .

AKHWAT AKWOP is also aware that the ultimate aim of the Fulani terrorist is to create a situation of insecurity in southern Kaduna whereby our people will not be able to utilize this farming season thereby leading to hunger, deprivation and famine in the land

Rising from our national executive committee and field commander’s emergency meeting AKHWAT AKWOP resolves as follows

1. For so long we have restrained ourselves from reprisal attacks against these Fulani dogs from hell. We can and will no longer do so
2. Today 3/6/12 AKHWAT AKWOP gives all Fulani within southern Kaduna 7 days to leave. After these 7 days of grace which expires on 10/6/12 AKHWAT AKWOP declares open season on any Fulani found within our lands.
3. AKHWAT AKWOP assures all our peace loving people that we will not attack your homes, villages, highways and on their farms.
4. AKHWAT AKWOP reminds all that eternal freedom.

Keneth stop worshipping a man, worship the ever living God(ALLAH), he is merciful, full of wisdom, benevolent, and omnipotent, Master of d day of Judgement. He(Allah) sent a great prophet (Jesus) to guide and save d Jews from their hellish ideologies.Allah swt only says "Be and it is"

I don't have to lie about Islam bcos there is no reason for me to do that. Islam is already a lie which is being exposed every day.Ray, I will be all too willing to worship a man who had such a miraculous birth and performed unheard of miracles than to worship a rehashed pagan idol. Remember that Muhammad's father was named 'Abdallah' which means the 'slave of allah'. Allah had been the Arabian god before Muhammad was born that was why his father could be its slave. You can see that Allah is so powerless that it requires the likes of Ray to kill and maim for it. Allah has never done anything spectacular as the GOD of the Holy Bible did.Allah told falsehood not protect its prophet from physi trust his god. So he wore 2 coats bodyguards. Allah went to sleep Allah is quite heinous.

Emperor Constantine summoned the Nicaea conference which issued 20 edicts. None of them said anything about the Sonship of JESUS.The Holy Bible is the inspired word of GOD.That is why whatever is said in there comes to pass. Can we say that about the koran? NO! First of all, it has stories which were already well known in Arabia,some of them as folktales, long before the time of Muhammad who retold them as 'revelations'. Then the scribes wrote whatever they liked which Mohammad approved. He refused to compile his 'revelations' into a book but left them to be memorized. How well can you trust human memory? Some suras 'were eaten by goats' when he died. Then Uthman gave Zaid the task, which was 'more difficult than lifting a mountain', to compile what you have now as the koran. He got killed by Muhammad ibn Abu Bakr for corrupting the word of Allah. Yet it is the same one Muslims read today.Be honest Ray, between the Bible and the Koran, which one is of doubtful origin?

When you claim that no muslim has read anywhere that Muhammad is the messiah, it shows that you have not read the gospel of thomas and that of Barnabas. Without reading them, there is no basis for your argument. The doctrine of the HOLY TRINITY has nothing to do with any pagan religion. The doctrine had been known to the Apostles as well as the early church fathers like Irenaeus(130-200), who lived long before Emperor Constantine. Even Polycarp, who was ordained Bishop of Smyrna by the Apostle John, had referred to the Holy Trinity in the baptismal formula. So did Tertullian(ca 160-220),Victorinus(ca 270-303) and so many others. Unlike Christianity, nothing holy can be said about Islam. Every ritual in Islam derives its origin from Arabian paganism. The Kabba, hajj, umra, running around Saffa and Marua, circling the kabba 7 times were all pagan rituals. The 'holy month' was pagan that was why Muhammad said it was grievous to kill at that time.He still justified the killing.

KENETH → Ray · 7 years ago

Ray, if anyone resorts to cheap blackmail in advance of his religion, it is the muslim like you. When u say that "NOR DO WE REFER TO JESUS AS THE MESSIAH", it means that either u are lying or u do not read the koran. That manual of violence calls the Lord Jesus the "messiah" in not less than 5 instances. If y now say that HE is not the messiah or u do not recognize HIM as such, then it means that u are at variance with ur koran. That makes u a kafir or an apostate for the rajam penalty. The 'gospel of thomas' has been described by the Concise Encyclopedia of Islam as a 'medieval forgery'. So if u like, continue to use a forgery as the source of proving Islam to be the verbatim word of 'Allah'.

Ray, always read my posts carefully. I said that the gospel of thomas u are so delighted with, says that when Jesus was asked if HE was the messiah HE said 'no' that it was Muhammad. This is one claim that Muslims have not made for their prophet directly but choose going through 'Thomas'.

I fear for the future of Naija. People can only live in peace and security when there is freedom under equitable law, law which is upheld by strong and fair government. Boko Haram and some (not all) among the nomadic Fulani are lawless murderers spreading fear and death. Army and police have failed to protect people from them. So now AKHWAT AKWOP wants to take the law into ts own hands and be as lawless as Boko Haram. My Christian Brothers, this is the way of folly that will lead to hellish conflict. I pray you see the folly of this way and show Christian grace and love for your enemies. This does not mean you submit to their lawlessness. Arm yourselves in self defence if the police and army do not protect you. But return no-one evil for evil. As much as it lies within you live in peace with all. It is very sad to see so much belligerence from Christians and Muslims posting here. Ubangiji Allah yo kiyaye ku duka.

It is good news that muslims are relying on the 'gospel of thomas' because it further exposes Islam as nothing but falsehood and is maintained on lies. Among the defects of this 'gospel' are its contradiction of the unholy koran. For one, it claims that Muhammad was the 'messiah; a claim which the koran does not make. No authentic gospel will deny the HOLY TRINITY as this one does. It is deficient in geography by claiming that both Jerusalem and Nazareth were seaports. It is written in modern Assyrian which was standardized in the 1840s. The first Bible in modern Assyrian was written in 1848. If the book was written in 1500 AD, then it would have been in classical Assyrian. How would a book written in 1500 predict the coming of Muhammad which took place 800 years earlier? What is the miracle or extraordinary about an after event? Muslims ridicule themselves with such claims.

I have repeatedly said in this forum that Muhammad was homosexual as was Umar and others.

This is clear evidence our police force is incapacitated to respond to the current threat Nigeria faces. They are a disorganised bunch of gun carrying vigilante.

Only in lawless societies do people make such announcement above the law. Who are the next group waiting to do carnage like Boko Harem?

Almost every problem can be traced back to CORRUPTION. The police are ill equip and poorly trained.

This new development is NOT about trying to bring a southern president down. IT ABOUT A GOVERNMENT ALLOWING CORRUPTION TO FREEZE EVERY GOVERNMENT FUNCTION TO IT'S PEOPLE.
