

CHRYSLER PACIFICA 2019

CHRYSLER PACIFICA *BUILDING OUR BEST*

LIMITED SHOWN IN GRANITE CRYSTAL METALLIC

THE MOST TECHNOLOGICALLY ADVANCED MINIVAN EVER^{1*}

Tech-savvy families will embrace the compatible functionality of the available Largest-in-Class¹ 8.4-inch Uconnect[®] touchscreen multimedia centre. This integrated digital hub for media and communication enables Apple CarPlay[™] and Android Auto^{™2} to access playlists, maps and more. Advanced available active safety and security features offer added protection by automatically reacting to prevent potential impact, such as Lane Departure Warning with Lane Keep Assist, and Forward Collision Warning with Active Braking. Blind-Spot Monitoring with Rear Cross-Path Detection and ParkView[®] Rear Back-Up Camera provide visual and audible support for difficult to see areas.³ SiriusXM Guardian⁴ brings convenience and peace of mind with technologies like SOS Call, Roadside Assistance and Stolen Vehicle Assistance. For the ultimate in-vehicle entertainment, the available Uconnect Theatre's two 10-inch High-Definition touchscreens keep rear passengers occupied for as long as the trip lasts.

NO-COMPROMISES VERSATILITY

Since most days include bringing more stuff and an extra passenger or two, the Class-Exclusive¹ Stow 'n Go[®] fold-in-floor seating and storage system with available seating for eight always has room for more. Occupants in all three rows will notice the spaciousness, along with easy access to their gear. Easily access the trunk space — a single kick motion opens the Class-Exclusive¹ available hands-free power liftgate and dual sliding side doors when the key fob is with you.

A PLATFORM FOR SMOOTH UTILITY

Advanced aerodynamics, as well as interior noise-cancellation technology, provide a peaceful cabin. The architecture optimizes ride and handling with a suspension and frame configured for strength, stiffness and refined driving dynamics.

THE MOST ADVANCED ENTERTAINMENT SYSTEM
*IN ITS CLASS*¹

2ND-ROW UCONNECT® THEATRE

INDUSTRY-LEADING¹ REAR-SEAT ENTERTAINMENT

Whatever their age, rear passengers will have plenty of picks to pass the time with the available Uconnect Theatre allowing them to watch movies, play built-in games and connect personal devices to stream content throughout the vehicle. The system enables second-row occupants to bring their digital lifestyle along for the ride and connect simply, either wirelessly or using USB and HDMI device connectivity.

FIRST-ROW CONTENT CONTROL

The available Blu-ray®/DVD player with integrated USB port in the first-row centre stack can be used to play movies on the two front-seatback-mounted Uconnect Theatre 10-inch touchscreens. Using the 8.4-inch touchscreen, parents can mute, turn off and/or lock out content displayed on each rear screen.

A MOBILE THEATRE AND GAME CONSOLE

Dual, 10-inch High-Definition rear seatback-mounted touchscreens include apps and games in the second-row Uconnect Theatre, allowing separate media or games to display simultaneously. Curious minds in the backseat will stay engaged as they follow your travels with the “Are We There Yet?” app on navigation⁵-equipped models, which displays distance and time remaining to programmed destinations. Seven included games, like checkers, tic-tac-toe and bingo, ensure the crew is entertained along the way.

PREMIUM ACOUSTICS

The standard built-in Active Noise Cancellation (ANC) technology subdues unwanted noise to enhance cabin quietness. It also allows for premium sound quality to be delivered through the standard 6-speaker audio system, available Alpine® 13-speaker system or available Class-Exclusive¹ harman/kardon® 20-speaker Surround Sound system, creating a mobile soundstage.

LARGEST-IN-CLASS¹
8.4-INCH TOUCHSCREEN

UCONNECT® 4C NAV⁵ WITH SIRIUSXM TRAVEL LINK⁹

YOUR COMMUNICATION CENTRE

Remain focused on the road, with your hands on the wheel, as you communicate, navigate and stay entertained with the standard 7-inch or the available Largest-in-Class¹ 8.4-inch Uconnect multimedia centre touchscreen. The system displays climate and multimedia controls, and an available memory feature to save preferred seat, mirror and radio settings.

With your compatible phone paired to the system's hands-free⁶ Bluetooth® technology, **Voice Text Reply**⁷ can announce and read incoming texts and reply with preformatted responses. **Siri® Eyes Free**⁸ allows you to make voice commands⁶ with your compatible iPhone®, and **Do Not Disturb** can hold calls and texts or send automated replies.

3D NAVIGATION IMAGERY

Identifying your whereabouts is an exact science with the available Uconnect 4C NAV system's integrated navigation,⁵ including 3D landmarks, city models, digital terrain maps, enhanced graphics and one-step voice destination entry.

AVAILABLE 7-INCH IN-CLUSTER DISPLAY SCREENS

7-INCH IN-CLUSTER DISPLAY CENTRE

This available premium display delivers crisp, configurable graphics integrated between the cluster gauges. A customizable screen allows for a range of driver-assist settings, such as digital speedometer, fuel economy, alerts for available features like Forward Collision Warning with Active Braking³ or Parallel and Perpendicular Park Assist³, and turn-by-turn directions if equipped with navigation.⁵

YOUR PERSONAL *HOT SPOT*¹⁰

SiriusXM satellite radio⁹ includes over 120 music, news, sports and specialty channels and is available with one-year subscription. It also allows you to receive alerts when your favourite song, artist or team is playing on another channel. Instant Replay lets you pause and rewind programs, songs and broadcasts. SiriusXM Tune Start ensures you never miss a beat by starting songs from the beginning when switching between preset channels.

**SiriusXM
TRAFFIC**

**SiriusXM
TRAVEL LINK**

SiriusXM Traffic⁹ is an available feature that works with the vehicle's navigation system⁵ to display traffic and accident information to assist in routing around congested areas. The available SiriusXM Travel Link⁹ offers real-time local fuel prices, weather conditions, sports scores and movie times.

This advanced in-vehicle connectivity offers a Wi-Fi Hotspot¹⁰ and help when you need it most with Roadside Assistance Call and SOS Call from your touchscreen or rearview mirror button. The available mobile app helps to keep you connected by turning your phone into your vehicle's command centre. The one-year subscription includes Remote Vehicle Start¹¹ to start your car and unlock the doors from virtually anywhere, as well as Stolen Vehicle Assistance alerts, Send & GoTM and much more.

This plug-and-play capability provides a safer way to use Android^{TM2} while in your vehicle, sharing information while you easily access the best of GoogleTM: Google Maps with voice-guided navigation⁵ and Google Play Music; place phone calls or send and receive messages and ask Google any question by voice command.⁶

A smarter, safer way to use an iPhone,[®] while plugged in inside your vehicle, and seamlessly integrate it with the Uconnect[®] touchscreen and Siri[®] voice control.⁸ The compatibility allows you to make calls, access music, send and receive messages,⁷ get directions optimized for traffic conditions and more while staying focused on the road.²

OVERACHIEVEMENT:

AVAILABLE SEATING FOR 8

From the ingenious 243 seating and storage configurations, including an expansive flat cargo volume and an available eighth seat that increases the latch-installed child seats to five, every detail adds up to making Pacifica ideally suited for family road trips.

UNMATCHED PASSENGER AND CARGO *VERSATILITY*

PLANNED FOR FULFILLMENT

The family room on wheels offers up to 243 different seating configurations with available seating for eight on properly equipped models, including a lightweight, removable second-row centre seat. With the second- and third-row seats stowed in the floor and the eighth seat removed, an expansive flat cargo space can fit several 1.2- x 2.4-m sheets of plywood. When the removable eighth seat is not being used, it offers an additional armrest, cup holder and storage bin for the second-row passengers by folding the seatback forward.

AUTO ADVANCE 'N RETURN

The available Auto Advance 'n Return feature makes stowing gear or the seats in second-row in-floor bins as simple as pressing a button that automatically slides power-equipped front seats forward to allow for bin access. Press the button again, and the front seat returns to its original position, including recline.

SEATING ASSIGNMENT SOLVED

The available one-touch power-folding third-row 60/40 split-bench seat folds directly into the floor. This feature also includes obstacle detection¹² to automatically pause if something is detected in its path of motion, as well as an automatic headrest folding function that can be accessed through the front-row Uconnect[®] touchscreen.

NO BENCH-PRESS TRAINING REQUIRED

Your essentials may be many, but Pacifica makes getting settled a smooth operation. The enhanced available Stow 'n Go[®] system provides intuitive, easy operation, with a smooth, single-motion fold-and-stow process for the fold-in-floor second- and third-row seats. With rear seats in the upright position, in-floor bins keep sporting equipment, gear, toys and backpacks in their place and in reach.

ALWAYS WITHIN REACH

You'll stay organized and tidy with clever storage like cup holders, pockets and sliding drawers, while your bag finds the perfect landing spot next to you without getting in the way. The available centre console and stack drawer allow easy access to smaller items, keeping your elbow room clear. Also included are connections for 12-volt and USB charging, lined storage surfaces, and a stylish tambour door on models equipped with the Super Console.

EASY DOES IT

Passengers can easily climb into the third row using the Easy Tilt seat feature. The second-row seats shift forward, with or without a child seat installed, at the pull of a lever. Alternatively, third-row passengers can simply pull the Stow 'n Go strap before entering the third row (if a child seat is not installed).

CARGO CAPACITY

Versatility is virtually endless with the most innovative minivan in its class! The available Stow 'n Go system folds and stows second- and third-row seats, allowing you to go from seating up to eight to seating two passengers, with any combination in between. With all rear seats stowed, 3979 L (140.5 cu ft) of cargo space means loading up is as easy as loading in.

LIMITED INTERIOR SHOWN IN DEEP MOCHA

OPEN AND AIRY

Passengers will appreciate awe-inspiring views while enjoying cloud formations or counting stars through the overhead glass. The spacious interior is visually expanded with the light-infused available Class-Exclusive¹ Tri-Pane Panoramic Sunroof with third-row fixed glass and power dual-pane first- and second-row sunroof. The sunroof features deep-tinted glass and a power sunshade for the front section, as well as a manual sunshade for the fixed rear glass.

TRI-PANE PANORAMIC SUNROOF

THE FAMILY *ANNEX*

DRIVER APPRECIATION HANDLED

The optional premium, ergonomically designed leather-faced seats are available heated and ventilated, while they support contours of the body and afford generous legroom. The intuitive interior includes the standard Rotary E-shift dial in the centre stack and available open centre console with storage. The available 12-way power adjustable driver seat with four-way power lumbar support and memory settings, heated steering wheel and keyless proximity entry with push-button start make Pacifica built to appreciate the driver.

COMFORT ZONE

The Pacifica cabin offers premium features to keep you comfortable when temperatures outside are less than ideal. The available heated steering wheel can be operated using climate controls on the Uconnect[®] touchscreen, while the available tri-zone automatic temperature control includes a rear-seat control panel. On remote-start-equipped models, the heated steering wheel and heated and ventilated front seats can be programmed to automatically activate when the remote start feature is used.

THE SMART LIFE IS
CONVENIENT

STRESS-FREE KEY SECURITY

Ideal for families with new drivers, the available KeySense programmable key fob helps promote safe driving habits and limit distractions. Using a four-digit PIN that is programmed through the Uconnect® touchscreen, the KeySense fob can limit vehicle speed and audio volume, and block select SiriusXM satellite radio® channels. KeySense will also mute the audio when front seat belts are not buckled and prevent disabling of available active safety systems.

CLASS-EXCLUSIVE¹ HANDS-FREE POWER SLIDING DOORS AND LIFTGATE

A single kick motion under the sliding doors or liftgate opens the vehicle when the key fob is with you. Whether you're carrying packages or a sleeping baby, loading has never been smoother.

LIMITED SHOWN IN VELVET RED PEARL

KEYLESS ENTER 'N GO™

This available passive entry system allows you to open doors as well as start the vehicle with a keyless, push-button ignition via a personalized fob. With the fob on or near you, simply pull the door handle or rear liftgate latch to unlock the vehicle. The available power sliding doors and rear liftgate can also be opened with the touch of a button.

EASY CLEANUP WITH STOW 'N VAC

When things get messy, the convenience of an available built-in vacuum by RIDGID® makes cleanup fast and simple. Accessed from the second row, Stow 'n Vac easily reaches all corners of the Pacifica. It's the highest power-rated in-vehicle vacuum in its class¹ and includes a crevice tool, fabric brush and dishwasher-safe debris drawer located in the rear cargo area.

100+

STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES

LIMITED SHOWN IN VELVET RED PEARL

ACTIVE PARKING ASSISTANCE

The Chrysler Pacifica assists in your daily manoeuvres, through a network of available front- and rear-fascia sensors, to guide you into parking spaces and help you detect obstacles.³ The sensors send out ultrasonic waves when driving at low speeds and can provide visual and audible alerts about nearby obstacles. Park-Sense[®] Rear Park Assist with Active Braking³ can automatically apply the brakes to prevent a potential rear collision in parking situations.

Parallel and Perpendicular Park Assist³ is available on either side of the Pacifica. When activated by the driver, the system can locate a suitable parking spot and allow the vehicle to manoeuvre itself into a perpendicular or parallel space. This feature automatically controls steering-wheel turn as the driver controls the gears, brake and accelerator.

ADVANCED LIGHTING TECHNOLOGY

Providing a bright spot in any lane, Pacifica's available automatic quad-halogen projector headlamps and premium fog lamps offer more controlled illumination for increased visibility. Available High Intensity Discharge headlamps, LED Daytime Running Lamps and LED fog lamps provide enhanced illumination and unmistakable road presence, while LED taillamps produce a distinctive and highly refined illuminated halo. Available Auto High-Beam Headlamp Control adjusts brightness based on ambient light and oncoming traffic.

ELECTRIC PARK BRAKE WITH SAFEHOLD

Activated by a button located near the Rotary E-shift dial, the standard Electric Park Brake switch eliminates the traditional pull park/emergency brake handle. It includes the additional function of SafeHold, an override feature that can secure the wheels if it detects the driver has exited the vehicle while it's at a standstill but not in the Park gear.

SAFETY AND SECURITY THAT GOES ABOVE AND BEYOND

EQUIPPED TO PROTECT

As an extension of caring for your family, the Chrysler Pacifica stands for what matters most: advanced safety and security features that bring you peace of mind, no matter who's behind the steering wheel.

LANE DEPARTURE WARNING WITH LANE KEEP ASSIST³

A forward-mounted camera assesses the vehicle's position within a lane. If this system detects the vehicle is drifting out of its lane without the driver using the indicators, this available feature can warn the driver visually and through a haptic warning — a "shiver" in the steering wheel. If the driver does not respond to the warnings, Lane Keep Assist³ can help gently nudge the vehicle back into the lane by leveraging the Electric Power Steering system to apply corrective steering input.

ADAPTIVE CRUISE CONTROL WITH STOP AND GO³

By using radar and video sensors, this available system can automatically adjust cruising speed based on preset speed and vehicle distance settings. In certain conditions, such as stop-and-go traffic, the system is able to bring the vehicle to a complete stop without any driver intervention, then prompt the driver to press the Resume button or tap the accelerator to re-engage to safe-range speeds as traffic begins to move.

FORWARD COLLISION WARNING WITH ACTIVE BRAKING³

Using radar and video sensors, this available system detects whether the vehicle is approaching another vehicle or large obstacle in its path too rapidly. When an object is detected, the system can provide audible and visual warnings and can assist the driver in avoiding an incident by actively applying the brakes. The driver has the ability to adjust the sensitivity and turn brake support on or off using the Uconnect[®] multimedia centre.

BLIND-SPOT MONITORING WITH REAR CROSS-PATH DETECTION³

When driving forward, the available Blind-Spot Monitoring system³ continually monitors the vehicle's side blind zones using dual radar sensors. When a side blind-spot is encroached, you're notified via an illuminated icon on the appropriate sideview mirror; if the turn signal is activated, an audible notification sounds. This system also includes Rear Cross-Path Detection³ to alert you with an audible warning if vehicles or objects are in your path when driving in Reverse.

A BRIGHT SPOT IN THE DROP-OFF LANE

360° SURROUND-VIEW CAMERA³

PARKVIEW® REAR BACK-UP CAMERA³

When driving in Reverse, the standard ParkView Rear Back-Up Camera³ image is shown on the 7-inch or 8.4-inch Uconnect® touchscreen. It includes selectable static or dynamic grid lines, adjusting as the steering wheel is turned. The wide-angle view of what is immediately behind your vehicle allows you to better access a clear path for backing out of parking spots.

SURROUND-VIEW DISPLAY

During low-speed driving situations like parking or backing out of your driveway, the available 360° Surround-View Camera³ delivers a new level of technology, providing a bird's-eye perspective of the vehicle and its surroundings on the available Largest-in-Class¹ 8.4-inch touchscreen.

SAFETY AND SECURITY FEATURE PACKAGES

Two package options bundle advanced safety features to enhance driver and passenger safety and security. The **SafetyTec™ Group** includes: Park-Sense® Rear Park Assist with Active Braking³ and Blind-Spot Monitoring with Rear Cross-Path Detection.³ The **Advanced SafetyTec Group**'s active safety systems include: Forward Collision Warning with Active Braking³, Adaptive Cruise Control with Stop and Go,³ Lane Departure Warning with Lane Keep Assist,³ and more. See page 23 for full package details.

THE PACIFICA'S UNIBODY ARCHITECTURE CARRIES ADVANCED STRUCTURAL APPLICATIONS, OPTIMIZED PROPORTIONS AND HIGH-STRENGTH STEELS FOR A SUPERIOR FOUNDATION

8 AIR BAGS¹³

Eight standard air bags include front multistage air bags with adaptive venting technology, side-curtain air bags, driver and front-passenger inflatable knee bolster air bags, and front-seat-mounted side-impact air bags. Based on occupant size and the severity of impact, the front air bags open at varying levels of inflation. Side air bag inflatable curtains extend over both front and rear seating rows.

CANADA'S BEST-SELLING¹⁴ ENGINE

3.6L PENTASTAR™ V6

TOURING-L PLUS SHOWN IN GRANITE CRYSTAL METALLIC

AWARD-WINNING 3.6L PENTASTAR V6 ENGINE

Choosing the gasoline-powered Pacifica means choosing Canada's Best-Selling¹⁴ engine, the 3.6L Pentastar V6, which is both commanding and economical. This proven V6 powerhouse delivers an impressive 287 horsepower and 262 lb-ft of torque. Efficiency is further enhanced with the available Engine Stop/Start (ESS) technology that automatically shuts off the engine as the vehicle brakes to a stop, then seamlessly restarts it when the brake pedal is released.

SEGMENT-FIRST¹ 9-SPEED TRANSMISSION

The Pacifica is equipped with a standard 9-speed automatic transmission — a primary contributor to unsurpassed highway fuel economy rating of 8.4 L/100 km (34 mpg).[†] Its unique calibration allows for outstanding vehicle launch characteristics, with quick, smooth transfers between gears. The transmission also enables lower engine rpm while cruising at highway speeds and, in turn, optimal fuel efficiency.

BEST-IN-CLASS¹ TOWING CAPACITY

Whether it's loading up the trailer with home improvement supplies and garage sale finds or pulling the camper or boat, you'll easily get it done with a towing capacity of up to 1633 kg (3600 lb). When you're pulling that much weight, it's nice to know the available Trailer Sway Control (TSC) will help keep you safely on course.

287 HORSEPOWER
262 LB-FT OF TORQUE

[†]Based on *EnerGuide* fuel consumption ratings for non-hybrid minivans in the WardsAuto Small Van segment. Full fuel economy details can be found on page 23.

PACIFICA S APPEARANCE PACKAGE
WRAPPED IN ATTITUDE

LIMITED WITH APPEARANCE PACKAGE SHOWN IN BRIGHT WHITE

The available S Appearance Package gives Pacifica a sporty look inside and out. Black exterior accents include grille surrounds, headlamps and daylight opening mouldings, Black Noise aluminum wheels, as well as unique Chrysler wing and "S" badging. Inside, Black elements throughout feature Light Diesel Grey accent stitching on seats, steering wheel, instrument panel and doors, along with embroidered "S" logo on seats and Piano Black accents.

- Unique 18- or 20-inch Black Noise aluminum wheels
- Black Stow 'n Place[®] roof rack system (Touring-L, Touring-L Plus and Limited only)
- Black badging, including "S" badge
- Black daylight opening mouldings
- Black grille surround with Black Chrysler wing badge
- Unique sporty leather-faced or cloth seats with embroidered "S" logo and Light Diesel Grey accent stitching

WARRANTIES: 2019 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance[†]. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres[‡]. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty covering the engine for 5 years or 160,000 kilometres[‡]. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.[‡]

*Whichever comes first. Some conditions may apply. [†]The 5-year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

AUTHENTIC CHRYSLER ACCESSORIES BY MOPAR are designed specifically for your Chrysler vehicle for exceptional fit, finish and performance. Visit your retailer or mopar.ca

MOPAR VEHICLE PROTECTION: FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call 1-800-465-2001.

ABOUT THIS CATALOGUE: Since the time of printing, some of the information you'll find in this catalogue may have been updated. Ask your retailer for details. Some of the equipment shown or described throughout this catalogue is available at extra cost. Specifications, descriptions, illustrative materials and all competitive comparisons contained herein are as accurate as known at the time this publication was approved for printing. FCA Canada Inc. reserves the right to make changes at any time without notice and without incurring obligation. For the price of the model with the equipment you desire, or verification of specifications contained herein, see your Chrysler, Jeep, Dodge and Ram retailer. ©2018 FCA Canada Inc. All Rights Reserved. Chrysler, Dodge, Jeep, Ram, Mopar, SRT, Pacifica, the Chrysler wing design, Stow 'n Go, Stow 'n Place, Stow 'n Vac, Mopar Vehicle Protection, Park-Sense, ParkView, Sentry Key and Uconnect are registered trademarks, and KeySense, Pentastar, SafetyTec, Send & Go and Keyless Enter 'n Go are trademarks of FCA US LLC. Alpine and the Alpine logo are registered trademarks of Alpine Electronics, Inc. Android and Android Auto are trademarks of Google LLC. Bluetooth is a registered trademark of Bluetooth SIG, Inc. Sirius, XM and all related marks and logos are trademarks of SiriusXM Radio Inc. Blu-ray is a registered trademark of the Blu-ray Disc Association. Harman Kardon is a registered trademark of Harman International Industries, Incorporated. Cummins is a registered trademark of Cummins, Inc. iPhone and Siri are registered trademarks of Apple Inc. Facebook and logo are registered trademarks of Facebook, Inc. RIDGID is a registered trademark of RIDGID, Inc. The Twitter name, logo, Twitter T, Tweet and Twitter bird are service marks of Twitter, Inc. DISCLAIMERS: (1) Based on the latest available competitive information for minivans in the WardsAuto Small Van segment. Excludes other vehicles designed and manufactured by FCA US LLC. (2) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto app on Google Play and an Android-compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates may apply. (3) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. (4) All SiriusXM Guardian-equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (5) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. (6) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. (7) Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone. (8) Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (9) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. (10) Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (11) When equipped with remote start. (12) Detects most obstacles. Always use care. (13) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (14) Based on IHS Markit Automotive Canadian New Vehicle Total Registrations 2012 to CYTD September 2017. (15) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. (16) Not compatible with all garage door openers.
