The following is a listing by state of the retail pharmacy chains that participate in Cigna's 90-day prescription supply retail pharmacy network. In addition to the chains listed, Cigna has contracted with a number of independent retail pharmacies in each state. For your convenience, approximately 67,000 retail pharmacies are participating in this 90-day retail pharmacy network nationally, and Cigna's efforts to expand this network are ongoing.

All participating pharmacies in Cigna's national pharmacy network of approximately 67,000 pharmacies will continue to fill 30-day supplies.

Please review your plan document to determine if your plan includes the option to fill a 90-day prescription supply at a retail pharmacy location listed in this directory.

In addition, your employer may provide you with access to 90-day prescription supplies at Cigna Home Delivery PharmacySM. Using Cigna Home Delivery Pharmacy is convenient and may also provide additional savings. Refer to your plan materials for information. Plus, you can call **800.835.3784**, or visit us at **myCigna.com**.
