## About the Syllabus

We are delighted to present this newly created Syllabus which contains the set work for the Grade 6 Examination in Dance (Classical Ballet). The Syllabus should be used in conjunction with the Specification, Syllabus Film and Syllabus Music for Grade 6. Together, these resources provide comprehensive information and guidance for teachers which can be downloaded from our website.

## Note on Terminology

To ensure consistency, the ballet terminology in this syllabus adheres to a single source, namely Gail Grant, (1967) Technical Manual and Dictionary of Classical Ballet. New York: Dover Publications.

## The Specification

Grade 6 continues a series of qualifications which are recognised in England and Wales and form part of the Regulated Framework (RQF) at Level 3. Successful completion of the Examination leads to the following qualification:

BBO Level 3 Award in Graded Examinations in Dance: Grade 6

Full details of the Examination for Grade 6 in Classical Ballet can be found in the Specification, including duration, recommended uniform and assessment criteria. Please note that Specifications for all Graded and Vocational Graded Examinations are available via the website.

## The Syllabus Film

In addition to the written word, teachers will benefit from the Syllabus Film which is available on the website and can be downloaded for free. The film shows each exercise being taught to a student and demonstrated with the music, providing clarification of musical timing, coordination of the arms and use of head. Whilst the film is intended as a resource for teachers, extracts may be shown to students as part of the learning process. The Syllabus Film is the definitive record of the syllabus. Any discrepancies or inconsistencies between the film and written word should be brought to the attention of bbodance HQ for amendment by the Qualifications and Awards Approval Board.

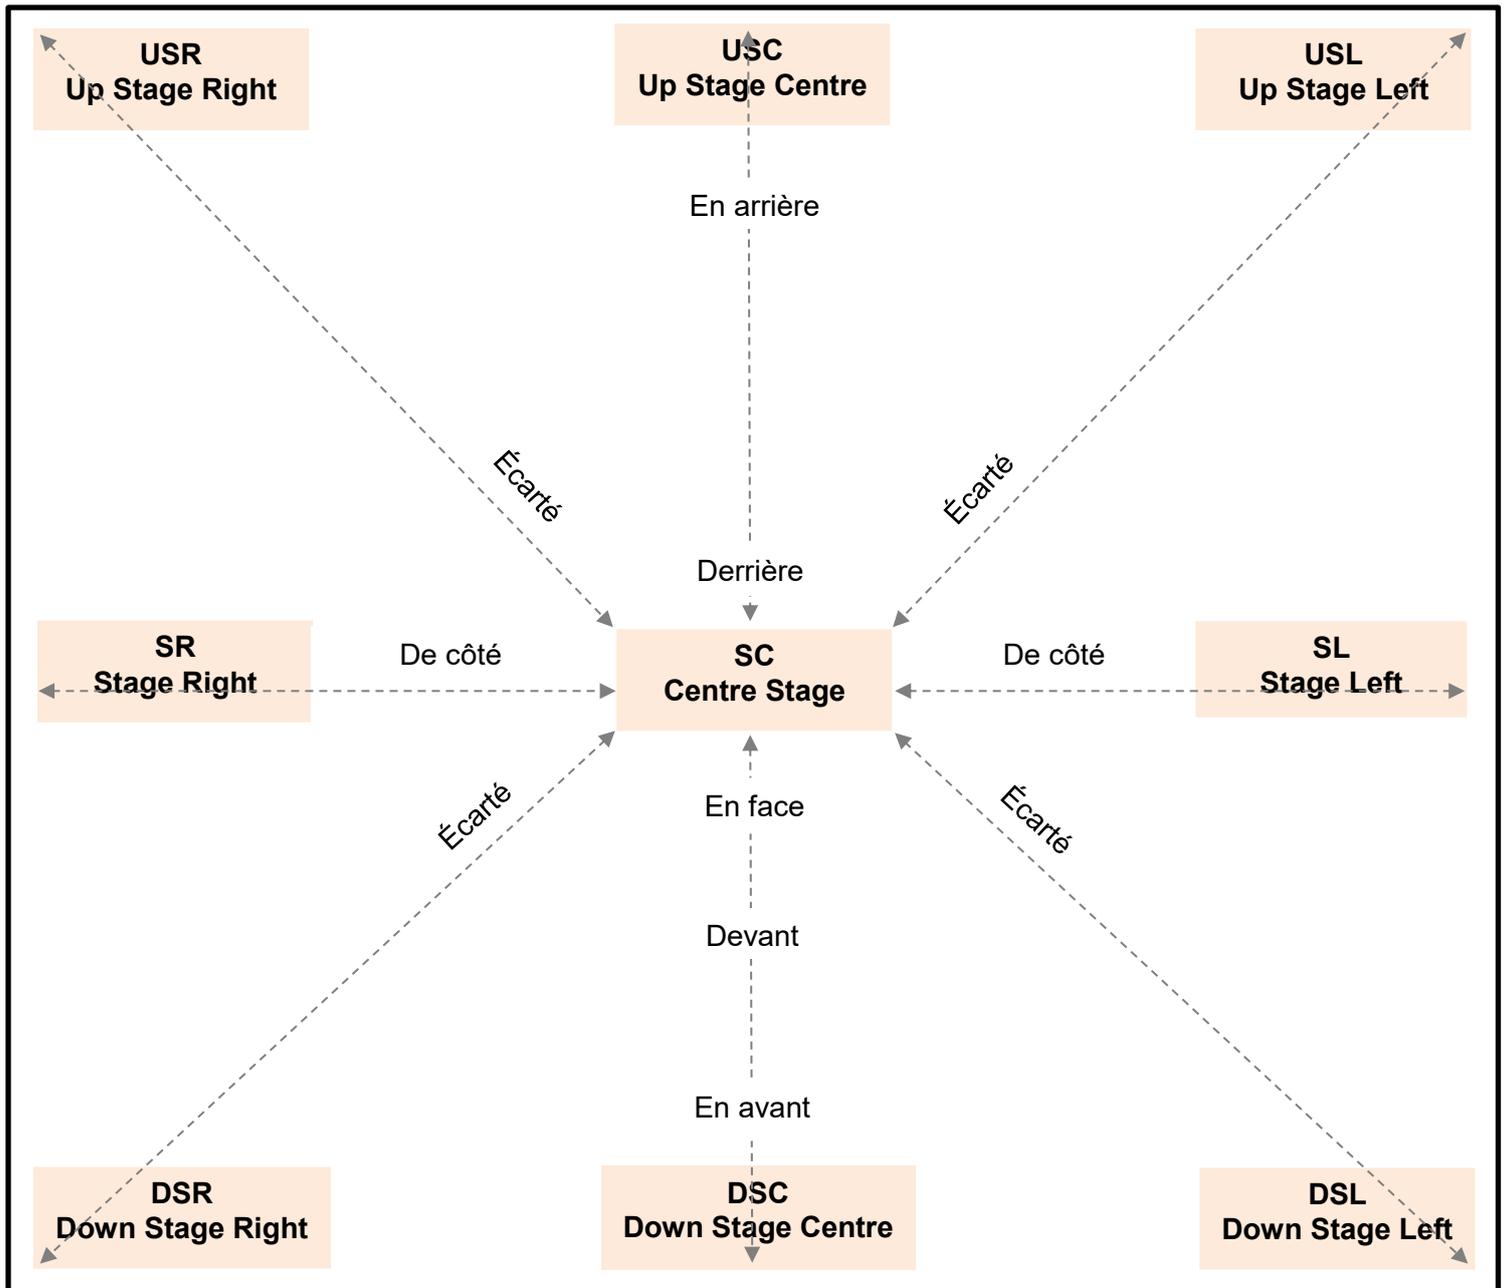

## The Syllabus Music

The music for Grade 6 Classical Ballet is available as a CD which can be purchased from bbodance. Composed by Peter Jones, the music has remained in its original form and continues to inspire teachers and students alike.

## Note on Examinations

This updated syllabus will come into effect from September 2018 and will supersede all previous versions. Teachers are advised to use this newest version in preparing students for examinations. From 1<sup>st</sup> September 2019 all examinations will refer to the 2018 syllabus version for Grade 6 Classical Ballet.
