

HUMBLE ISD Approved eInstruction Products

For assistance with placing an order, contact Technology Services at 281-641-8065

All orders must include shipping charges. If shipping charges are not listed, select the eInstructions items that you need, send that request to me and I will submit this request to the vendor for a quote. This quote will be emailed to you from the Technology Department. Orders will not be approved unless these steps are followed.
