SAGE Marketing Solutions

## ARTICLE REPRINTS & E-ACCESS

Provide your customer with article reprints discussing specific products, therapies, or topics related to your company as an additional marketing collateral. Reprints can be provided in print, online, and can even be translated into a local language for a key market.

Convenient, portable and a highly visible education tool, article reprints and e-access links are effective ways to disseminate research to your target audiences.

### Reprints Benefits

- A way to distribute important information to colleagues, patients, and customers in printed format.
- Excellent for educational packets, product promotions, tradeshow handouts.
- Can include your company logo and a disclaimer.

### E-access Benefits

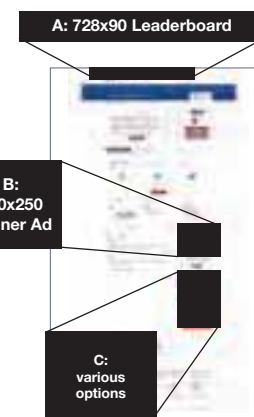

- Include the e-access link in individual emails or in an email blast.
- Customers and patients will have immediate online access to the article through the e-access link posted on your website.

## ONLINE BANNER ADVERTISING

Online advertising opportunities are available across all **SAGE Journals** on the SJ website <http://journals.sagepub.com/>.

### Digital advertising solutions:

- **A: 728x90 Leaderboard Ad** (pictured) top of page position for immediate exposure
- **B: 300x250 Banner Ad** (pictured) middle right of page to engage the most invested users
- **C: Either 300x250 banner Ad (pictured), 160x600 skyscraper, or 300x600 expandable skyscraper.** Lower middle, right of page

Offering the opportunity to reach an audience larger than print subscribers alone, your products and services will benefit from high visibility and exposure through online advertising with SAGE. We offer tailored options to meet your advertising needs, including geo-targeting and website linking, and can provide comprehensive usage reports allowing you to calculate return on investment.

Custom expandable and roadblock banners may also be available.

# Place Your Brand Firmly On the Cutting Edge With a SAGE Publishing Supplement Sponsorship

## A rapid, reliable, and credible way to reach your target audience

It is the most credible source of content marketing ever created. Subjected to the rigors of peer review, your sponsored supplement will bring the credibility of a research journal issue, simultaneously aligned with your messaging and editorially-independent.

### A supplement sponsorship is your chance to:

1.

**Educate your audience:** speak to the bright minds, opinion-shapers, and leaders in your field with highly relevant research content

2.

**Enhance your brand:** sponsoring peer-reviewed research at the highest levels of thought leadership with the SAGE brand is a recipe for credibility

3.

**Strengthen your Search Engine Optimization (SEO):** your product or brand will have the perpetual benefit of mentions and links from the website of the world's 5th largest academic publisher

4.

**Be indexed:** the supplement will be searchable in relevant sources such as MEDLINE or PubMed and fully citable

5.

**Gain massive reach:** your supplement is mailed to the entire subscriber base and society membership for the journal as well as digitally distributed. There are opportunities for conference exposure as well as mailings to a list of your choice

### Want more exposure?

Options are available for reprint orders, and open access, allowing visibility to a wider audience.

If you are interested in publishing a supplement in any of our subject areas, please contact our representative **Ekta Vij** at [ekta.vij@sagepub.in](mailto:ekta.vij@sagepub.in)
