

COASTAL IMPACT SERIES

Born for life on the coast.

COASTAL IMPACT SERIES

Made for coastal living.

At Simonton, we believe your coastal windows and doors should do more.

- › **Storm Protection** Coastal Impact Series windows and doors offer proven impact protection
- › **Noise Reduction** Their transparent interlayer helps filter unwanted outside noise
- › **Increased Security** Because they're impact-resistant, Coastal Impact Series windows and doors are very difficult to penetrate—helping to deter intruders
- › **Peace of Mind** A Double-Lifetime Limited Warranty provides comforting peace of mind

Simonton ranks “Highest in Customer Satisfaction with Windows and Doors, Three Years in a Row”

Admire them on a beautiful day and you'd never know just how tough Simonton Coastal Impact Series windows are. But when faced with hurricane-forced winds, they're designed to help keep your home's "building envelope" intact. So, they could help save your belongings and even your home.

Advanced missile testing ensures that Simonton Coastal Impact Series products meet or exceed minimum standards for impact-resistance.

We plan for the worst so you can enjoy the best.

StormBreaker Plus windows are tested and certified to meet the AAMA standards for use in a High Velocity Hurricane Zone (HVHZ) for the Florida Building Commission and meet the Texas Department of Insurance evaluation for the Texas Coast.

COASTAL IMPACT SERIES

Protection you
can't see. Beauty
you can't miss.

Simonton's Coastal Impact Series windows and doors feature an invisible vinyl interlayer that will remain intact when struck with force. And remarkably strong profiles that are reinforced with steel. Yet they provide the beauty of traditional windows. After all, they may never have to take an impact, but we believe they should always make one.

Coastal Impact Series products feature reinforced profiles for added strength.

Impact-resistant, laminated glass features a durable interlayer that will remain intact when struck with substantial force for constant, "built-in" protection.

We've got you covered.

No matter where you live, Simonton has the level of protection you need to feel safe, sound and secure season after season, year after year. Every component of Simonton coastal products is designed with your peace of mind in mind.

StormBreaker Plus® | Missile D Level Protection

COASTAL IMPACT SERIES

A window for every season.

Simonton coastal products deliver impressive year-round thermal performance. The laminated interlayer in impact-resistant windows and doors also serves as an excellent insulator. And Simonton's premium vinyl provides outstanding energy efficiency.

Every Simonton window and door can be ordered to meet ENERGY STAR® guidelines. Just select the glass package for your climate zone for optimum energy efficiency and comfort.

Glass Packages by Regions

- Northern
- North-Central
- South-Central
- Southern

As an **ENERGY STAR** partner, Simonton Windows® is committed to meeting the strict criteria of the U.S. Environmental Protection Agency and the U.S. Department of Energy to help conserve energy and reduce heating and cooling costs for all our customers.

GLASS PACKAGES TAILORED TO YOUR CLIMATE.

ProSolar® Low E Glass helps retain cooled air in summer and warm air in winter.

ProSolar® Shade is an advanced spectrally selective glass that blocks damaging UV rays while allowing desirable light into the home, providing the ultimate in solar heat control, visibility and energy savings.

Keeping your home secure every day, impact-resistant glass features a strong interlayer that will remain intact, even when struck with force from wind-borne debris or an intruder.

Open the door to peace of mind.

Simonton's Coastal Impact Series Patio and Garden Doors allow you to enjoy the world while protecting you from it. The highest levels of impact-resistant performance, advanced energy efficiency and room-opening style provide peace of mind, comfort and savings.

PATIO DOOR

Corrosion-resistant rollers and sill track provide smooth operation for the life-time of the door.

GARDEN DOOR

A full-length anodized aluminum fixed geared hinge helps keep the door aligned and virtually eliminates panel sag. (*StormBreaker Plus®* only)

COASTAL IMPACT SERIES

Designed to weather life.

A. Storm Protection, *Plus*

Impact-resistant glass features a durable interlayer that will remain intact when struck with flying debris to protect the home's pressure envelope.

Peace and Quiet

The sound-dampening interlayer provides a 50% sound reduction and reduces unwanted outside noise.

Safe and Secure

Laminated glass is difficult to penetrate, deterring would-be intruders.

Sun Shield

Laminated glass filters much of the sun's damaging rays that can fade furnishings, carpet and artwork.

B. Thermally Enhanced

The insulating glass unit provides excellent thermal performance for year-round comfort and energy savings.

C. Built-in Strength

Fusion-welded frame and sash increase weather resistance and durability, while the reinforced profiles add to the structural integrity of the window.

D. Weatherability

Vinyl has excellent insulating properties and can stand up to extreme weather conditions year after year, while requiring virtually no maintenance.

E. Water Diversion

Simonton's sill design moves water quickly away from your home.

F. Trouble-free Operation

The stainless steel constant force coil spring balance system allows the sash to raise and lower smoothly, ensuring a lifetime of trouble-free operation.

G. No Hassles

Premium vinyl requires virtually no maintenance to look beautiful for a lifetime.

COASTAL IMPACT SERIES

WHY CHOOSE SIMONTON?

Quality. For more than 65 years, Simonton has been an industry leader with legendary quality that shows in every detail, from premium vinyl and advanced glass packages to exclusive patented features.

Service. We believe service really begins after the sale and we proudly stand behind every window and door we make. When you choose Simonton, you can be sure we're only a phone call away.

Warranty. Only windows and doors built this well could be backed by a warranty this good. Our Double-Lifetime Limited Warranty is among the industry's most comprehensive.

Delivery. Simonton doesn't just deliver on our promises, we do it better than anyone else. We continue to offer some of the most impressive delivery times in the industry.
