

# *COCOANUT GROVE FIRE*

*November 28, 1942*

## *List of Fatalities*

The following is the list of casualties as a result of the Cocoanut Grove Fire that occurred on November 28, 1942. The list of casualties is drawn from the official report of the Committee On Public Safety of the City of Boston. Although the report lists 489 fatalities and 166 injured, the generally accepted total of fatalities is 492. The total of 166 injured includes only those persons who were admitted to hospitals.
