TEN IMPORTANT RULES OF FIREARM SAFETY

1. Treat every gun as if it were loaded. Don't rely on the safety.
2. Never load a gun until ready to use.
3. Watch your muzzle. Keep gun pointed in safe direction.
4. Know your target and what is beyond it.
5. Write Remington for free booklet on firearms safety.
6. Wear eye and ear protection.
7. Keep barrel clear of obstructions.
8. Only use ammunition that exactly matches markings on your gun.
9. If gun fails to fire, keep it pointed in safe direction, then unload carefully avoiding exposure to breech.
10. Read your firearms instruction manual. Write manufacturer for copy.

TECHNICAL INFORMATION

Remington High Velocity™ 22 Long Rifle Cartridges have more speed and power at 40 yards than standard velocity 22's have at the muzzle. Exclusive Golden™ bullet shuns dirt, grit and lint. Kleanbore™ priming helps keep your gun barrel bright and clean.

These 22 Long Rifle Cartridges should be used only in modern firearms in good condition and originally designed for this cartridge.
