Welcome from the **Lights, Camera, AUCTION** Co-Chairs!

This year, you might be getting ready for your House Party or cozied up on the couch with your dog and cat. Either way, we're excited to share this new, virtual event, "Lights, Camera, AUCTION!" with you.

We've been working the last few months with the Auction Committee to procure some special and exclusive items including wine, local vacation destinations, food experiences, and so much more. As you can imagine, it has been a particularly unique year for procurement and meetings, but still a fun year to work with a group of people who engaged friends, family, and even complete strangers to help the People + Dogs + Cats. Due to their efforts, we have assembled extra special items for this magical evening for you.

When it comes time to decide how you're going to support HSSW's mission through medical care, adoption services, and mounds of food, raise your VIRTUAL paddle high knowing your donation at this year's auction will help the dogs, cats, puppies, kittens, bunnies, and all those that HSSW cares for until they find their new families. We know how important our own animals are in our lives and, because of that, we support the work of HSSW. All animals deserve loving homes.

Thank you for your love and support of the animals. We hope you enjoy the show!

Elaine Killian

We are dedicating this year's auction to Elaine Killian, her husband George, and their family for their many, many years of financial support, volunteering and wisdom and guidance.

Elaine passed away recently. She was one of the founders of our auction, which celebrates its 16th year.

She was an amazing woman of grace and grit, and as she loved to say, *All you need is love...and a dog*

We will miss her.

Letter from the President

What a year, and it's only October.

Let's face it, we all need some new things to keep us engaged during this time of uncertainty, wearing masks and hunkering down at home. So, we're excited that you decided to walk on the wild side and join our first virtual auction.

Whether you are sharing the evening with friends and family, or in your sweats at home in front of the TV, we have great surprises and some amazing auction packages available tonight and through tomorrow. So, sit back and relax. Make sure you have your phone and your favorite libation. And get ready to find special treats. Do the unexpected. Plan a trip for the future. Bid on a special bottle(s) of wine. Raise your "paddle" high for the animals.

Help us create a community where all animals are loved and cared for.

And please know how thankful we are that you joined us. That you care about the dogs and the cats, the puppies and kittens, and the rabbits. That you support HSSW and the work that we do to rescue the homeless. Heal the sick. Help the behaviorally challenged. Return the lost. Create new families.

We can't do it all without you!

Stacey A. Graham
