

24 June 2022
EMA/CVMP/PhVWP/10418/2009-Rev.13
Committee for Veterinary Medicinal Products

Combined VeDDRA list of clinical terms for reporting suspected adverse reactions in animals and humans to veterinary medicinal products

Revision agreed by Pharmacovigilance Working Party (PhVWP-V)	24-25 May 2022
Adoption by CVMP	14-15 June 2022
Date for coming into effect	1 October 2022

Glossary of abbreviations used in VeDDRA:

SOC: System organ class

HLT: High level term

PT: Preferred term

LLT: Low level term

NOS: Not otherwise specified

LLT term types:

A: animal

C: common

H: human

New line no.	System Organ Class (SOC) Term	SOC Key	High Level Term (HLT)	HLT Key	Preferred Term (PT)	PT Key	Low Level Term (LLT)	LLT Key	Term Type¹
1	Application site disorders	1	Application site reactions	1	Application site blister	3	Application site blister	4	C
2	Application site disorders	1	Application site reactions	1	Application site burn	934	Application site burn	2063	C
3	Application site disorders	1	Application site reactions	1	Application site erythema	4	Application site erythema	5	C
4	Application site disorders	1	Application site reactions	1	Application site erythema	4	Application site reddening	1332	C
5	Application site disorders	1	Application site reactions	1	Application site erythema	4	Application site rubra	6	C
6	Application site disorders	1	Application site reactions	1	Application site feather change	1016	Application site feather change	2603	A
7	Application site disorders	1	Application site reactions	1	Application site feather change	1016	Application site feather loss	2604	A
8	Application site disorders	1	Application site reactions	1	Application site fibrosis	917	Application site fibrosis	2003	C
9	Application site disorders	1	Application site reactions	1	Application site granuloma	5	Application site granuloma	7	C
10	Application site disorders	1	Application site reactions	1	Application site haemorrhage	7	Application site bleeding	12	C
11	Application site disorders	1	Application site reactions	1	Application site haemorrhage	7	Application site bruising	8	C
12	Application site disorders	1	Application site reactions	1	Application site haemorrhage	7	Application site haematoma	10	C
13	Application site disorders	1	Application site reactions	1	Application site haemorrhage	7	Application site haemorrhage	11	C
14	Application site disorders	1	Application site reactions	1	Application site haemorrhage	7	Application site petechiae	9	C
15	Application site disorders	1	Application site reactions	1	Application site hair change	2	Application site alopecia	2	C
16	Application site disorders	1	Application site reactions	1	Application site hair change	2	Application site greasy fur	2057	A
17	Application site disorders	1	Application site reactions	1	Application site hair change	2	Application site hair change	1878	C
18	Application site disorders	1	Application site reactions	1	Application site hair change	2	Application site hair coat discolouration	2519	A
