☒ ANZ Corporate Card ☒ ANZ Visa Purchasing Card ☒ ANZ Business One Card ☒ New Program ☒ Amendment

Please Note: This form only needs to be completed if you would like particular Merchant Category Codes (MCC's) excluded from Merchant Category Groups (MCG's). If this form is not filled out the MCC will be automatically included unless the MCG has been excluded on the Merchant Category Group Controls form.

To exclude (ie. block) transactions at a particular MCC:

Place a cross in the box or boxes next to the number and description of the MCC('s) that you would like blocked.

For example, you may wish to have all purchases at hardware Stores MCC – 5251 declined. To do this you could either:

(a) Block the entire MCG 0523 – Furniture, Houseware and Appliance Retail. All MCC's within that MCG would then be automatically blocked and purchases within the MCG 0523 – Furniture, Houseware and Appliance Retail would be declined.

(b) Leave the MCG 0523 – Furniture, Houseware and Appliance Retail but block the MCC 5251 – Hardware Stores. All other MCC's in that Group would then continue to be authorised and only purchases at MCC 5251 – Hardware Stores would be declined.

If you require assistance in completing this form please contact the ANZ Commercial Card Service Centre on 1800 032 481.

Please mark with a ✗ cross the level of control required
