

# Days in Scripture

*An amazing chart that unlocks a hidden Biblical truth.*

by Bill Perkins, Executive Director, Compass International, Inc.

When God created the world in six literal 24-hour days and rested on the seventh, He gave us a template of time designated for the earth. This seven-day creation template is hugely valuable in seeing where we've been and where we're headed.

It's really very simple—on the first four days, no life was created. Life was created on Days 5 and 6. And God rested on the seventh 24-hour day. So the template is four days without life, two days with life and a day of rest.

Now to God, a day is "like" a thousand years. Not "is," but "like."

*"But do not let this one fact escape your notice, beloved, that with the Lord **one day is like a thousand years**, and a thousand years like one day."* 2Peter 3:8

So if we take our creation template and apply the "1000 years is like one day," we get a fascinat-

ing 7000-year map or timeline for mankind's days on Earth. And it fits like a glove. It was almost exactly 4000 years of elapsed time from Adam to when Jesus arrived, bringing "life" and the Church Age. And we know that Jesus will reign 1000 years as King of Earth after the Church Age.

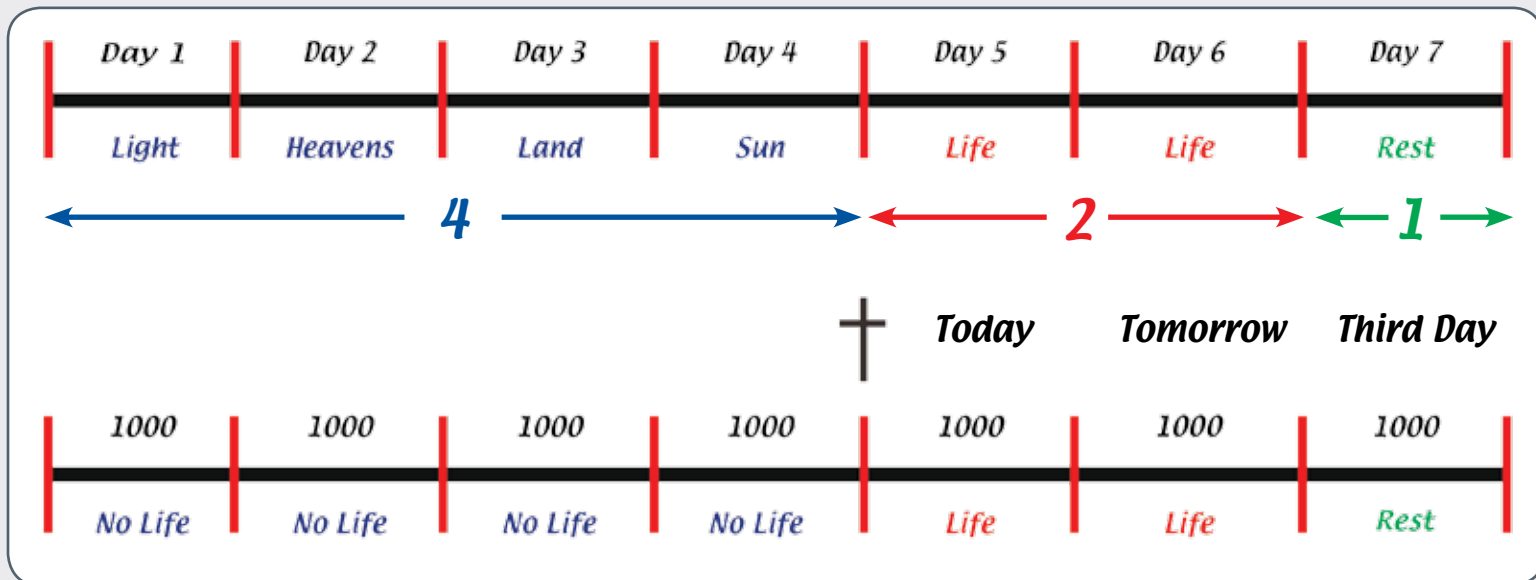

Here's a verse that only makes sense using this timeline.

*"Come, let us return to the Lord. For He has torn us, but He will heal us; He has wounded us, but He will bandage us. He will revive us after **two days**; He will raise us up on the **third day**, That we may live before Him.* Hos. 6:1-2

That's an unfulfilled prophecy about Israel being scattered, torn and wounded for two days and then raised back up on the third day. Or, if we apply our creation model template, it translates

# STEELING THE MIND

B I B L E C O N F E R E N C E

Saturday, October 6, 2018 • Doubletree by Hilton Denver

3203 Quebec Street Denver, CO 80207

Pilate once said to Jesus, "What is truth?" Truth was as hard to discern in the first century as it is today. Fortunately for Believers living in a world headed to Hades in a hand-basket, we have the only truth-measuring stick that matters—God's Word. And God says we should armor ourselves to be able to defend what we believe!

**So join us for an eye-opening day** of digging deep into God's truth. Great Biblical armor will be presented in layman's language by top Bible teachers from around America—iron sharpening iron! All with the goal of being able to share God's eternal truth in a world sorely lacking.

9 AM **7 Principles That Made America Great** DOCTRINE **Andy Woods** President, Chafer Seminary, TX  
We hear a lot about "Making America Great Again." So what was it that made America great in the first place? Andy details 7 Biblical principles on which this country was founded. Outstanding!

10 AM **UFOs and the Bible** SIGNS **Billy Crone** Get A Life Ministries, NV  
Billy shows how the current UFO phenomenon plays into last days Biblical prophecies, specifically Rapture and the Tribulation. This last days' deception is already being set up to explain away our dumbfounding exit! Unbelievable!

11 AM **Replacement Theology: From the Pit of Hell** DOCTRINE **Dave Reagan** Lamb & Lion Ministries, TX  
Some 80% of Christians believe that the Church is now the recipient of God's original promises to Israel. But is that in Scripture? Dave succinctly dismantles this absurd doctrine while showing the awful ramifications of its tentacles.

12 PM **Speakers' Luncheon and Q&A** *Ask the Speakers Anything!*  
Join us for a great 3-course plated luncheon and the always-entertaining, audience-generated Q&A! Ask for clarification of a speaker's remark or try to stump the speaker! *Separate registration required.*

2 PM **Mount St. Helens and the Grand Canyon** APOLOGETICS **Russ Miller** Creation Ministries, AZ  
Russ uses the events following Mount St. Helens' eruption to show without a doubt that the Grand Canyon was formed in a matter of days, not millions of years. Destined to be a classic, it'll give you truth to share with friends, family and co-workers. Bring a sharp pencil!

3 PM **Eyes Wide Open!** SIGNS OF THE TIMES **Surprise Speaker**  
We can't reveal the speaker's name but you **WILL NOT BE DISAPPOINTED!** In fact, you'll probably say it was the best presentation of the day!

4 PM **Cataclysmic Changes Coming!** APOLOGETICS **Russ Miller** Creation Ministries, AZ  
Russ details seven future, earth-shattering events that come from the sky. Hold onto your hats for this one—it's sure to be a classic that's passed along 'til our exhilarating exit. Monumental!

5 PM **Jerusalem in Bible Prophecy** ISRAEL **Dave Reagan** Lamb & Lion Ministries, TX  
Israel celebrates its 70th anniversary this year and watching her is like watching God's time clock—so goes Jerusalem, so goes the world. Dave uses only a few of the 800+ Jerusalem references in the Bible to make crystal clear what's dead ahead on God's timetable. Excellent!

to: God will scatter the Jews for about 2000 years before He brings them back to their homeland where they will live with their Messiah for 1000 years.

You can see this template hidden in other verses too. John 4:40-43 is the only time the Bible records Jesus staying with non-Jews—for **TWO DAYS**. In John 11:39 Lazarus was dead for four days (four days of death, revived on the fifth day). And one more that'll blow your mind:

*“The Lord also said to Moses, “Go to the people and consecrate them **today** and **tomorrow**, and let them wash their garments; and let them be ready for the **third day**, for on the third day the Lord will come down on Mount Sinai in the sight of all the people.” Ex. 19:10-11*

The two-day Church Age is the period of time where our sins are washed away. And the Jews are to be ready for the Lord to “come down” and reign as King of Earth “in the sight of all.” Amazing.

You can also see this pattern in John 2:1, “On the **third day** there was a wedding...” After the 2-day Church Age, on the third day, the Millennium, Believers have a wedding—the Church is the Bride of Christ!

Applying this to today, Jesus died around 30 AD. So if you add 2 days/2000 years, it points to this generation being quite blessed with a non-physical-death exit! We won't know the day or the hour, but we should be able to see the equivalent of Noah loading the animals on the ark!

Shalom!

# Oberammergau 2020

## WOW—Castles, Alps, Passion Play and Austrian River Cruise!

In 1684 the Bubonic plague was sweeping the Bavarian region where Oberammergau, Germany is located. The easily-spread disease had killed some 75 million in Europe when one of the local Oberammergau residents contracted the disease and died. As the plague quickly spread through the town, the writing was on the wall—they could expect half or more of the residents to die. But the town cried out to the Lord and a somewhat bizarre vow was publicly announced: If God would spare the town, they would perform a play about the last week of Jesus, every 10 years.

Astonishingly, those who were already sick recovered and no one else died of the plague. A

grateful populace was true to its vow and every ten years since has faithfully produced what is now referred to as “The Passion Play.” Only local residents are used—2000 actors, singers, technicians and instrumentalists participate.

The Passion Play has become a world-wide phenomenon, and we’ve put together an incredible 8-day trip to see the play and visit two incredible castles (one that inspired Walt Disney’s famous castle in California), a palace, the Alps and Salzburg, Austria, of *Sound of Music* fame. We’ve reserved tickets in Category 2 for the play, the most desired and optimal seating. (The stage is so large, if you’re too close you miss seeing all of the production!). You can even add an eight-day *Viking River Cruise* from enchanting Budapest to famous Nuremberg through picturesque Vienna, Austria, making this one of the most incredible 15-day trips *Compass* has ever scheduled! We have two buses; the first bus is sold out and the second is filling up!
