ABOUT CCRI/FACILITIES

ABOUT CCRI

The Community College of Rhode Island opened its doors in 1964 with 325 students in a temporary space on Promenade Street in Providence as Rhode Island Junior College. Today, with four campuses throughout the state, CCRI enrolls an average of more than 14,000 credit students each semester, making it the largest comprehensive community college in New England. Forty percent of its students identify themselves as part of a minority group, many of whom are the first in their families to attend college.

Accredited by the New England Association of Schools and Colleges, CCRI offers more than 100 degree and certificate programs in the arts, business, computer studies, engineering, health sciences, human services, liberal arts and science departments taught by faculty who are experts in their field. Each year, Rhode Islanders fill more than 40,000 seats in our professional development, skill enhancement, job retraining and noncredit personal enrichment courses offered by CCRI's Center for Workforce and Community Education.

CCRI students are active participants in campus life and in the community. The college offers a varsity athletic program with sports and a diverse selection of student clubs and organizations, including student government. Annually, students, faculty and staff volunteer for a variety of Rhode Island nonprofit organizations, making life better for those less fortunate.

Since its inception, CCRI has graduated more than 68,000 students, with 95 percent of them living and working in Rhode Island. The college is the No. 1 provider of nurses and other health care workers in the state. Annually, more than 1,000 CCRI students transfer to Rhode Island College and the University of Rhode Island to continue their education.

CCRI's tuition is the most affordable in Rhode Island. A full-time student pays about half, or less, of tuition and fees charged at any other college in the state. According to a recent survey given to exiting students, when graduates were asked, "Would you recommend CCRI to a friend or family member?" nearly 99 percent said yes. By preparing students for continued education or to enter the state's work force, the Community College of Rhode Island provides its students with the opportunity to change their lives and achieve their dreams.

AT A GLANCE

Year founded: 1964

Locations: Warwick, Lincoln, Providence, Newport and Westerly

Enrollment: 14,758

Nickname: Knights

Color: Green

Affiliations: National Junior College Athletic Association (NJCAA) Region XXI

CCRI ATHLETIC FACILITIES

Knight Campus 400 East Ave., Warwick

The CCRI Knight Campus is home to the Vincent A. Cullen Field House with four basketball courts, four tennis courts, three volleyball courts and a fully-equipped weight room. The men's and women's basketball teams play their home games on the center wood court. Athletic Department administration, coaches and staff have offices at this location.

The CCRI baseball team plays its home games at Harold "Whitey" Fell Field, named in honor of the college's former head baseball coach.

The Knight Campus has two additional outdoor fields for team practice and recreational use.

Flanagan Campus 1762 Louisisset Pike, Lincoln

The CCRI Flanagan Campus has a field house with four basketball courts, four tennis courts, four volleyball courts, a six-lane swimming pool, an indoor track, a modern dance studio and a fully-equipped weight room. The women's volleyball team plays its home matches in the Flanagan Campus Field House. Athletic Department administration, coaches and staff have offices at this location.

The Flanagan Campus has several outdoor fields for team practice and competition as well as recreational use. The cross country team and the men's and women's soccer teams host their home meets and matches at this site.

Additional sites

Some CCRI teams play their home games at nearby off-campus locations. The softball team plays its home games at Winslow Park Field in Warwick and the golf team competes and practices at Cranston Country Club. The coed tennis team and the indoor and outdoor track teams travel to their opponent's site or a neutral site for matches.

For hours of operation of campus athletic facilities and more information, go to www.ccri.edu/athl/facilities.html.

MISSION OF THE CCRI ATHLETIC DEPARTMENT

The Community College of Rhode Island Department of Athletics, Physical Education and Recreation, an integral part of the curriculum, is dedicated to each physical education student and student-athlete. CCRI provides a high quality, nationally acclaimed and accredited program that promotes academic and athletic excellence. The college excels in sportsmanship, team play and competitive spirit while providing a strong academic foundation and support program.

CCRI'S STUDENT-ATHLETE ACADEMIC SUPPORT PROGRAM (SAASP)

The Student-Athlete Academic Support Program at the Community College of Rhode Island provides a support system for academic success in college. This mandatory program prepares student-athletes for transfer to four-year institutions where they can continue their education and athletic careers.

During the first semester of their freshman year, student-athletes are required to complete academic placement tests in reading, writing and mathematics and enroll in a one-credit CCRI student success course. The program requires student-athletes to attend two, one-hour study sessions each week during the semester, including the off-season, at the college's academic success centers. The Department of Athletics compliance officer schedules session times for each student-athlete and monitors their progress every five weeks during the semester. The program also provides daily academic advising, counseling and tutorials as well as transfer counseling.

Prospective student-athletes are encouraged to visit staff, coaches and advisors at CCRI's Warwick and Lincoln campuses to learn more about the program and the college's varsity teams. Call the Department of Athletics at 401-825-2114 for an appointment.

STUDENT-ATHLETES ACHIEVE ACADEMIC SUCCESS IN 2017-18

Many student-athletes were honored for their academic achievements in the 2017-18 academic year. One student-athlete earned scholarship to Mercyhurst University and one earned a scholarship to the University at Albany-SUNY. Another student earned a partial academic scholarship to Bryant University. Many others will be moving on to play sports at Division II and III schools.

In May, ten CCRI student-athletes and one alumnus (see photo) were recognized for their achievements during the Scholar-Athlete Awards Reception hosted by Speaker Nicholas A. Mattiello and the Rhode Island House of Representatives at the Rhode Island State House. These awards are given to exceptional student-athletes who are leaders on and off the field and have demonstrated success in academics and athletics.

A number of student-athletes will be transferring to four-year institutions like Rhode Island College, University of Rhode Island, Johnson & Wales University, Bryant University, Tiffin University, Flagler College, Mitchell College, Lasell University, Connecticut College and Queens College.

Front row: Kelsey Hernandez, Megan Johns, Isabella Rinne, Riley McKitchen, Allison Lenox, Stevie-Rae Wood. Back Row: Kailee Morgan, Igor Almeida, Kevin Salisbury, Rosemary Costigan, Melody Lawrence, Matt Gutelius.

WHERE ARE THEY NOW?

Cam DiMaria transferred to the University of Rhode Island and plans to graduate in 2020.

Austin Davis received an athletic scholarship to Division II Flagler College, where he looks to continue his baseball career.

Kelsey Hernandez transferred to Division III Mitchell College, where she looks to continue her basketball career.

Josh Williams received an athletic scholarship to Division II Tiffin University, where he looks to continue his basketball career.

Allison Lenox transferred to Division III Connecticut College, where she looks to continue her Track & Field career.

Isabella Rinne transferred to the University of Rhode Island, where she looks to pursue a degree in Molecular Biology.

ATHLETICS AT CCRI

AN OVERVIEW OF CCRI ATHLETICS PAST AND PRESENT

The Community College of Rhode Island is home to one of the Ocean State's finest and most successful intercollegiate athletic programs. Since its inception in 1965, the CCRI program has long been considered a front-runner in New England community college and junior college athletic circles.

The basketball, baseball, tennis, volleyball, cross country, golf and soccer teams have all been nationally ranked. The 2002 women's soccer team captured the school's first national championship, while a number of other squads, including men's basketball and women's soccer, were national runners-up. With nearly 5,500 victories, 222 All-Americans, 127 Region XXI championships and 828 All-Region selections, CCRI leads the way among all New England community colleges.

Great coaching has been the key to CCRI's success. From the athletic department's humble beginnings in 1965, the school has always featured legendary coaches. From Hall of Fame athletic director and men's basketball coach Vin Cullen to baseball coaches Ken Hopkins, Whitey Fell and Art Pontarelli, tennis coach Ray Carr and volleyball coach Gail Davis, the tradition of great coaches and top-flight teaching has extended through the years and continues through the present day.

The college holds membership in the National Junior College Athletic Association and is an associate member of the National Collegiate Athletic Association.

CCRI fields intercollegiate men's teams in baseball, basketball, soccer, cross country, indoor and outdoor track and golf and intercollegiate women's teams in volleyball, basketball, cross country, indoor and outdoor track, soccer and softball. In addition to our intercollegiate sports CCRI offers four sports at the club level: men's volleyball, swimming, women's beach volleyball and eSports.

The Community College of Rhode Island has proven to be a steppingstone for many student athletes who have moved on to complete their academic and athletic careers at four-year colleges and universities throughout the nation.

MEN'S SOCCER

Head Coach Gabe Toro
401-333-7363 • gtoro@ccri.edu

The CCRI men's soccer team is an NJCAA Division I program and competes in Region XXI, one of the most competitive in the country. Since the program started in 1973, men's soccer has won three NJCAA Region XXI championships and amassed an overall record of 422-277-51. The Knights look to bounce back from a rough 2017 season in which they finished 4-9-1 and hope to compete for the Region XXI title. Home games are played at the Flanagan Campus in Lincoln.

WOMEN'S SOCCER

Head Coach Jim McGirr

401-333-7391 • hjmcgirr@ccri.edu

The CCRI women's soccer team has a new head coach this season in Jim McGirr, who looks to continue the program's winning tradition. The Lady Knights finished the 2017 season with an 8-7-1 overall record and a 4-1 record against Region XXI competition. The Lady Knights reached the NJCAA Division I National Championship in 2009, finishing that season with a 17-3 record. The team previously won the championship in 2002 and finished as runner-up in 2003. Since its first season in 1994, the team has compiled a 297-102-16 record, including 17 Region XXI championships. The CCRI women's soccer program has produced many All-Americans, All-District and All-Region players. In addition to recognition in their sport, CCRI women's soccer players have earned more academic accolades than any other athletes on campus. Home games are played at the Flanagan Campus in Lincoln.

CROSS COUNTRY

Head Coach Gregg Cornell
401-333-7322 • gcornell@ccri.edu

The men's and women's cross country teams are among CCRI's most consistent, top-achieving athletic programs. Cross country will return to the Division III level in 2018. National champion and record-setting runner Bobby Allen led the team through the transition to Division I. Allen set a new NJCAA Division III record at the 2011 championship at Holyoke Community College, where he finished with a time of 25 minutes, 23.46 seconds. In 2012, Allen finished fifth at the Division I Cross Country Nationals, becoming CCRI's first Division I First Team Cross Country All-American. The men's team has won six NJCAA Region XXI titles while several men's and women's runners have taken home NJCAA All-American, All-Region and All-Northeast honors. CCRI hosted the NJCAA Division III National Cross Country Championships in 2004 and 2008 at the Flanagan Campus in Lincoln, where the team competes for home meets.

VOLLEYBALL

Head Coach Patrick Chin
401-333-7318 • pchin1@ccri.edu

New head coach Pat Chin, formerly an assistant under Will Amaral, looks to lead the Lady Knights volleyball team back to the NJCAA Division II Volleyball National Championship Tournament. In 2016, CCRI returned to the Nationals for the first time since 2008. Last year, the Lady Knights lost to Harcum College in the District Championship, falling short of back-to-back Nationals appearances. Overall, they have won 20 NJCAA Region XXI titles, the most among all CCRI teams. The program has an overall record of 718-348 since its inception in 1976. The Lady Knights look to continue improving with the ultimate goal of winning their second consecutive District championship. Over the years, many NJCAA All-American, All-Region and All-District players have honed their skills at CCRI. Opportunities are provided for CCRI players to compete and travel to highly-rated programs such as New Hampshire, Illinois and Maryland.

MEN'S BASKETBALL

Head Coach Rick Harris

401-825-2120 • rjharris@ccri.edu

The CCRI men's basketball team has a rich tradition of success with 18 Region XXI championships, consistent top 20 national rankings and an overall record of 1,007-471 since the program's inception in 1965. Coach Rick Harris earned the program's 1,000th victory last season with a 113-67 win over Ben Franklin Institute of Technology. Many All-American and All-Region players have successfully transferred to NCAA Division I, II and III institutions. The Knights finished the best season in program history in 2012 with a school-record 31 victories against just five losses and a second-place finish at the NJCAA Division II Basketball Championship in Danville, Ill. The Knights will be moving to Division III in the 2018-19 season, which will allow them to rekindle many of their former Region XXI rivalries with all of Region XXI now playing at the D-III level. The team plays its home games in the Vincent A. Cullen Field House at the Knight Campus in Warwick.

WOMEN'S BASKETBALL

Head Coach TBD

401-825-1131 • ksalisbury@ccri.edu

CCRI launched its women's basketball program during the 1977-78 season. Since then, the team has won 11 NJCAA Region XXI titles, made seven trips to the NJCAA National Tournament, including four Elite Eight and two Final Four appearances. Overall, the team has compiled a 531-397 record while competing in Division II. The 2017-18 squad looks to improve on its previous season's record of 12-15 in hopes of returning to the NJCAA Division II National Championship for the first time since 2013. Women's basketball competes at the Vincent A. Cullen Field House at the Knight Campus in Warwick.

INDOOR TRACK

Head Coach Gregg Cornell
401-333-7322 • gcornell@ccri.edu

CCRI's men's and women's indoor track teams participate in many meets against four-year colleges throughout the northeast. Team members benefit from a high level of competition as they prepare for the NJCAA Northeast District Championship and Nationals. In 2012, middle distance runner Bobby Allen won the 3,000-meter run in a time of 8 minutes, 34.87 seconds, outkicking Division I sophomore Stanley Kebenei from Iowa Central Community College in the last lap. The two runners also competed in the mile run and Allen won in an impressive time of 4:14.93, outpacing Kebenei by 0.7 seconds. In 2013, Allen repeated as national champion in the 3,000-meter run and the mile, becoming CCRI's first back-to-back national champion in those events. The teams practice at the Knight Campus in Warwick.

TRACK AND FIELD

Head Coach Gregg Cornell
401-333-7322 • gcornell@ccri.edu

The chemistry and talent of cross country runners and indoor track athletes have paid great dividends for the outdoor track and field team in recent years. Along with the CCRI cross country teams, the outdoor track teams also return to the Division III level this season. In 2012, Bobby Allen won the 1,500-meter run at the Nationals, setting a national meet record of 3 minutes, 55.99 seconds. Head coach Gregg Cornell also received Coach of the Year honors that same season. In 2013, Allen's third-place finish in the 1,500-meter run in a CCRI-record time earned him his ninth All-American honor, the most by any CCRI runner.

CLUB VOLLEYBALL

Head Coach Anne-Marie Balboni
401-333-7315 • ajbalboni@ccri.edu

The CCRI men's club volleyball team has made a name for itself in just six years of existence. With men's volleyball not offered as an NJCAA sport, head coach Anne-Marie Balboni, a former CCRI women's volleyball assistant, has made the club volleyball program one of the best in the northeast. CCRI's success is highlighted by a 25th place finish in the Silver Division at the 2016 National Collegiate Volleyball Federation National Championships in Kansas City, Mo., by far the Knights best finish at the National Championships. The Knights compete in the New England Collegiate Volleyball League (NECVL) in Division II and have made five appearances in the NECVL championship. More success is imminent as the club volleyball team grows under the leadership of Balboni.

BASEBALL

Head Coach Kevin Rix

401-825-2107 • kcrix@ccri.edu

Major League Baseball scouts are drawn to Whitey Fell Field at the Knight Campus in Warwick for many reasons. CCRI's baseball team is consistently a nationally-ranked program and NJCAA Division II powerhouse, recruits top-flight talent, has won 11 NJCAA Region XXI Titles and has groomed professional players such as Rheal Cormier, Allen Levrault, Brad Hertzler and Tom Gavitt. Under the direction of new head coach Kevin Rix, the baseball team looks to continue that winning tradition. The Knights play a challenging schedule that includes fall games against collegiate competition and preseason games against schools in Florida and North Carolina. In 2017, the team finished the season with a 24-10 record. The Knights have an overall program record of 1,124-473-3. In 2018, the Knights move to the Division III level with hopes of winning the Region XXI Title. The program continues to attract elite players from local, regional, national and even international ranks.

SOFTBALL

Head Coach Kim Warrington
401-825-1244 • klwarrington@ccri.edu

Since CCRI's softball program began in 1980, the team has amassed a 432-379 record with 12 Region XXI Championships. In 2017, the Lady Knights advanced to the Region III/V/XXI Super Regional Championship, where they lost to Orange County Community College and Mercyhurst North East, falling short of their goal of making it to the National Championship. This year's preseason includes games in Florida against elite national competition. Home games are played at Winslow Field in Warwick, a mile from the CCRI Knight Campus.

Josh Williams

Men's basketball

The Atlanta native and leading scorer this past season for the men's basketball team earned NJCAA Division II Third Team All-American honors following an impressive freshman campaign in which he broke the school's single-game scoring record in February. Williams averaged 22.2 points per game, which ranked him 10th in the NJCAA, and reached double figures in 28 of the Knights' 29 games, including his record-setting 58-point effort in a win over Bristol Community College. Williams also led the team with 5.3 assists per game and 46 steals while posting a 3.26 GPA in his first two semesters at CCRI.

Max Marcotte *Baseball*

In March of 2018, Marcotte reached baseball immortality by pitching his first collegiate no-hitter in a 12-2 win over New Hampshire Technical Institute in Game 2 of a doubleheader at CCRI. With complete command of his off-speed pitches, Marcotte struck out 12 batters without allowing a hit or a single earned run, working around an early error by the Knights' defense to shut down the Lynx over six strong innings. The Knights scored in every inning to support Marcotte, including a two-run, walk-off single by Jacob Frost in the bottom of the sixth to plate the 11th and 12th runs and trigger the 10-run mercy rule. Anchored by Marcotte's masterpiece in the nightcap, the Knights swept the doubleheader by a combined score of 29-2.
