## ADVANCED PHOTOGRAPHY — LOW LIGHT PHOTOGRAPHY CERTIFICATION

Enhance your photography skills by understanding low light photography. This certificate brings hands on practice in various conditions of low ambient light.

### Topics include:

Understanding how low light affects exposure, shutter speed, color temperature; preparing for a low-light shoot; shooting in dimly lit rooms; using the flash indoors; shooting in the shade; taking flash portraits at night; controlling flash color temperature; focusing in low light; light painting; manipulating long shutter speeds; correcting white balance; brightening shadows; and sharpening and noise reduction.

The 20-hour certificate consists of five classes and can be completed in less than a year. Classes are open to students who have completed the Roving Photographer certificate or with permission from instructor. A DSLR or MILC camera is required for use in each class. Students need to have experience using their cameras and have a basic knowledge of manual exposure, manual control of shutter speed, and aperture. See online section notes for specific equipment that may be needed for individual classes.

Students may take individual classes if not seeking the full certificate.

# Are they having fun, or are they learning? Both.

In the Horizons For Youth program, we believe a life-long love of learning starts early.

That's why we offer a variety of classes for students from kindergarten through high school during the school year and in the summer. Whether we're working in the kitchen, science lab, or gym, Horizons classes promise a fun-filled, enriching, and safe experience for kids of all ages.

Highlights for Spring:

Hip Hop | Glass Fusing | Fencing

Call 570-369-1881 for information or log on to northampton.edu/noncredit to discover everything we have to offer your family. Click on "School Year" under Horizons for Youth and then click "Monroe Campus – Youth Classes."

It's almost time to sign up for Horizon's summer classes.

Summer Fun 2021 provides full or half day opportunities, Monday-Friday, 7 AM-6PM for students entering Kindergarten through ninth grade with expanded opportunities for older kids.

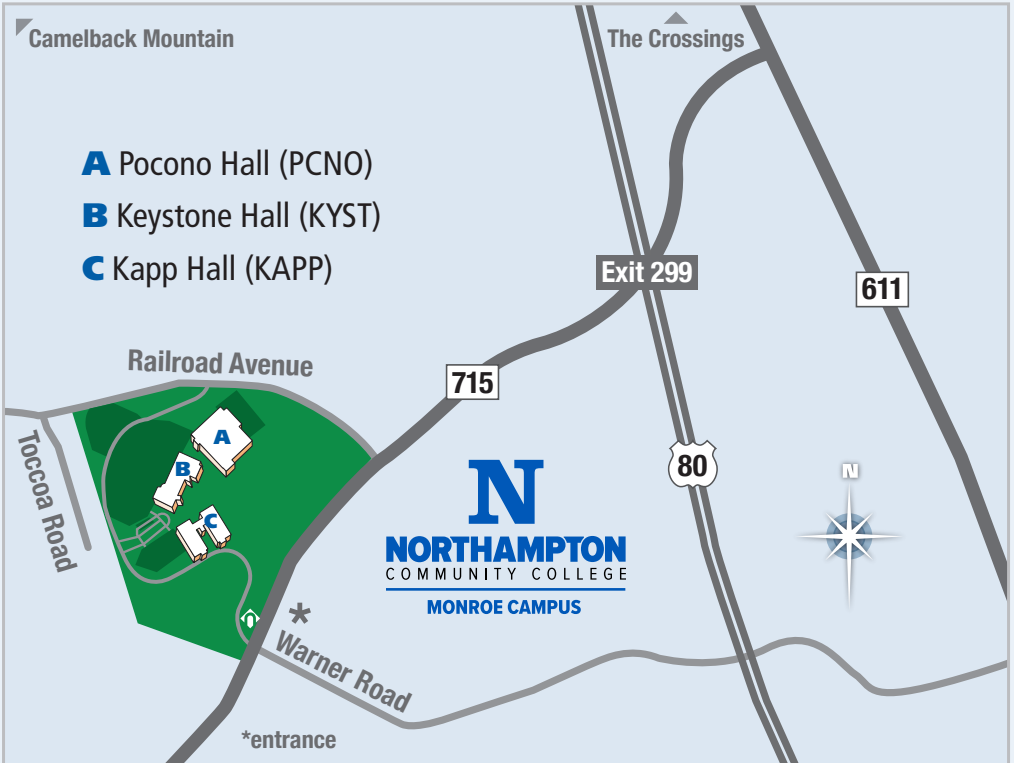

Look for our summer youth catalog early April or email: [monroeyouthinfo@northampton.edu](mailto:monroeyouthinfo@northampton.edu). Register early; spaces can fill up quickly.
