Delivering Results, Exceeding Expectations

COMPANY PROFILE

OUR STORY

Founded in 2013 in Pasig City, Philippines, A&S ELECTRICAL SOLUTIONS set its foot as an electrical supply and equipment trading and services company. Over the years, the company has earned a reputation for excellence and professionalism for continuously striving to meet - and even exceed - standards which set the climate for a sustainable business relationship with its clients.

As an electrical solution specialist, we offer electrical power products ranging from transformers, switch gears, breakers, XLPE cables, panel boards, power meters, and switches. The company also offers control products such as variable frequency drive, soft starters, UPS, AVR, batteries, motors and even lighting fixtures.

Our team is composed of technically skilled and highly dedicated personnel working cohesively to promote value-added solutions with a competitive pricing structure to suit your needs.

We also engage in electrical product installations, testing and commissioning, preventive maintenance, automation, and energy saving solutions. Our commitment is to deliver outstanding results that will exceed your expectations.

The company partners with some of the biggest manufacturers in the electrical industry to ensure high-quality products. Schneider Electric, Danfoss, Asia Brown Boveri (ABB), Siemens, Tyco Electronics, Marathon Motors, General Electric Co., Eaton, and AuCom New Zealand are the trusted brands that we carry. Moreover, we continuously look for new products and enhance our services to serve our customers better.

We look forward to providing our services and products to your company. Rest assured that we live by our service commitment: Delivering Results, Exceeding Expectations.
