BP BERAU –

PremierOil

star energy

Major supply from PT. Sinergy Utama Raya includes Line Pipes, Valves, Pumps, Flanges and Others parts.

Our Brand Distributors are :

Universal precision cable and pipe locator

DISTRIBUTOR FOR INDONESIA
PT. Sinergy Utama Raya
(021) 458 77558

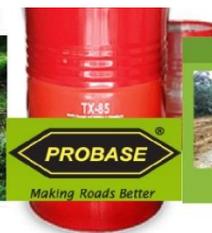

Radiodetection

most advanced pipe and cable locators, offering a wide range of locate functions and advanced

inquiry, please call : PT. Sinergy Utama Raya (021) 46877668

Our typical regular refinery, petrochemical, industrial gas & oil field equipment supply includes but is not limited to the following

- ‘O’ Rings
- Abrasives
- AC Parts and Refrigeration
- Accumulators and Parts
- Actuation
- Adhesives
- Air Clutches
- Gaskets
- Gaskets and Gasket Material
- Gate Valves - High and Low Pressure
- Gate Valves Parts
- Gauges
- Gear Box
- Protector
- Pulsation Dampeners
- Pulsation Dampeners Parts
- Pump Couplings
- Pump Parts
- Pumping Tees
- Pup Joints

PT. Sinergy Utama Raya - a project-oriented diversified provider of oilfield supply and services

- Air Compressors
- Air Seal Unions and Tubes
- Air Tools
- Alarms
- Anchors

- B.O.P. Hose
- Backholes
- Ball Valves - High and Low Pressure
- Banding Products
- Barges
- Batteries

PT. Sinergy Utama Raya is a diversified Oilfield supply company providing a complete range of equipments, parts, accessories and services for Oil and Gas related projects. We provide professional and dedicated services to Oil and Gas industry in the Indonesia.

PT. Sinergy Utama Raya is a well-resourced company, striving for excellence and total customer satisfaction. We directly serve the end-users by offering our exceptional supply and service.

Our Mission

As a resourceful company, PT. Sinergy Utama Raya aspires to become one of the leading regional Oilfield suppliers providing effective solutions to its valued customers.

Our Clients

PT. Sinergy Utama Raya - a project-oriented diversified provider of oilfield supply and services

PT. Sinergy Utama Raya's clients include major international, regional and national Oil and Gas Companies in the Indonesian Region. Exploration and drilling companies, refineries, petrochemical plants, pipeline projects, suppliers, stockiest and EPC contractors are our regular clients.

With complete dedication to the energy industry, PT. Sinergy Utama Raya is providing every conceivable type of supply and expertise to its clients. Our offering of quality customer service is reciprocated by the repeat orders from reputed clients.

Our Team

Our team works with the clients on their specific project requirements and equipment specifications. We have extensive experience and expertise to handle and execute all aspects of oilfield supplies. Our experience guarantees the customer with high quality, cost effective, prompt and professional supplies and services.

Major oilfield companies and their projects as always demand proven equipment at competitive prices, which PT. Sinergy Utama Raya complies with its quality, technology, and value. With its experienced personnel, PT. Sinergy Utama Raya has the expertise to supply materials at the optimum price, specification and delivery for important project requirements.
