UNITED BUSINESS SOLUTIONS

, a national company, offers its clients a service unique to the South African Office Automation Market. At United Business Solutions customers are not tied to one specific Office Equipment brand but rather have the option of choosing from a wide variety of Printers, Copiers and PBX brands, selecting which best suits their Document Production needs and cost requirements. We place the power of choice in your hands. Our aim is to deliver a world-class service to our customers by creating an easy interface in which customers can view and configure the Document Production Product of their choice at the most competitive prices available in the market.

OUR HOLDING COMPANY

“OUR MISSION

At United Business our goal is to provide our customers with the solution to a wide spectrum of their office requirements. From our South African based supplier network, we offer rapid door-to-door delivery and installation of our Photocopiers, Multi-functional products (MFP's), PABX Switchboards, CCTV Systems, Shredders, and more, with options for ongoing support through our post-sales support infrastructure. You may opt to use our accessible and intuitive website to buy direct on-line, or alternatively contact one of our specialist sales account managers to discuss the best product options for your needs. Whichever you choose, our expert advice means that we will always suggest the most appropriate product for your businesses requirements.

”
