## ABOUT US

V.K. Enterprises (Pvt) Ltd (VKE) - a trusted household name for Architects Contractors and Interior Decorators since 1980. We are now considered to be one of the largest importers of Construction Hardware Materials carrying a range of building materials, hardware items and interior products that are currently sold to over 2,000 customers throughout the country.

Our marketing outreach is the biggest in the country for the line of products we carry, with a retail base of 5 outlets across the city of Colombo.

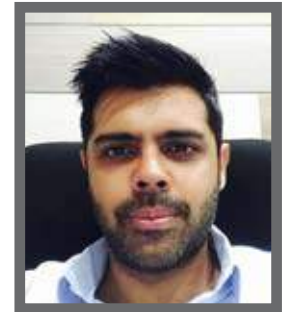

V.K. is a well established company carrying the most exclusive range of Ceiling & Dry wall products that include Asbestos Free Cement Board, Gypsum Plaster Board & other Mineral and Aluminium based options along with the entire framing system.

Our Skilled Operatives work to the highest standards to give the best service. We have a very efficient team to ensure a smooth execution of works & complete customer satisfaction.

# OUR MISSION AND VISION

## MISSION

We are committed to;  
Broadening our product line and improving quality to meet the ever-changing requirements and standards in this market.

Consistently introducing new products within this industry and educating users of their benefits across Sri Lanka.

Being the best in customer service to maintain a long term, honest relationship between each Customer and VK Enterprises.

## VISION

We strive to be the leading one-stop shop for high grade construction materials and interior decorative products in Sri Lanka.

We wish to be recognized as an initiator of new, exciting product lines from all parts of the globe.

We wish to bring products that homeowners and architects alike look forward to experience and integrate within their work in Sri Lanka.

## RETAIL & DISTRIBUTION BUSINESS

- 5 VK Retail Branches for Cash & Carry with ex-stock for over 400 different products  
Branches located in Prime Areas specific to Hardware & Construction Materials since 1980
- Lorry fleet of over 15 vehicles for distribution between warehouse and outlets
- Fleet to distribute across Sri Lanka to over 400 distributors (wholesalers) including Hardware Stockists, Interior Design firms, Furniture Factories and Project Sites

## DISTRIBUTION & WAREHOUSING

- 3 Large Warehouses with an area of over 10,000 sqm to carry stock with unloading bays for 20'/40' containers
- Warehouse ideally located near port for expediting all clearing works and delivery to customer
- Additional fabrication space for specialized applications and training including false ceiling and dry wall works

## PROJECT TEAM

- Staff of 50 including project team specific for large scale ceiling and dry wall applications
- Additional service for Supply & Install on Turn-key basis for projects ranging from Condominium to Hotel and other commercial complexes
- Specialized team for Design detailing, shop drawings and execution guides

Specialized team for installation at site incl. Training of on site staff for large scale operations
