I extend a huge congratulations to Emma Kennedy who will be the school recipient of the Victor Chang Cardiac Research Award. Emma was nominated by the school for her excellent achievements in Science throughout Year Eleven.

Victor Chang was a leading figure in the area of heart research, innovation and surgery until his death in 1991. In 1994 the Victor Chang Cardiac Research Institute was established. The Victor Chang awards recognise the high achievement of Year 11 public school students in the disciplines of Science.

Principals Report

The hard work and importance of the work teachers do every day across the world was acknowledged last month on Friday 28 October 2016. Teachers are vital as every other profession relies on the work of teachers to produce the quality people to be able to do all other jobs. We are lucky to have such a committed bunch of people who come to work everyday with one common voice which says “we do it for the kids”.

Our 2016 HSC students have now completed their exams. By all reports they were happy with their exams and as a school, we look forward in anticipation to the receipt of their results later this term.

Recently a significant number of our students undertook the mandatory VALID test. This test provides insight into our students achievement and understanding in the field of science. The results, when

received, will assist our school with planning, programming and assessment practices. I congratulate the students for their positive approach to completing this test and thank Mrs Riach for overseeing its implementation.

A morning tea for the parents and 2017 School Leaders was held recently. In attendance was the executive staff, Miss Norton the Year Advisor and Miss Sealey the SRC coordinator. It was an excellent opportunity for all these people to come together to acknowledge the achievements of our school leaders and take some photos in a relaxed atmosphere. The conversations held indicated just how proud and supportive the parents and staff are of the students and we all look forward to working together for the betterment of our school.

Principal's Report continued

Mrs Small's Food Technology classes recently completed their pie practical assessment. Students designed their own recipe and prepared their own creations in a practical test environment. There were some interesting flavours and tastes and as the staff came in as celebrity judges it was becoming very difficult to find the perfect pie. However I must say I was very impressed and did not need lunch or dinner after sampling all the pies, well done to everyone involved.

Can I please remind everyone that the 50th anniversary celebrations of Condobolin High School are well under way with a dedicated group leading the organization of this big event. If you would like more information on the organizing committee or the weekend activities

please don't hesitate to contact the school.

One of our longest serving staff members Mrs Christina Coleman finished with us last week to take up a 5 week stint at Anson Street Special School in Orange, before she heads to Chatswood High School in 2017. We wish her well in her new role. I will be acknowledging Mrs Coleman's contribution and the other staff members who will be leaving us in the final newsletter of the year.

St Joseph's Public Speaking Competition

On 8th November Mr Ward, Mr Riach and Miss Rees were judges at the annual St Josephs Catholic School Public Speaking Competition. All of the finalists spoke beautifully which in turn made it very difficult for the judging panels. Congratulations to all students who participated.

SRC News

2017 Student Representative Council

Nominations for the 2017 Condobolin High School SRC are now open. If you are interested in becoming an SRC member in 2017 please see Miss Sealey for a nomination form. Nominations are due in to Miss Sealey by Wednesday 23rd November, be sure to have all the required signatures before submitting your nominations!

Bandanna Day

On the 28th of October the Condobolin High School SRC raised awareness and funds for National Canteen Bandanna Day for youth cancer. With the great support of staff and students we sold out of all of our Bandannas before 9 am and managed to raised just short of \$300 towards this great cause! Thankyou everyone and well done for supporting this fundraiser.

2 November 2016

Dear Parent/Guardian

In week 10 Condobolin High School is running a series of activities for 3 days. This will occur from the 12 to the 14 December 2016.

The aim of this experience is to offer your child meaningful skills whilst still keeping them engaged before the school year officially closes.

Your child will be able to choose 2 activities (1 morning and 1 afternoon) out of a choice of 13 and some may involve a cost. The table below is a list of activities and their associated costs. Please discuss these options with your child before they make the commitment to the activity and any associated costs.

Activity	Cost	Time
Golf	Free	Morning
Lip Sync	Free	Morning
Community Service	Free	Morning
Boys Group – Survival skills and prepping	\$5.00	Morning
Christmas Cooking	\$20.00	Morning and/or Afternoon
Furniture Restoration	\$5.00	Morning or Afternoon
Aqua Aerobics	Pool entry	Morning or Afternoon
Board Games	Free	Morning or Afternoon
Kayaking	Free	Afternoon
Christmas Craft	\$20.00	Afternoon
Ceramic/Lino Art	\$10.00	Afternoon
Patchwork/sewing	\$5.00	Afternoon
Small Engine maintenance	\$5.00	Afternoon

Please follow the link to complete choices. <http://bit.ly/2eYUVV0>

Payments must be received at the front office by Monday 5 December 2016.

If there are any problems, please do not hesitate to contact the school on 68952333.

Yours faithfully

Mrs P. Morcom
Organiser

Mr J. Ward
Principal

The BFG Excursion

On Monday 31st October, 2016 a group of students travelled to Forbes to go to see The BFG at Forbes Services Memorial Club Cinema. Students from Room 1 had previously been studying the novel The Big Friendly Giant (the BFG) by Roald Dahl. Unfortunately the movie the BFG had just finished showing at Dubbo and Orange Cinemas but after contacting the Forbes Services Club and explaining our situation, they kindly agreed to screen it again just for our students. Then, the floods came through and roads were closed on the planned excursion to the cinema. Luckily, they happily agreed to rescreen it again for us at the start of this term and the students were treated to a day out at the movies to view this amazing story on the big screen, with surround sound, popcorn and a drink. This excursion was so successful that the school received a thank you letter from Forbes Services for attendance and behaviour!

Many thanks to the students who attended, and of course to staff who made this all possible; Kristel Smith and Colleen O'Bryan.

Well Done

Remembrance Day

Lest We Forget

Careers News

Work Experience

Year 10 Work Experience is rapidly approaching. Students will have received their information before going on cross-roads. While doing Work Experience students are required to attend the hours of the work site not school hours. At some locations students will not have access to food facilities and will be required to bring food from home. Dates for Work Experience are Monday 28th November to Friday 2nd November 2016.

Rural Career Guide

The Rural Skills Australia website has a Rural Career guide for students, job seekers, parents, educators and employers to find out about education and training opportunities in rural industries.
<http://www.ruralcareers.net.au/>

Commonwealth Scholarships

There are a number of University Scholarships offered by the Commonwealth Government. These include ABSTUDY, Austudy, Youth Allowance, Fares Allowance, Education Entry Payments and more.

Austswim Course

Teacher of Swimming and Water Safety courses to be held in Orange on the 28th and 29th of November. Training as a learn-to-swim teacher could lead to part-time employment, and certification also links with higher vocational qualifications which can lead to a full-time career in the aquatics industry. A swim teacher qualification is also handy for students taking a gap year overseas.

For more details email western@royalnsw.com.au or phone Alison on 6369 0679

Apprenticeships available with Skillset

Skillset is the new name for Central West Group Apprentices and is one of the largest Group Training Organisations. They currently have a number of Apprenticeship opportunities in regional towns.

Jobs of the Future: Examining Workforce Trends Recently

I read a report examining the trends set to shape the Australian workforce in the next 15 years and below I have summarised the main points of information. The industries that have experienced the greatest growth over recent years are:

- professional, scientific and technical services (76 per cent)
- health care and social assistance (75 per cent)
- education and training services (45 per cent).

Australian jobs of the future will have two layers: jobs created by new technology and jobs created by

increased population levels. However, connectivity will be the common denominator in all future jobs.

The report outlines five distinct skill sets that represent the future of Australia's workforce:

1. The Care Givers: Care Givers provide support or personal services to the public or certain groups in society. The ageing population and rise of women in the workforce have increased the demand for Care Givers in the Australian workforce. Example occupations: fitness instructor, social worker, beauty therapist, nanny.

2. The Technocrats: Technocrats are central to the operational design and production of future products and services, and possess high-level skills in science, technology, engineering and mathematics — and, in many cases, entrepreneurship. Example occupations: engineer, computer programmer, medical researcher, web designer.

3. The Specialist Professionals: Like Technocrats, Specialist Professionals fall into the 'knowledge worker' category — a term given to professions that require a university education or technical qualification. While Technocrat roles are often at the creative end of knowledge work — designing new systems, products and services — Specialist Professions tend to focus on delivering outcomes and maintaining systems. Example occupations: clinical psychologist, teacher, general medical practitioner, accountant, dentist.

4. The Doers: This category includes tradespeople as well as occupations focused on 'people-related' activities, such as communicating with clients, ordering materials, allocating work and processing payments. The rising population and demand for infrastructure will provide employment opportunities for many workers in this field. Example occupations: electrician, carpenter, personal assistant, sales representative .

5. The Creatives: The final category includes workers who seek roles for creative or lifestyle reasons, including flexible working hours; the ability to pursue an interest or passion in an entrepreneurial way; or opportunities to work from home, online, part time or in a semi-retirement capacity. Example occupations: photographer, fitness instructor, dietitian, makeup artist, life coach. The full report can be found at the following link and provides some interesting reading for parents. <http://www.nbnco.com.au/content/dam/nbnco2/documents/superconnected-jobs-report.pdf>

HAND DRAWN TEMPLATE

ENGRAVING DETAILS

PLEASE FOLLOW THESE SIMPLE STEPS WHEN CREATING YOUR IMAGE.

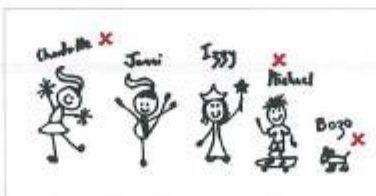

1. ONE NAME PER PAVER.
2. Draw your image using a good quality medium thickness black marker pen (about 2mm thick). eg Artline 70 'High Performance' marker.
Do not use a ballpoint pen, coloured text or pencils!
3. Make sure you rub out any pencil lines as these will show up on the finished paver.
4. Do not include computer-generated or pasted pictures.
The hand drawn image engraving process is set up to engrave hand drawn images only.

SAMPLE 1

- THIS IS OK ✓**
- Good clean writing
 - Simple illustrations

SAMPLE 2

- THIS IS NOT OK ✗**
- Too many names
 - Illustrations too detailed
 - Information gets lost

SAMPLE 3

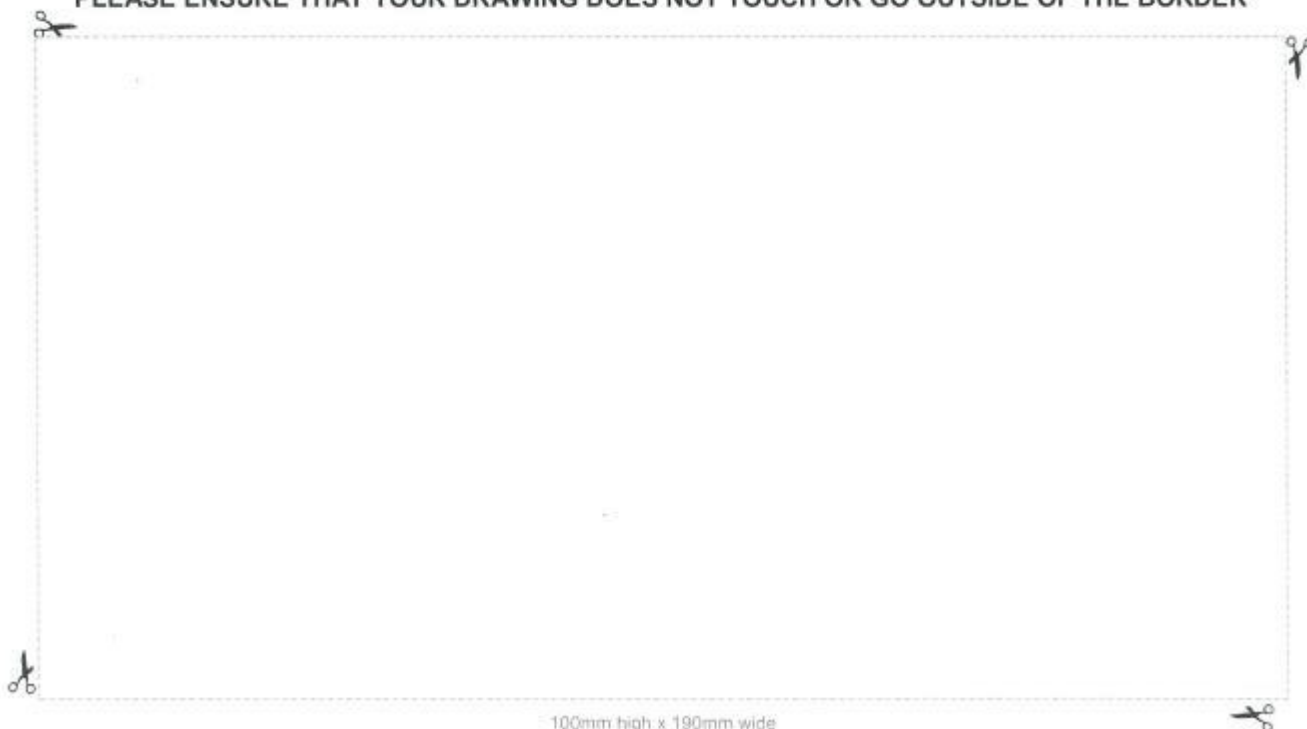

- THIS IS NOT OK ✗**
- Do not include computer-generated or pasted pictures
 - The process is set up to engrave hand drawn images only

Administrator note: Please photocopy this page for your records, cut out the drawing below and send the ORIGINAL to Signature Engraving.

PHOTOCOPY THIS PAGE FOR EACH HAND DRAWN PAVER.

PLEASE ENSURE THAT YOUR DRAWING DOES NOT TOUCH OR GO OUTSIDE OF THE BORDER

100mm high x 190mm wide

Assessments at Condobolin High School in 2016

There have been a number of changes in terms of assessments at Condobolin High School in 2016. Part of my role as assessment coordinator has been to rewrite the assessment policy and implement a number of changes across the school.

Students have all been issued with Assessment Booklets; these booklets are also available on the Condobolin High School Website, for each Year Group. These booklets are an important document for every child. They outline the assessment requirements for each subject across every year, outline the procedures to follow in terms of applying for an extension or misadventure and include a copy of the Board of Studies key terms.

Some important information for parents and students:

- Each assessment task requires a minimum of two weeks' notice to be given. Students are expected to sign a receipt of task at the time the task is issued. If a student is away from school it is their responsibility to seek out any missed assessments or classwork.
- No more than TWO assessment tasks should be due in each week for any year group. Please contact myself at school if this is not the case for your child.

- For any change of date of assessment your child should receive a notification in writing advising of the new date.
- All submitted assessments and quizzes are to be returned within two weeks. Again please feel free to contact myself if this is not occurring, and the assessment committee will be able to investigate the issue.
- If your child cannot attend school on the day of an assessment, or has been unable to complete an assessment due to reasons including – Sickness, Carers Responsibilities, Illness in the family, they must apply for either an Extension (If before the due date) or Misadventure. They need to collect these forms from Head Teachers and return with appropriate documentation to myself for processing.

We are hoping that by implementing new policies and procedures, that assessments at Condobolin High School, become more streamlined and meaningful for our students.

Miss Melissa Rees
Assessment Coordinator

MOVEMBER HEALTH & FITNESS FUNDRAISER
