Hello to Everyone-

I want to begin by thanking Gamma Theta for hosting the PDK 115th National Convention. PNP Devin “Pappy” Reid, who served as National Convention Chairman, and all of the brothers and sweethearts of Gamma Theta deserve a round of applause for everything they did to make this year’s convention a huge success!!! From check-in to the Ladies Luncheon to the BBQ to the Golf Outing to the President’s Ball and the Award’s Banquet everything was outstanding. I know that Julie and I had a great time!!!

This past year I was proud to serve as V.P. to President Doug Leach. His guidance and dedication to PDK helped to make this last year a great success for me and the rest of the S.E.C. I cannot thank him and Jan enough for their help and for always being there for whatever reason. I am sure they are looking forward to some rest and relaxation now Doug has become our newest PNP.

As PDK begins it’s 116th year the big news is that we will be opening a new chapter, Georgia Epsilon. Walter McCall, who was a member of Florida Nu, moved to Georgia and wanted to open a new chapter. The S.E.C., the Board of Trustees, and a volunteer committee of PDK members are all working together to help get this new chapter up and running. This will be a work in progress as it has been a long time since we have opened a new chapter and any help or suggestions will be greatly appreciated. I am looking forward to seeing this new chapter being fully opened during this coming year.

I would like to congratulate the officers of the S.E.C on moving up in the chairs and to give a big welcome to our newest officer, Troy Sparks, National Outer Guard, from Beta Nu Kokomo. Troy and his sweetheart Cristal are a welcome addition to the S.E.C. I also need to say thanks to my own sweetheart Julie for all she has done for me in the journey through the chairs. Without her all of this would not be possible as she is my better half and makes me a better person.

I want to congratulate Sara Smith for becoming our newest PNS and for Kathy Horner of Beta Eta being selected as this year’s National Sweetheart. Congrats to Monty Blackburn of Beta Eta for being selected as this year’s Chapter President of the Year. Monte oversaw the remodel of the chapter house, has been instrumental in collecting donations of winter coats, hats, and gloves to distribute to the kids in need in Randolph County and he is beginning his 3rd straight year as chapter President of Beta Eta. A big thanks to Monte and his sweetheart Bunny for their dedication and hard work for Beta Eta Winchester. I would also like to congratulate PDK’s newest emirs, Jimmy Woodrum and Bruce Baker, both of Gamma Theta.

I want to say a special thanks to a group of PDK brothers that helped me on my journey through the chairs. PNPs Scott Dull, Jeff Woolf, Bruce Smith, and Todd Gullet were always there to answer questions and to offer guidance to me. I can’t thank them enough for all they have done for me. A special thanks goes out to PNP and Emir Chris Parks as he took the time to sit down with me and encouraged and guided me in my journey to becoming a national officer. So it was with great sadness that he couldn’t be at this year’s convention to see me become National President and it was even more difficult when I received the news during the President’s Ball that he had crossed the sands for the last time. His passing will leave a hole in the hearts of all Phi Delt, but especially in the heart of his sweetheart Jackie. Beta Eta held a memorial service for Chris and the PDK funeral ritual was performed. He IS a Phi Delta Kappa.

I am looking forward to serving as your National President and I am available to talk or listen so don’t hesitate to reach out to me-my number is 765-730-4109.

May God bless you all,
Proud to be a Phi Delt!

Hello from Mississippi Alpha,

I hope this article finds all my Brothers and Sweethearts doing well and in good health.

I would like to send our condolences out to PNS Jacki Parks and the entire Parks family for the loss of our PNP Chris Parks. He will be greatly missed.

I would like to say a big Thank You for your support as I was named your National Vice President. Also a big welcome to Outer Guard Troy Sparks as he joins the SEC, all other National Officers who moved up a chair, Brothers Bruce Baker and Jimmy Woodrum as Emirs, and Bill Robbins, Board of Trustees. Also Thanks to our newest PNP Doug Leach for a job well done. It has been a pleasure working with you this past year.

I would also like to welcome our newest National Sweetheart, Kathy Horner. I am sure she will do a great job just as our outgoing PNS Sarah Smith has done this past year.

I would also like to thank Brother PNP Devin Reid and the entire Gamma Theta Chapter for hosting our National Convention. A big job well done.

We also awarded a Charter for our newest chapter, Georgia Epsilon. A big Thank You to Brother Walter McCall to get this up and running. I know he has put a lot of work in this. I cannot wait for the opening. Thanks again, Walter.

I will be co-coordinating Florida Alpha Lambda and Florida Mu Chapters this year. If I can be of any assistance to you or any other Chapter, please don't hesitate to call me.

I will close for now. Until next month, proud to be a Phi Delt and May God Bless.

Proud to be a Phi Delt,

Hello from Florida NU,

We are getting back from convention and doing well. It was so great to see our friends from out of town and I am so proud to be a Phi Delt. The convention went well and Danville did such a great job with the planning. Everything was great for us until we woke up to a car with missing parts. I want thank you Pappy for your help.

I am looking forward to Fall SEC in Tampa and the Halloween party after. There is a year of traveling ahead of me and this year's travels will end in Michigan City. I have never been to Michigan City and I am looking forward to it.

I am in the process of planning my travels for the year and I would like to attend meetings at Alpha Lambda and MS Alpha as a national officer along with my required meetings. I will also be in contact with Bruce Smith for Kokomo reports

Thank you to Walter McCall for all of your hard work in opening a new chapter. I am looking forward to meeting the new members and having functions at your chapter. It is in a great location.

Proud to be a Phi Delt,
Joe Lamerson

Greetings Brothers and Sweethearts,

Labor day is upon us again. The summer seems to be flying by and with that said Vonda and I wish you all a safe and happy holiday. Let's also remember Patriot's Day on September 11th. This is the twentieth anniversary of that horrific day.

In July Gamma Theta hosted the 115th National Convention. I want to thank all the guys and gals there for all the hard work they done and putting on a great convention. I want to thank everyone from all the other chapters that attended. I want to wish PNP Doug Leach and PNS Jan all the best and thank you for your guidance. It was an honor to have served with you. Thank you to PNS Sarah Smith (and Bruce) you wore the crown well and congratulations to our new National Sweetheart Kathy Horner (and Zeke). I also want to congratulate our new National President Butch Rhonemus and First Lady Julie. I look forward to working with you this next year. Congratulations to all the National Officers and our new Outer Guard Troy Sparks I look forward to working with all of you as well. I also want to congratulate Monty Blackburn of Beta Eta on being selected as Chapter President of the Year and our two newest Emirs Bruce Baker and Jim Woodrum. Lastly I want to thank my lovely wife Vonda for being by my side on this journey.

On a more somber note PNP Chris Parks passed away in July. Vonda and I want to extend our condolences to Jacki and the entire Parks family. Although this couple spent their winters in Florida they made their way to Indiana in the summer and were a big part of Beta Eta and the fraternity in several ways. While I was pondering the decision to become a National Officer Chris was the last of a hand full of guys I talked with in making my decision. You will be missed but not forgotten brother, keep the sun on your face and the wind at your back.

In June I traveled to Delta Nu with Buck Rodman, Zeke Horner and Monte Detro. It was a night in which Don Terruso was honored for reaching 50 years as a Member of Phi Delta Kappa. Buck Rodman passed his 50 year pin onto Don. National President Doug Leach done the honor of pinning Don. National V.P. Butch Rhonemus was in attendance as well as several brothers from Delta Nu and Beta Nu. Congratulations Don and thank you Buck.

As the newly elected National Auditor it my duty to request a financial report from all the chapters. I will be sending out forms in the Spring and I am asking for your cooperation in filling them out and returning them. This year the chapters I am coordinating are Lambda-Peru and Florida Alpha Lambda and I am looking forward to visiting both as well as all the other chapters. I am also in charge of the 20/20 Drawing this year and at the Spring S.E.C. meeting it was brought up and approved to increase the drawing payouts.

I will pass on to you this little history info. On September 14th ,1814 Francis Scott Key wrote "The Star Spangled Banner".

In closing be sure to get your 20/20 tickets you can't win if you don't play. I will close out with this quote " Energy and persistence conquer all things".

Til next time,

Proud to be a Phi Delt,
Larry Detro, Jr.

Hello from Florida Alpha Lambda.

WOW, what a great convention, my hats off to the host Chapter Gamma Theta in Danville for doing an outstanding job. Thank you, DEVIN "PAPPY" REID for all your hard work. Conventions are so much fun, and you must attend one to truly understand the experience.

Reflecting on the past year, I would like to thank Chris Linsinbigler for guiding me along the way. In addition, I would like to thank all the national officers for their hard work. Congratulations to Kathy Horner as the newly crowned national sweetheart. Thank you, PNS Sarah Smith for all your hard work and support. I look forward to serving and supporting our new National President Butch Rhonemus, "way to go BUTCH".

One of our many goals this year as National Officers is to raise the communication levels between the local chapters. I am the coordinator this coming year for Florida Mu and Florida Nu. I am also, on the historical room committee and on the new chapter committee. We are all excited to get the new chapter Georgia Epsilon started this year. Thank you, Joe Lamerson on all the hard work you've done.

One of my many goals this year is to keep up my travels as I did last year and become a better coordinator. I would like to congratulate Troy Sparks on becoming the new National Inner Guard. I know he will do a great job!

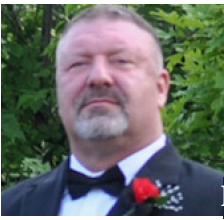

The following article was written by National President Lynn Parkinson, from the Red & Black Magazine 1927;

"Well, here we are back from the convention safe and sound. Again, Phi Delta Kappa emerges into another year. Is it the same kinds of year as last year, as they year before or as the year before that? No! we are on the threshold of a new era. Why do I say this? Because, through the splendid work of our good and faithful Brother Art Sheldon, our organization has given birth to a new constitution and one wonder in its contents."

If you need to contact me for any reason, please do not hesitate. As a reminder 20/20 tickets are on sale again, see any National Officer.

Fraternally yours,

Proud to be a Phi Delt,
Chris Lawrence

Greetings from the Hospitality Chapter,

I hope this article finds all my brothers and sweethearts doing well and in good health. I would like to say a big Thank You to Gamma Theta for hosting our 115th National Convention. An awesome job to all those involved. What a great example displayed by Gamma Theta for hosting the National Convention. I witnessed duties being performed, tasks being accomplished, hospitality displayed and teamwork performed on a regular basis. Honestly it made me feel jealous that I wish my chapter could function that well. Hopefully 2021-22 will be a great year and I hope to see more chapters and greet more brothers in my travels. I am highly motivated and can't wait to get to business.

Also, let me say a sincere thank you to our newest PNP, Brother Doug Leach. It was a pleasure serving under your leadership this past year. Thanks also to Sarah Smith for representing our Fraternity as National Sweetheart in such a gracious and caring way. Congratulations to Kathy Horner for becoming our newest National Sweetheart.

I am looking forward to working with our new National President, Brother Butch Rhonemus and our newest Outer Guard, Brother Troy Sparks as well as our other National Officers. I am so proud of Brother Troy Sparks for stepping up and accepting the challenge that is presented by the Office that he now holds.

I also want to thank everyone for your vote of confidence as I make my way through the Chairs. I promise to exceed all expectations be the very best that I can to represent our great fraternity. This year I will be the Chapter Coordinator for Florida Nu and Alpha Lambda.

I am truly at a loss for words in the passing of Brother Chis Parks. In all my travels, he is one of the first brothers that welcomed me into the fraternity and was a mentor. We both have a military background which gave us an even stronger bond. I am looking forward to attending the fall SEC meeting at Florida Alpha Lambda in Tampa Bay in October. It is that time again for National Officers to start selling 20/20 tickets again. Just see any National Officer and they will be happy to assist you. Until next month, proud to be a Phi Delt, and may God Bless.

 Troy Sparks

Hello Brothers and Sweethearts!

I'd like to thank you all for voting me your 2021 National Outer Guard and giving me this opportunity to make a difference in the greatest fraternity on the planet. I would also like to thank Gamma Theta for doing an amazing job hosting the 115th National Convention. A HUGE thanks go to my Beta Nu brothers and various other members from multiple chapters (you know who you are) for their guidance, encouragement, and support to begin my journey through the national chairs.

Also, I'd like to thank PNP Doug Leach for your awesome service as our National President. Congratulations to Butch Rhonemus for being voted our new National President and all my other national officers for moving up in the chairs, I look forward to learning and working with you all. A huge 'Good Game!' slap for Sarah being our PNS. Congratulations to Kathy Horner for becoming our new National Sweetheart!

I believe a small introduction is in order, since I have not met everyone yet. My name is Troy Sparks and I am a native Hoosier. I have been married 28 years to my wonderful wife Cristal and we have one son, Alex, who is 27. I have been a member of Beta Nu since 2016 and a Foundation Board member since 2017. I have gone through my local chairs (less a couple), including Chapter President. I have a fierce passion for our fraternity and wish to see it succeed for many years to come.

With that being said, as a National Officer my main focus is to strengthen the passion of my brothers by encouraging more involvement between chapters. Since my first chapter chase, I have traveled to other chapters for their local events, i.e. Sweetheart Dance, Chapter Chase, Hog Roast, Chapter Anniversary, Seralago, and various meetings. Each and every time, my love grows stronger for PDK. I have set myself to observe what other chapters are doing to succeed, and bring that back to Beta Nu to help it grow. I have learned a lot from my fellow Beta Nu members, and even more so from my distant brothers. Let's work together to make this fraternity greater than it has ever been!

I look forward to seeing most of you soon, and yes, I will have 20-20 tickets for sale, so buy early for more chances to win! Get some now before they are gone... I want to give Brother Detto a run for his money!

Fraternally Yours
 Troy

***Proud to be a Phi Delt,

2021-22 PDK National Sweetheart

Hello PDK Brothers and Sweethearts!

I'm Kathy Horner and I would like to say thank you for choosing me to be your National Sweetheart. Indeed, I was completely surprised! It is an honor and privilege to be joining such a prestigious group of women.

I would like to congratulate Sarah Smith on her past year and moving to the PNS group.

I would like to thank Gamma Theta for an outstanding 115th National Convention! Never a disappointment, you guys "Rocked"! Congratulations to our new National President, Butch Rhonemus, and First Lady, Julie Rhonemus, Larry Detro Jr., National Auditor and Monty Blackburn, Chapter President of the year, Troy Sparks, Outer Guard, and all the members of the SEC moving up in the chairs. Congratulations to Jim Byrd, being reelected and Bill Robbins, elected to the National Board of Trustees. Congratulations to Doug Leach, newest PNP, well deserved!

Thank you to my wonderful Beta Eta family. It warmed my heart to have so many in attendances to enjoy this special night with me. I will cherish these memories forever. Love you guys!

Zeke and I recently celebrated our 48th anniversary in August. We have one daughter, Bridget, granddaughter, Lauren and grandson, Drew. Our lives are busy, enjoying every minute of it.

I am looking forward to visiting every chapter and function possible this year. My first stop is Danville for the hog roast. It's going to be great seeing everyone through out the year.

Thanks to my husband, Zeke. His love, compassion and involvement in this great fraternity are the reason I'm wearing the crown this year. Thanks Zeke, I love you!

In closing, as we mourn the passing of PNP and Emir, Chris Parks, please keep Jacki and family in your prayers.

God Bless!!!

Delta Nu - 50 Year Honor

On June 14th, 2021 we honored PNP Don Terruso for attaining 50 years as a member of Phi Delta Kappa. The 50-year pin was Brother Buck Rodman's personal pin. The pin was presented to Brother Don by Brother Buck and National President Doug Leach.

In attendance were: PNP Bruce Smith, National Officers: President Doug Leach, Vice President Butch Rhonemus, Secretary/Treasurer Zeke Horner, Sargeant at Arms Larry Detro Jr, Beta Nu President Troy Sparks and Beta Eta member Monte Detro. Also in attendance: Delta Nu Brothers Buck Rodman, Steve Keiser, Joe Clinton, Craig Schoof, Pete Martin, Don Terruso, Robert Blackburn and Spencer Pilgrin.

After the meeting liquid refreshments, sloppy joes, potato salad and chips were enjoyed by all.

Proud to be a Phi Delt,
Brother Petey Martin

PNP Corner,

Hello Brothers and Sweethearts it has been awhile since I have written a newsletter. But Judy and I just returned from attending the PDK convention at Danville, Gamma Theta, Chapter which we had a great time as usual talking to old friends and meeting several new people that were there. Thanks Gamma Theta for putting a great event for us all to enjoy.

But we did have a sad note during this event with Brother PNP Chris Parks passing on Friday evening. He had been battling lung cancer since last fall. He was wanting to get well enough to attend this convention as I think he new it would probably be the last chance for him.

Judy and I want to offer our deepest sympathy to his wife PNS Jacki and family. Jacki has had so many losses the last few years that is unreal. He was a great man who loved his wife, family and our fraternity very much! Chris and I made a lot of chapter visits together with several discussions on how we could improve things in our fraternity and I will miss him very much!

Before closing I want to congratulate all National Officers on their new positions. Thanks to our newest PNP Doug Leach for his service, and thanks to our newest PNS Sara Smith for all her travels this last year. Then congratulation to our newest National Sweetheart Kathy Horner, have a great year. Also congratulation to Monty Blackburn on being selected our newest Chapter President of the Year.

One last thing I would like to ask our future Natioal Presidents and Vice Presidents to consider having their cocktail parties some where besides the Ball and Bandquet rooms. Because I think this is a very poor set-up and a lot is lost in what your cocktail parties are suppose to be about. You could ask any older PNP how they use to be done, I am sure they would give you some good advice.

May God Bless you all!!
PNP Butch Marshall

PS: Thanks to all for your generosity when we passed the hat at our National meeting!!
