# November is Caregiver Awareness Month

Administered by The Ocean County Board of Social Services

## Statewide Respite Care Program

The Statewide Respite Care Program was developed to assist unpaid, overwhelmed caregivers who are caring for frail elderly and/or disabled adults to prevent or delay the institutional placement of the care recipient. Although the program's services are provided directly to the functionally impaired individual, their purpose is to free the caregiver from their duties and responsibilities for short periods of time.

### Services May Include:

- Home Health Aide
- Companion
- Social and Medical Day Program
- Inpatient Care
- Campership
- Caregiver Directed Option
- Private Duty Nursing

Program administered by the Ocean County Board of Social Services and funded by the NJ Department of Human Services.

## Alzheimer's Support Group

The Alzheimer's and related dementia's support group assists family members in accepting the diagnosis, allows families to share their grieving process, helps families deal with personality changes of their loved one, provides information on current research, encourages participants in public education and advocacy, reviews the past and explores the future, encourages each of us to realize we are not alone, covers practical suggestions for day to day care, and brings in speakers on legal issues and available resources including doctors, homemakers, respite care workers, and financial advisors.

### Please join us:

3<sup>rd</sup> Tuesday of the month (1-3 pm) **Aristacare at Manchester**, 1770 Tobias Ave, Manchester

3<sup>rd</sup> Friday of the month (1-3 pm) **Brandywine Living at Reflections**, 1594 Route 88, Brick

## Respite Care Program

The program is designed to offer support and relief services to caregivers. The objective of the program is to assist caregivers with improving and prolonging their caregiving abilities to care recipients age 60 and older.

### Services that may be available:

- Emergency Response Buttons
- Ramps, stair glides and other residential maintenance
- In home caregiver stress management counseling
- In home caregiver education and training

Program administered by the Ocean County Board of Social Services and funded by the Ocean County Office of Senior Services.

For more information about all programs, call (732) 349-1500.
