Independent Auditors' Report

Board of Directors Partners In Health Boston, Massachusetts

We have audited the accompanying consolidated financial statements of Partners In Health (the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2016, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Partners In Health as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Prior** Auditors

The financial statements of Partners In Health as of June 30, 2015 were audited by other auditors whose report, dated December 23, 2015, expressed an unmodified opinion on those statements.

### Notes to Consolidated Financial Statements

#### Note 1 - Organization

Partners In Health, a Nonprofit Corporation ("PIH" or the "Organization") is an international nongovernmental organization dedicated to delivering high quality health care to people and communities suffering from the joint burdens of poverty and disease. PIH's work has three goals: to provide high quality care for patients, to alleviate the root causes of disease, and to share lessons learned around the world.

PIH consolidates the accounts of Socios En Salud (Peru), Partners In Health Russia, Partners In Health Kazakhstan, Partners In Health Liberia, Partners In Health Sierra Leone, Inshuti Mu Buzima (Rwanda), Bo Mphato Litšebeletsong tsa Bophelo (Lesotho), Abwenzi Pa Za Umoyo (Malawi), Compañeros En Salud (Mexico), Partners In Health Ethiopia, The University of Global Health Equity (Rwanda), and Partners In Health Canada. All of these entities were established and are governed under the laws of their respective countries.

Partner organizations (Note 9) are not consolidated in the accompanying financial statements as PIH does not have control of these organizations as defined under generally accepted accounting principles. Cash disbursements to partner organizations are presented as "Grants to partner organizations" in the consolidated statements of functional expenses.

#### Note 2 - Summary of Significant Accounting Policies

#### **Basis of Presentation and Consolidation**

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles (GAAP). The consolidated financial statements include the accounts of PIH and affiliates located in Peru, Russia, Kazakhstan, Liberia, Sierra Leone, Rwanda, Lesotho, Malawi, Mexico, Ethiopia, and Canada. All inter-organizational balances and transactions are eliminated in consolidation.

#### Income Taxes

PIH is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code, as amended (the Code), and is generally exempt from income taxes pursuant to Section 501(a) of the Code. Socios En Salud (Peru), Partners In Health Russia, Partners In Health Kazakhstan, Partners In Health Liberia, Partners In Health Sierra Leone, Inshuti Mu Buzima (Rwanda), Bo Mphato Litsebeletsong tsa Bophelo (Lesotho), Abwenzi Pa Za Umoyo (Malawi), Companeros En Salud (Mexico), Partners In Health Ethiopia, The University of Global Health Equity, and Partners In Health Canada were established and are governed under the laws of their respective countries. PIH is required to assess uncertain tax positions and has determined that there were no such positions that are material to the financial statements.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingencies, the reported amounts of revenues and other support, and the expenses during the reporting periods. Actual results could vary from these estimates.

Significant estimates include useful lives of assets, valuation of investments, collectability of contributions, grants, and other receivables, vacation accruals, and valuation of gifts in kind and contributed services.

### Notes to Consolidated Financial Statements

#### Note 2 - Summary of Significant Accounting Policies (Continued)

#### Cash and Cash Equivalents

PIH considers cash on hand, deposits in banks, certificates of deposit and short-term marketable securities with an original maturity of less than 90 days to be cash and cash equivalents.

PIH maintains its cash balances at several financial institutions, which, at times, may exceed federally insured limits. In addition, cash and cash equivalents in foreign institutions are subject to differing rules and risks. PIH monitors its exposure associated with cash and cash equivalents and has not experienced any losses in such accounts.

#### Contributions, Grants and Other Receivables

Contributions, grants and other receivables are carried at their estimated collectible amounts. Receivables are periodically evaluated for collectability based on past credit history with the donors or funding sources and their current financial condition. Provisions for uncollectible accounts on accounts receivable are determined on the basis of loss experience, known and inherent risks and current economic conditions.

#### Investments

Investments consist of cash and cash equivalents (which have initial maturities in excess of three months), mutual funds, fixed income securities, equity securities, real estate investment trusts, private equity holdings and insurance contracts. Investments are carried at fair value. Changes in fair value are reported in the accompanying consolidated statements of activities as investment income.

Purchases and sales of securities are reflected on a trade-date basis. Gains and losses on sales of securities are based on average cost and are recorded in the consolidated statements of activities in the period in which the securities are sold. Dividends are accrued based on the ex-dividend date. Interest is recognized as earned.

All investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the consolidated statements of financial position.

#### **Property and Equipment**

Property and equipment is stated at cost, or if donated, at fair value at the date of donation. PIH provides for depreciation and amortization using the straight-line method over the estimated useful lives:

| Buildings and improvements | 25-40 years               |
|----------------------------|---------------------------|
| Leasehold improvements     | Over lesser of asset life |
|                            | or lease term             |
| Vehicles and equipment     | 3-5 years                 |
| Capitalized software       | 5-10 years                |

### Notes to Consolidated Financial Statements

### Note 2 - Summary of Significant Accounting Policies (Continued)

#### **Property and Equipment (Continued)**

Repairs and maintenance are expensed as incurred.

PIH deploys a portion of its funds for the construction and equipping of hospitals and healthcare centers on behalf of local governments. These facilities are used by PIH and the local governments in partnership to deliver health care services. PIH also funds the construction of wells and schools for communities and homes for patients in great need. PIH considers these facilities, including the furniture and equipment contained therein, the property of the local government or the relevant individuals, and thus associated construction, renovation, and equipment costs are expensed as incurred.

#### Classification of Net Assets

Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donorimposed restrictions. Accordingly, net assets and changes therein are classified as follows:

- Unrestricted undesignated net assets includes unrestricted funds for general operations, support used in operations after meeting initial grantor or donor restrictions, and unrestricted net assets.
- Unrestricted board-designated net assets a board-designated fund was established to set aside monies for the purpose of assuring longer term stability and sustainability and ensuring steady support for core programs, while allowing for planning and implementation of longer term initiatives. This fund, called the Thomas J. White Fund ("TJW"), is used as a primary repository of funds raised for longer term support. At June 30, 2016 and 2015, the fund's balance was \$35,088,153 and \$57,602,926, respectively, and is recorded in board-designated unrestricted net assets in the consolidated statements of financial position. The large majority of this fund is invested in corporate fixed income, with the balance invested in private equity funds.
- *Temporarily restricted net assets* includes funds whose use by PIH is limited by donor-imposed stipulations that either expire with the passage of time or can be fulfilled and removed by actions of PIH pursuant to those specifications and appreciation on permanently restricted funds.
- *Permanently restricted net assets* net assets whose use is limited by donor-imposed restrictions that neither expire by the passage of time nor can be fulfilled or otherwise removed by our actions. The restrictions stipulate that resources be maintained permanently but permit PIH to expend the income generated in accordance with the provisions of the agreements.

### **Recognition of Revenue**

There are two primary types of revenue: contributions and exchange transactions. Contributions are donations to PIH for which the donating entity is not receiving anything in return. Contributions, including unconditional promises to give, are recognized as revenue in the period received at net realizable value. Conditional contributions are not recorded until the condition is met. Contribution revenues are reported as increases in unrestricted net assets unless their use is limited by donor-imposed restrictions, in which case they are reported as increases in temporarily restricted or permanently restricted net assets.

### Notes to Consolidated Financial Statements

#### Note 2 - Summary of Significant Accounting Policies (Continued)

#### **Recognition of Revenue (Continued)**

Funds provided under certain grants and contracts are considered exchange transactions because the grantor or contracting agency is receiving something in exchange for the transfer of funds. These funds are deemed to be earned and reported as revenue when PIH has either incurred expenditures or completed the deliverables in compliance with the specific terms and conditions of the grant or contract. Grant or contract funds received for which no corresponding expenditure or performance has yet been made are accounted for as deferred revenue. Expenditures and performance made in advance of funds received are recorded as grants or accounts receivable.

#### Foreign Currency Translation

The functional currency for the majority of PIH's affiliates is the local currency. The translation into U.S. dollars is performed for statement of financial position accounts using exchange rates in effect at the statements of financial position date and for revenue and expense accounts using a weekly spot rate. The resulting translation adjustments are recorded in unrestricted net assets.

#### Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among program services, development, and general and administration categories in accordance with the standards for accounting for joint activities.

#### **Reclassifications**

Certain amounts reported in the 2015 financial statements have been reclassified to conform to the 2016 presentation.

During 2016, the Organization retrospectively adopted FASB ASU No. 2015-07, *Fair Value Measurement* (*Topic 820*) - *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, and investments valued at net asset value ("NAV") are now presented in a separate column in the related footnote disclosure for 2016 and 2015.

#### Note 3 - Investments and Fair Value of Financial Instruments

The composition of investment income is as follows as of June 30:

|  |    | 2016         | 2015     |
|--|----|--------------|----------|
| Interest and dividends                   | \$ | 448,025 \$   | 175,711  |

| Total investment return                  | \$ | 1,047,478 \$ | 139,562  |

### Notes to Consolidated Financial Statements

#### Note 3 - Investments and Fair Value of Financial Instruments (Continued)

All investments have daily liquidity, except the private equity investments, which are illiquid. The private equity fund investments are valued at NAV and consist of shares or units in investment funds as opposed to direct interests in the funds' underlying holdings, which may be marketable. The classification of investments in the fair value hierarchy is not necessarily an indication of the risks, liquidity, or degree of difficulty in estimating the fair value of each investment's underlying assets and liabilities. PIH recognizes transfers between fair value hierarchy levels at the approximate date or change in circumstances that causes the transfer.

PIH measures fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement price (an exit price). A fair value hierarchy has been established to prioritize the inputs used in valuation techniques to measure fair value. The three levels of the fair value hierarchy are described below.

Level 1 - Quoted prices are available in active markets for identical instruments as of the reporting date. Instruments which are generally included in this category include listed equity and debt securities publicly traded on a stock exchange.

Level 2 - Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date and fair value is determined through the use of models or other valuation methodologies.

Level 3 - Pricing inputs are unobservable for the instruments and include situations where there is little, if any, market activity for the instrument. The inputs into the determination of fair value require significant management judgment or estimation.

The following table summarizes PIH's investments in accordance with the fair value hierarchy as of June 30, 2016:

|                                 |     |            | Investments<br>Measured |           |               |              |

The following table summarizes PIH's investments in accordance with the fair value hierarchy as of June 30, 2015:

| Total assets at fair value | \$ | 1,433,597               | \$ | 839,385 | \$ | 594,212 |  |  |  |

At June 30, 2016, \$343,723 of the investments measured at net asset value ("NAV") have redemption periods of 90 days or less and \$727,855 have redemption periods of over 90 days.

The following is a reconciliation of the beginning and ending balances for assets measured at fair value using significant unobservable inputs (Level 3) during the years ended June 30, 2016 and 2015:

|  | R  | Level 3<br>oll Forward |

| Charitable gift annuity balance at June 30, 2016 | \$ | 32,973                 |

PIH recognizes transfers between fair value hierarchy levels at the approximate date or change in circumstances that causes the transfer. There were no significant transfers between the levels within the fair value hierarchy during fiscal 2016 or 2015.

### Notes to Consolidated Financial Statements

#### Note 3 - Investments and Fair Value of Financial Instruments (Continued)

Private equity investments are generally made through limited partnerships. Under the terms of these agreements, PIH is obligated to remit additional funding periodically as capital or liquidity calls are exercised by the manager. These partnerships have a limited existence, generally ten years, and such agreements may provide for annual extensions for the purpose of disposing portfolio positions and returning capital to investors. However, depending on market conditions, the inability to execute the fund's strategy, and other factors, a manager may extend the terms of a fund beyond its originally anticipated existence or may wind the fund down prematurely. PIH cannot anticipate such changes because they are based on unforeseen events, but should they occur, they may result in less liquidity or return from the investment than originally anticipated. As a result, the timing and amount of future capital or liquidity calls expected to be exercised in any particular future year is uncertain. The aggregate amount of unfunded commitments as of June 30, 2016 was \$184,860.

The funds held by the permanently and temporarily restricted net assets categories all represent corpus and accumulated unspent gains that are available to support the various programs of PIH. These funds support general operations without further proviso and are subject to the appropriation policies of the Board of Directors.

#### Interpretation of Relevant Law

The Organization classifies as permanently restricted net assets: (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by PIH in a manner consistent with the standard of prudence prescribed by state law.

### Notes to Consolidated Financial Statements

#### Note 4 - Net Assets and Endowment Related Matters (Continued)

#### Spending Policy

State law allows the Board of Directors to appropriate a percentage of net asset appreciation as is prudent considering PIH's long- and short-term needs, present and anticipated financial requirements, and expected total return on investments, price level trends, and general economic conditions. The Organization's endowment spending policy is calculated as 80% of distributions in the prior year adjusted for the applicable inflation/deflation rate plus 20% times 4% to 5% of the average 12 month market value of the endowment. As the endowment has not been in existence for 12 full months, no amounts were appropriated for spending during fiscal year 2016.

#### **Return Objectives and Risk Parameters**

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets included those assets of donor-restricted funds that the Organization must hold in perpetuity or for a donor-specified period.

#### Strategies Employed for Achieving Objectives

To satisfy its long-term rate of return objectives, PIH relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). PIH targets an asset allocation strategy wherein assets are diversified among several asset classes. The pursuit of maximizing total return is tempered by the need to minimize the volatility of returns and preserve capital. As such, PIH seeks broad diversification among assets having different characteristics with the intent to endure lower relative performance in strong markets in exchange for greater downside protection in weak markets.

#### Note 5 - Receivables

Contributions receivable represent pledges receivable as well as contributions received shortly after the fiscal year end for which PIH was notified by donors prior to year end. All contributions receivable are expected to be collected in fiscal year 2017.

Grants receivable represent amounts accrued for work completed under grant contracts with governments, multilateral and research institutions, and institutional foundations. All amounts are due within the fiscal year and, therefore, are recorded at face value without discounting.

Contributions and grants receivable balances are presented net of allowance for doubtful accounts of \$900,914 and \$164,196 at June 30, 2016 and 2015, respectively.

### Notes to Consolidated Financial Statements

#### Note 6 - Property and Equipment

Property and equipment is summarized as follows:

|  | 2016               | 2015        |
|--|--------------------|-------------|
| Land   | \$<br>292,659 \$   | 466,178     |
| Building and improvements                      | 918,272            | 633,680     |
| Equipment and furniture                        | 2,944,225          | 1,967,205   |
| Vehicles                                       | 6,618,037          | 6,096,456   |
| Capitalized software                           | <br>2,490,664      | 2,479,891   |
| Total property and equipment, gross            | 13,263,857         | 11,643,410  |
| Less accumulated depreciation and amortization | <br>(6,318,649)    | (5,055,503) |
| Total property and equipment, net              | \$<br>6,945,208 \$ | 6,587,907   |

Depreciation and amortization of \$1,380,952 and \$745,297 for the years ended June 30, 2016 and 2015, respectively, are included as expenses in the consolidated statements of activities. The building and improvements amount contains \$393,871 of non-cash leasehold improvements, which are also included in accrued expenses, as of June 30, 2016. During 2016, PIH sold land and the building on that land in Peru for approximately \$700,000 for a gain of \$527,624.

#### Note 7 - Line of Credit

PIH maintains a \$6 million line of credit with RBS Citizens, N.A. d/b/a Citizens Bank primarily for seasonal liquidity needs in advance of the calendar year end giving period. Borrowings accrue interest at a fluctuating per annum interest rate equal to the one month LIBOR Advantage Rate plus 2.5% (2.96% at June 30, 2016). PIH must repay the full principal and interest outstanding no less than once during each fiscal year for a period of sixty consecutive calendar days. The line is subject to an internal annual review by Citizens Bank each January. There were no outstanding borrowings on the line at June 30, 2016.

#### Note 8 - Gifts in Kind and Contributed Services

PIH receives donations of medicines and other goods, as well as contributed legal services without charge. PIH also has relationships with various hospitals that provide healthcare and pathology services for PIH patients for minimal fees or free of charge. The estimated fair value of these donations is recorded as contributions in the consolidated statements of activities and allocated to program services, development or administration according to the nature of the item contributed.

PIH works in close collaboration with Harvard Medical School (HMS) and Brigham and Women's Hospital (BWH) for purposes of patient care, research, and dissemination of knowledge in the area of global public health. Certain physicians and staff members of HMS and BWH reside within the PIH field sites for varying time periods and conduct work that supports these partner organizations' shared goals of improving the state of health in areas of extreme poverty. PIH also collaborates on research projects with HMS and BWH, serving as a sub-recipient on certain grants and as a principal recipient on others.

#### Note 9 - Grants to Partner Organizations

Grants to partner organizations are recorded in the consolidated statements of activities under program services and include the following:

|  |    | 2016       | 2015             |

| Total  | \$ | 38,339,992 | \$<br>37,677,043 |

Grants to Zanmi Lasante in Haiti are for costs of operations, including salaries and benefits, pharmaceuticals, construction, equipment and furnishings, and social support. Grants from PIH to Médecins Sans Frontières (MSF), IRD FZC, Harvard Medical School, Brigham and Women's Hospital, and Eugene Bell Foundation are related to specific activities each organization is performing as a sub-recipient on an endTB grant from UNITAID. Grants to Last Mile Health are related to funding raised jointly for treating Ebola in Liberia. Grants to Navajo Nation are related to various sub-recipient organizations working on the CDC Reach grant.

### Notes to Consolidated Financial Statements

#### Note 10 - Fiscal Sponsor Transactions

PIH receives donations and disburses funds on behalf of several organizations who work in coincident or contiguous areas to PIH projects, who are pursuing similar missions, and who do not yet have the infrastructure for this financial processing. PIH was holding \$713,057 and \$98,471 in cash on behalf of fiscal sponsorees as of June 30, 2016 and 2015, respectively.

#### Note 11 - Derivatives and Foreign Currency Transactions

The Organization's use of derivatives is limited to one foreign currency contract. PIH entered into a forward contract during fiscal year 2016 to hedge against foreign currency fluctuations related to the South African Rand. \$12,339 and (\$102,307) is included in net change in unrealized gains/(losses) as of June 30, 2016 and 2015, respectively.

The following is a summary of the foreign currency contract outstanding as of June 30, 2016:

| Total future minimum lease payments | \$ | 19,689,761 |

### Notes to Consolidated Financial Statements

#### Note 13 - Retirement Plan

Partners In Health has a defined contribution retirement plan that covers substantially all U.S.-based employees. The retirement plan is an IRS Code Section 401(k). The Organization provided contributions to the plan of approximately \$371,000 and \$240,000 during the years ended June 30, 2016 and 2015, respectively.

#### Note 14 - Subsequent Events

In connection with the preparation of the consolidated financial statements, PIH evaluated subsequent events after the consolidated statement of financial position date of June 30, 2016 through November 29, 2016, which was the date the consolidated financial statements were available to be issued, and determined that no subsequent event activity required disclosure.
