## This Month's Program

### BIO-

Alexandra Dugan is photographer based in Oklahoma City, specializing in weddings, portraits, and boudoir. A graduate of the University of Central Oklahoma, she initially discovered her love of photography after enrolling in an elective class as a freshman, resulting in a change in both her degree program and career focus. Since earning a Bachelor's in Photographic Arts, Alexandra has established a presence in the region by creating timeless, natural images that tell authentic stories on their own. In addition to her photography work, she enjoys educating fellow photographers in both conference and classroom settings, covering topics ranging from properly capturing wedding moments, to improving editing skills and workflow. An avid film photography and large format hobbyist, Alexandra is a founding member of the Oklahoma Film Club -- a fitting outlet for her growing collection of vintage analog cameras.

- Summer Challenge Page 7

## 15 Point Winners

**NONE!!**

**Have your picture  
here next month!**

## July Judges

Joe Messenbaugh, Chuck Emmerling and  
Peyton Osbourne

## Program (cont.)

Title - "Build Trust, Connect, Tell The Story"

Forget the gear. Push past your settings.

Everyone knows that photography has a massively technical side. It's an easy place to start, to understand how images are crafted...and to get lost. Getting lost is also known as becoming 'Gear Obsessed'.

You want and need to know what you're doing, but shouldn't fall in the trap of staying there. That's because the most powerful part of the art of photography is the connection. When you connect, you tell a story. Humanity is shaped by it's stories.

Today we break the barriers, reveal true emotions, and tell the tales of our subjects.

- Competition moved from 11/12/2018 due to calendar conflict

# A SUMMER CHALLENGE

Are you up for a Summer challenge?

How many ways can you photograph the word “SMOOTH”? You might have a smooth ride, smooth water, smooth sailing, a smooth operator, a young man dressed in a tuxedo.....the list goes on and on!

You may enter up to five PDF images for this contest.

Your PDF images are due, no later than 9:00 pm August 31<sup>st</sup>.

They should be correctly sized and named according to Metro Camera Club rules and submitted, as usual, to John Williams.

The ten best images will be chosen by an outside, unbiased judge.....and then.....will be voted on by our Club members for the top three images at the Ice Cream Supper on September 10<sup>th</sup>.

Well, alright then.....Go get ‘em!!

Raymond Dale Shipley, beloved husband, father, brother, uncle, grandfather, and friend died in his home on August 2, 2018. Dale was born on February 24, 1950 in Duncan, Oklahoma.

It is impossible to adequately define here the magnitude of Dale's positive influence on so many people. Those of us who knew Dale personally (and there are many) knew a man excited about life, excited about geology, loved OSU, and loved his Lord and fellow man. Dale carried an infectious smile and always directed conversations towards the interest of others rather than on himself.

Married to Carol "Anni" for 46 years, their love of family and friends was an inspiration to all. Whether it be with his church family, his dinner club, the Metro Camera Club, or his impromptu rock band, Dale did everything with gusto. He enthusiastically taught adult Bible Study classes for many years.

Dale earned a BS in Geology from Oklahoma State University in 1973 and an MS in Geology from Oklahoma State University in 1975. Dale has worked as a prospecting geologist holding various titles for many companies in the oil and gas business in Oklahoma with Mack Energy, Louis Dreyfus Natural Gas, Dominion Energy, Linn Energy, as well as several others. Most recently, Dale proudly served as President of Farmers Royalty Group in Oklahoma City. Among many other prominent roles in the industry Dale has served on the American Association of Petroleum Geologists House of Delegates Committee and has served with many offices, including President of the Oklahoma City Geological Society. He was a loyal alumni of Oklahoma State University.

Preceded in death by his parents, Dorothy and Ray, brother, David, and son, Zachary, Dale leaves behind wife Carol Ann, sons Jared and Chad (Lisa), sister Raeanne Finley, and the pride of his life, grandchildren Kate, Nick, and Luke.

As one of Dale's many friends remarked on Thursday, "Dale would want us to tell all those close to us how much we love them." We honor Dale through our encouragement and our love for others.

In lieu of flowers, donations can be made to the Oklahoma Blood Institute and the Baptist Children's Home.

*The Metro Camera Club is honored to have had Dale as a member and we will be collecting money this month to donate to both of Dale's charities in lieu of flowers.*
