The Sandwich Generation as Caregivers

47-520-405

There are huge numbers of 45-70 year-olds in the group frequently referred to as the sandwich generation as they are experiencing caregiving pressure from both parents and children at the same time. This group is facing many new and complex challenges as children to of older parents, spouses and siblings of aging individuals, and parents of grown children with grandchildren support needs. As a group, they are rapidly approaching the age of typical and traditional retirement, but things are not going as planned. This session will look at the roles baby boomers are taking on, what is working and what is not going so well. It will also look at issues that the boomers will face as they begin to require support services and changing housing needs due to aging and dementia-related issues. Motorcycle - Basic Rider 1

42-816-400

This 16-hour course is approved by the DOT and designed to teach the beginner or experienced rider the safe techniques to riding a motorcycle. It consists of 6 hours of classroom and 10 hours of on-cycle instruction. After successful completion of this class you would receive a waiver to take to the DMV that may waive you from taking the road test in order to obtain your motorcycle endorsement. Due to a new curriculum set by the State of Wisconsin and MSF, you are now required to take an online course prior to the start of class. The cost of this course is \$19.99 (not included in WITC course cost). You can register for this course at msf-usa.org/students.aspx. After you complete the online course, please make sure to print your completion certificate to bring to class on the first day (or provide a copy of the certificate to WITC within 5-7 days of completing the motorcycle safety course). Failure to complete the online course within the 5-7 days of completing this course will result in failure of WITC's motorcycle course and no refund will be given. It is strongly recommended that you take the eCourse before you start this course as you will learn valuable information that will help you with the range portion of our class. Students are expected to have some basic understanding that is provided through the online course.

Nondiscrimination Notice

WITC is an equal opportunity employer/educator functioning under the affirmative action plan. The Wisconsin Indianhead Technical College District does not discriminate on the basis of race, color, national origin, sex, disability or other applicable legislated categories, in its services, employment programs, and/or its educational programs and activities, including but not limited to admissions, treatment, and access. The following person has been designated to handle inquiries regarding the nondiscrimination policies: Amanda Gohde, Director, Human Resources, Equal Opportunity/Access & Affirmative Action Officer, 505 Pine Ridge Drive, Shell Lake WI 54871, 715.468.2815 ext. 2240, Amanda.Gohde@witc.edu. Program information or assistance regarding requests for reasonable accommodation under the Americans With Disabilities Act can be obtained from the College Affirmative Action Office.

Accommodations for Persons With Disabilities

Reasonable accommodations for persons with disabilities will be made to ensure access to academic programs, activities, services and employment in accordance with 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act of 1990 and the Americans with Disabilities Act (ADA) Amendments Act of 2008. If accommodations are needed, the student should contact the campus Accommodations Specialist or Amanda Gohde, Director, Human Resources, Equal Opportunity/Access & Affirmative Action Officer, at 715.468.2240, 30 days in advance of needed assistance.

Senior Fees

WITC has implemented a waiver for students ages 62 plus. This waiver is for personal enrichment courses only (the catalog number begins with 60) and provides up to a 40% discount. (Amount varies based on material fees.) Student's age must be 62 plus at the start of the term (6/1 for summer, 8/26 for fall and 12/23 for spring). Students ages 62 plus who are enrolled in professional courses (catalog number begins with 42 or 47) are still exempt from program fees under State Statute 38.24 (1)(b) and only required to pay material fees, which is approximately \$4.50 for many courses.
