

CONTRACTED INSURANCE / REGIONAL & NATIONAL PAYERS

4th Quarter

As a courtesy to all our patients, Premier Lab Solutions will submit claims to both contracted and out of network insurance companies. In order to bill services correctly and in a timely manner, complete patient and insurance information must be included on the test requisitions including: patient full name, address, gender, DOB, insurance policy ID/group number, billing address, physician notes and complete ICD-10 codes.

The above list of contracted insurance carriers is provided by Premier Lab Solutions and contains our most commonly billed insurance carriers, which is subject to change at any time, for any reason and is not all-inclusive. Although Premier Lab Solutions has made every effort to ensure the content of this list is accurate and complete, Premier Lab Solutions cannot be responsible for the accuracy of the information contained herein. It is the patient's responsibility to confirm benefits prior to lab services performed by contacting their insurance carrier directly. For additional information, please call the customer service number listed on patient's insurance card.

CONTRACTED INSURANCE / REGIONAL & NATIONAL PAYERS

4th Quarter

As a courtesy to all our patients, Premier Lab Solutions will submit claims to both contracted and out of network insurance companies. In order to bill services correctly and in a timely manner, complete patient and insurance information must be included on the test requisitions including: patient full name, address, gender, DOB, insurance policy ID/group number, billing address, physician notes and complete ICD-10 codes.

The above list of contracted insurance carriers is provided by Premier Lab Solutions and contains our most commonly billed insurance carriers, which is subject to change at any time, for any reason and is not all-inclusive. Although Premier Lab Solutions has made every effort to ensure the content of this list is accurate and complete, Premier Lab Solutions cannot be responsible for the accuracy of the information contained herein. It is the patient's responsibility to confirm benefits prior to lab services performed by contacting their insurance carrier directly. For additional information, please call the customer service number listed on patient's insurance card.

CONTRACTED INSURANCE / REGIONAL & NATIONAL PAYERS

4th Quarter

As a courtesy to all our patients, Premier Lab Solutions will submit claims to both contracted and out of network insurance companies. In order to bill services correctly and in a timely manner, complete patient and insurance information must be included on the test requisitions including: patient full name, address, gender, DOB, insurance policy ID/group number, billing address, physician notes and complete ICD-10 codes.

The above list of contracted insurance carriers is provided by Premier Lab Solutions and contains our most commonly billed insurance carriers, which is subject to change at any time, for any reason and is not all-inclusive. Although Premier Lab Solutions has made every effort to ensure the content of this list is accurate and complete, Premier Lab Solutions cannot be responsible for the accuracy of the information contained herein. It is the patient's responsibility to confirm benefits prior to lab services performed by contacting their insurance carrier directly. For additional information, please call the customer service number listed on patient's insurance card.

CONTRACTED INSURANCE / REGIONAL & NATIONAL PAYERS

4th Quarter

As a courtesy to all our patients, Premier Lab Solutions will submit claims to both contracted and out of network insurance companies. In order to bill services correctly and in a timely manner, complete patient and insurance information must be included on the test requisitions including: patient full name, address, gender, DOB, insurance policy ID/group number, billing address, physician notes and complete ICD-10 codes.

The above list of contracted insurance carriers is provided by Premier Lab Solutions and contains our most commonly billed insurance carriers, which is subject to change at any time, for any reason and is not all-inclusive. Although Premier Lab Solutions has made every effort to ensure the content of this list is accurate and complete, Premier Lab Solutions cannot be responsible for the accuracy of the information contained herein. It is the patient's responsibility to confirm benefits prior to lab services performed by contacting their insurance carrier directly. For additional information, please call the customer service number listed on patient's insurance card.

CONTRACTED INSURANCE / REGIONAL & NATIONAL PAYERS

4th Quarter

As a courtesy to all our patients, Premier Lab Solutions will submit claims to both contracted and out of network insurance companies. In order to bill services correctly and in a timely manner, complete patient and insurance information must be included on the test requisitions including: patient full name, address, gender, DOB, insurance policy ID/group number, billing address, physician notes and complete ICD-10 codes.

The above list of contracted insurance carriers is provided by Premier Lab Solutions and contains our most commonly billed insurance carriers, which is subject to change at any time, for any reason and is not all-inclusive. Although Premier Lab Solutions has made every effort to ensure the content of this list is accurate and complete, Premier Lab Solutions cannot be responsible for the accuracy of the information contained herein. It is the patient's responsibility to confirm benefits prior to lab services performed by contacting their insurance carrier directly. For additional information, please call the customer service number listed on patient's insurance card.

CONTRACTED INSURANCE / REGIONAL & NATIONAL PAYERS

4th Quarter

As a courtesy to all our patients, Premier Lab Solutions will submit claims to both contracted and out of network insurance companies. In order to bill services correctly and in a timely manner, complete patient and insurance information must be included on the test requisitions including: patient full name, address, gender, DOB, insurance policy ID/group number, billing address, physician notes and complete ICD-10 codes.
