Amazing grace how sweet the sound

That saved a wretch like me

C F C
I once was lost, but now I'm found

Was blind but now I see!

Tw'as grace that taught my heart to fear
And grace my fear relieved
How precious did that grace appear
The hour I first believed!

Through many dangers, toils and snares
We have already come
Tw'as grace that brought us safe thus far
And grace will lead us home!
