## FLOOR MACHINES

### Crewman™ Heavy Duty Floor Machine ▶

MODELS 17HD, 20 HD

### ◀ Foreman™ Dual Speed Floor Machines

MODELS 17DS, 20DS

Betco floor machines are engineered for easy use, rugged durability and long lasting reliability. Each model comes standard with a heavy-duty 1.5 hp motor to take on all cleaning jobs from scrubbing to stripping or carpet bonnet cleaning.

EQBETCO83013-00

### ◀ Multi-purpose Floor Machines

Strip, scrub and polish with one machine.

These durable polyethylene based Floor Machines will give you years of performance. Achieve specialized cleaning performance with either single speed or dual speed models. MODELS FM-17-SS, FM-20-SS, FM-20-DS EQNOB9007336

### Saturn™ 20LS3-BK ▶

With its all metal construction and steel planetary gear boxes, the Saturn™ can stand up to the heaviest workloads, yet the ride is surprisingly smooth and quiet. The Saturn™ is built specifically to handle the stress associated with stripping and scrubbing hard floor surfaces as well as bonnet cleaning and shampooing carpets. EQEDIC20LS3-BK

### LL316 13" Floor Machine▶

With a 13" deck, 200 rpm of muscle and a weight of only 40 pounds, the 316 is compact enough to handle just about any job, anywhere. With a profile of only 7.5", it can go places no other machine can. The handy solution tank turns the 316 into a portable cleaning system. See how easily it folds for shipping and storage. EQNAC704421

### ◀ NA20DS

With a durable metal construction and 1.5 Hp DC rectified motor, the NA20DS is a smart choice for dual speed floor machines. Operating at 175/300 RPM with a 20" cleaning path, you can strip, scrub or buff at an efficient pace. Weighing at 108 lbs, the 20DS apply weight for those tough stripping jobs.

### ◀ Saturn™ 20LS3-SS (Single Speed)

With its all metal construction, stainless steel brush cover and steel triple planetary gear boxes, the Saturn™ can stand up to the heaviest workloads, yet with our powerful 1.5 HP motor the ride is surprisingly smooth and quiet. Features like the quick and easy handle adjustment, anti-fatigue design, and our exclusive "lockout lever" for safe operation make the Saturn™ a winner in every setting. EQEDIC20LS3-SS

### Saturn™ 20DS3-SS (Dual Speed)▶

Get more bang for your buck with one machine that does the work of two! Strip, scrub, spray-buff, polish, shampoo, bonnet clean... you name it, this machine does it all! Designed for professional floor care maintenance. Use the lower speed to scrub and strip then just flip the switch to high speed and polish floors to a glossy lustre. EQEDIC20DS3-SS

## BURNISHERS

### ◀ Nacecare Burnishers

1500/2000 RPM burnisher with 1.5 Hp DC rectified motor. 20" Diameter. With a heavy duty steel construction and belt drive system, these burnishers provide a rugged and reliable solution for a wide range of floor types. Dust control option for LEED certification available.  
MODELS NA1520, NA1520DC, NA2020

### BR-2000-DC Burnisher ▶

Polish uneven floors with the BR-2000 DC high speed burnisher. The patented free-floating head contours to your surface. This burnisher also comes with standard dust control to maintain high indoor air quality.  
MODELS NA1520, NA1520DC, NA2020  
EQNOB9007349

### ◀ BR-1600-NDC Burnisher

1600 RPM durable high speed burnisher with floating handle design to increase operator comfort. Polyethylene construction gives a corrosion-proof and lightweight body.

### SpeedGleam Burnisher ▶

Choose from two drive options. Pad-assist or Self-propelled. This walk behind model allows for consistent shine on uneven surfaces and comes with standard dust control features. 2000 RPM with 20" diameter.  
EQNBSPEEDGLEAM

### ◀ Saturn™ 20HS2000-SS

Saturn™ burnishers make it simple to bring a smooth, super high-gloss luster to any hard floor surface. Watching these machines in action will make anyone a believer! With an exclusive stainless steel brush cover, the Saturn™ burnishers are as durable as they are dependable. Complete with Flexlock pad driver.  
EQEDIC20HS20000

### Crewman™ Electric High Speed Burnishers ▶

Betco high speed burnishers provide the performance needed to maintain all types of high-speed floor finishes. Precision balanced for fatigue free operation, achieve an even burnish every time!  
MODELS CREWMAN™ 1600, 2000

We have a full range of floor pads to meet your scrub, strip, polish and buffing needs.

Our floor pads are part of **Eco-Standard Solutions**

Responsible products. Better for health, better for the future

- ✓ 100% Recycled Fiber
- ✓ Phenol-formaldehyde FREE
- ✓ In-house water treated
- ✓ Recycled Material in packaging
- ✓ Produced under EPA approved Clean Air Permit

## PROPANE BURNISHERS

### ◀ Optima QT Propane Burnishers

The industry standard for quality, Betco propane burnishers deliver the high performance needed to maintain high speed floor finishes in large area applications. Built with a powerful Kawasaki Engine, Catalytic Muffler and Powder Coated Cast Aluminium Deck. 27" Model includes dust control.  
 EQBETCO88053 (QT PB21 K17HP)  
 EQBETCO88056 (QT PB24 K17HP)  
 EQBETCO88059 (QT PB27 K17HP)

### Big Bertha™ ▶

Betco provides the most productive stripping machines available today. Built with a tough steel frame and a reliable 603cc Kawasaki V-Twin engine, this propane powered machine provides the performance and durability required to quickly handle large areas and excessive finish build ups.  
 EQBETCO12327-00

### ◀ Onyx Black Diamond 21" Onyx Black Diamond 27" ▶

Onyx Black Diamond UHS Burnishers produce a superior wet look shine, fast and easy, on all hard floor surface types. They increase productivity, lower maintenance and labour costs, and create a safe, slip resistant floor surface.  
 EQONYXS1ZBCNEOOO  
 EQONYXS7ZBCHYOO

### ◀ Onyx Rejuve 21/27

The key to the ReJuve System is to mechanically hone and polish floors in 4-5 simple, easy steps using specialized propane powered machines and diamond abrasives. The result is a floor that requires less frequent maintenance, yet has high gloss and is slip resistant.  
 EQONYXS1ZBCREYSO

These Diamonds are your new best friend.

Now that you have your perfect polishing machine, get the right bling that will have you floored with sparkling results.

If you can think of any more diamond puns, tweet them to us @CorpChem

## SPECIALTY MACHINES

### ◀ Rabbit-3

A multipurpose floor machine with optional accessories to complete any floor polish, strip or clean job. Dual speed with 200 and 300 rpm modes and a soft start 1.5hp rectified DC motor. Optional solution tank and splash guard also available.

### Scrubjay ▲

If you need to clean or strip those tough to get to baseboards, the Scrubjay accessory is the tool you need. Available in 3" and 4" thickness and combinable to clean baseboards up to 8" high.

### Speed-SQ 14 ▶

This Orbital Floor Machine give you Chemical-Free floor finish removal in a small package. Reach tight and confined areas easily with compact designs. Rectangular scrub head reaches into corners and hard-to-reach areas easily for even floor finish removal across the entire cleaning path.

### ◀ Pacific Mini-Edger

Clean the edges, corners and base-boards due to its vertical and horizontal agitation and rotate the unit to clean grout lines too. The VM-ME gives focused down pressure and is easy and comfortable to use with pistol grip and adjustable handle. Great on hard floors, carpets, stairs, elevator tracks and more!  
EQPACME-6

### OnFloor 16 ▶

The Onfloor® 16 multi-surface machine is designed for resurfacing concrete floors, restoring or preparing wood decks and hardwood floors. Unique belt drive, three-head system is designed for smooth operation with superior results. Patented counter-rotating head; lines make this machine easy to operate and control with no sliding.  
EQONFLOOR468169

## AUTO SCRUBBERS MINI

### ◀ Genesys 15

The all new and better way to clean. With a closed loop solution design, the Genesys ensures that only clean water is applied to the surface while dirt and contaminants are extracted by a high power vacuum motor. The Genesys extends its versatility by allowing carpet, upholstery and vertical surface cleaning with optional cleaning tools. A 4-in-1 experience.

### Genie™ B 14" Auto Scrubber ▶

Goes anywhere a mop and bucket can go - Betco's Genie™ B brings the benefits of automatic scrubbing to small and congested areas that are hard to clean with traditional equipment. Battery operated and compact, this machine can virtually replace the mop and bucket to provide more effective and efficient cleaning in an endless variety of environments. The standard nylon cleaning brush transitions from smooth to textured floors making it perfect for schools, hospitals, retail or any institution that wants a better clean!  
EQBETCO83039-00

### ◀ TTB516

With 45-60 minutes of run time an interchangeable battery pack and 5-gallon solution capacity, the TTB 516 is the complete replacement for a mop and bucket system for so many reasons.

## AUTO SCRUBBERS WALK BEHIND

### Speed Scrub 17-20

Battery operated walk behind scrubber.

Available with 17 or 20" cleaning path options, these top of the line scrubbers produce exceptional results thanks to a powerful scrub motor and exceptional down pressure. EQNOB9003063

### Speed Scrub 24-32

Battery operated walk behind scrubber.

Available with 24, 28 and 32" cleaning path options. Optional sealed batteries provide up to 4 hours of run time and eliminate hazardous leaking in your environment. Made from durable polyethylene roto-molded body with efficient squeegee design gives complete solution recovery, even on 180 degree turns. EQNOB9002587  
EQNOB9002589  
EQNOB9002591

### Stealth ASD20BT

Low Noise Walk Behind Scrubber

Stealth™ ASD20BT 20" Automatic Scrubber with Traction Drive features the new innovative design with the Stealth™ Noise Reduction Technology, it's 4 times quieter than other standard automatic scrubbers. This automatic scrubber features an 11 gallon solution and 13 gallon recovery tanks with 20" single disk scrub. EQBETCO87028-00

### FOREMAN™ AS32HD

Heavy Duty Automatic Scrubber.

Available with 26 and 32" cleaning path options. Perfect for markets ranging from industrial to building service contractors and education, Betco's Foreman heavy duty automatic scrubbers are built rugged for heavy use in tough environments.

**EQUIPMENT**

## AUTO SCRUBBERS RIDER

### Crewman™ AS20B ▶

20" Automatic Scrubber w/ Brush Assist

Crewman™ AS20B features a 9 gallon solution tank and 11 gallon recovery tank with a 20" single disk scrub head. Other standard features include a rugged weighted squeegee assembly which removes water and helps reduce slip and fall injuries, and user friendly controls. A pad driver, battery pack, and charger are included.  
EQBETCOE8526300

### Stealth™ DRS21BT Microrider ▶

Efficient and affordable rider auto scrubber.

From the pioneers in Stealth™ cleaning technology, Betco's latest innovation lowers cleaning costs by 36% and delivers the quietest machine ever! Capable of operating at only 54 dBA, the Stealth MicroRider makes day cleaning a reality, only faster and more cost effective than ever before. This machine has the same footprint as a walk behind allowing for easy storage.  
EQBETCO29961

### ◀ Speed Scrub Orbital Scrubber

Chemical Free Floor Scrubber

Reach tight and confined areas easily with compact designs. Rectangular scrub head reaches into corners and hard-to-reach areas easily for even floor finish removal across the entire cleaning path. Chemical-free floor finish removal alternative for VCT floors with the quality and reliability you expect from Nobles.

### ◀ Stealth™ DRS24BT

Low Noise Automatic Rider Scrubber

Betco's Stealth™ DRS24BT Automatic Rider Scrubber with Traction Drive features our exclusive Noise Reduction Technology. It's 4x quieter than standard automatic rider scrubbers. The Stealth™ DRS24BT has a 20 gallon solution tank, 25 gallon recovery tank, and 24" single disk scrub.

### TTB1117/ TTB1120 ▶

Adjustable Walk Behind Automatic Scrubber

With 11-gallon solution and recovery tanks, this 17"/20" battery walk behind scrubber is compact and so easy to use anyone can operate it. Featuring a fully adjustable handle provides proper ergonomics for any operator and a semi-parabolic tear-away squeegee with Linatex blades pivots from side to side providing excellent water recovery on turns.

### ◀ TTV5565

Traction Drive Automatic Scrubber

The TTV5565 offers 22-26" cleaning path without the need for tools. The large 22 gallon tanks allow for large capacity jobs and to cover that area, speeds up to 4.3 mph. Featuring tear away squeegees with quick release for easy cleaning and maintenance free gel batteries, the TTV5565 is easy to maintain on all fronts.

### Speed Scrub Rider ▶

Automatic Rider Scrubber

Powerful ride on scrubber cleans a variety of surface grades up to a 4 degree incline. Available in 26 or 32" cleaning paths. Manoeuvres easily through doors and into elevators and provides up to 4.5 hours of run time.  
EQNOB9002587  
EQNOB9002591

Put your business on the cutting edge of clean

**Gain a competitive advantage through innovative and sustainable cleaning technologies**

Tennant Company's exclusive technologies allow you to increase performance, lower costs and clean more sustainably than ever before.

- **READY SPACE** rapid-drying technology cleans carpets in 30 minutes or less, opening spaces to foot traffic quickly, and improves carpet appearance.
- **ecH2O** scrubbing system uses electrolyzed water to produce clean floors without chemicals for cleaner, safer surfaces.

For more about these exclusive technologies, visit [www.nobles.com](http://www.nobles.com).

## EXTRACTORS

### ◀ Bravo™

Box extractor

Compact size and manoeuvrability make the Bravo™ ideal for spotting and quick cleaning of small carpeted areas, upholstery and auto interiors.  
EQEDIC219BH

### Galaxy™ 5 ▶

5-Gallon Extractor

The Galaxy 5™ is an obvious choice for auto detailing and those jobs where a small yet powerful unit makes more sense.  
EQEDIC500BX

### ◀ Galaxy™ 2000

12-Gallon Extractor

Galaxy™ carpet extractors set a high standard for durability and performance. A molded in graphic and "granite finish" projects an image of professionalism. The Galaxy 2000SX offers portability and maneuverability, while still offering the power needed to meet the demands of the working professional.

MODELS SX, SX-HR, IX-HR  
EQEDIC2000WX0-HR

### Galaxy Pro™ 2700 ▶

High Capacity Extractor

This is the big brother to our popular Galaxy™ series with a large 17-gallon capacity housed within an extremely portable unit that's affordably priced. Versatility is the name of the game with the heat-ready system.

MODELS IX-HR, FX-HR  
EQEDIC2700FX

### ◀ EX-Spot-2

Portable extractor

Ideal for spot cleaning anywhere. Lightweight carpet extractor for small cleaning jobs on carpet, upholstery, auto detailing, and many other applications

EQNOB9007504

## EQUIPMENT

### EX-SC-412 ▶

#### Deep Cleaning Extractor

Simple cleaning with one button operation. Lightweight and folding handle makes this model ideal for moving in and out of vehicles. Simple lift off tank makes filling and emptying a breeze.  
EQNOB9007478

### ◀ Speed-EX

#### Carpet Extractor

Provides powerful cleaning for small spaces. Deep clean tough carpet soils in just one pass thanks to double-tuft brush and powerful extraction system. With ergonomic design and adjustable handle, the Speed-EX makes bigger jobs easier.  
EQNOB9004201

### Bissell BG10 ▶

#### Upright Commercial Deep Cleaner

Found in many retail rental applications, the Bissell BG10 is an easy to use and durable carpet extractor with a two-tank system. This is a top choice for a small yet full experience carpet extractor.  
EQBISSELLBG10

### ◀ FiveStar™ 401TR

#### Compact Carpet Extractor

The amazing FiveStar™ is a small, self-contained unit with powerful brush agitation to clean carpets. Small enough to clean tight spaces and corners, yet powerful enough to perform well in any commercial setting.  
EQBISSELLBG10

### Polaris™ 701PS ▶

#### Self Contained Extractor

Patented 4-wheel design combined with lightweight construction allow easy transportation and unparalleled balance and maneuverability. Lift off recovery bucket design and patented self-adjusting and self-leveling brush for consistent cleaning on all carpet types. Fully adjustable handle for greater operator comfort.  
EQED701PS

# READY SPACE®

More than clean, it's ReadySpace®

Rapid-drying technology cleans carpets and has them ready in 30 minutes or less, opening spaces to foot traffic quickly, and improves carpet appearance. All Strive equipment is packed with this cutting edge technology. With Strive, you will increase performance, lower costs and clean more sustainable than ever before.

### ◀ Strive Compact

#### 2 Direction Carpet Extractor

Increase productivity in small areas with the Strive Compact. This extract cleans effectively and quickly with ReadySpace© Technology. Allowing for fast dry times. Wand and hand tools optional for hard-to-reach areas.  
EQNOB9004202

### Strive Dual Technology ▶

#### Walk Behind Extractor

The Nobles Strive Dual Technology Carpet Extractor cleans large carpeted spaces quickly and easily. It's a single machine to do interim and deep carpet extraction. With dual counter-rotating roller/ brushes, the Strive cleans more completely by lifting carpet pile. Wide 22" cleaning path to cover large areas quickly.

### ◀ Strive Rider

#### 2 Direction Rider Carpet Extractor

Increase productivity in large areas with the Strive Rider. This extract cleans effectively and quickly with ReadySpace© Technology. Allowing for fast dry times. 30 minutes or less.

## VACUUMS

### V-DMU-14

#### Dual Motor Upright

- LEED qualifying with noise levels lower than 70 dBA
- Standard HEPA 3-stage filtration, which can improve indoor air quality
- Maximum versatility that cleans multiple surfaces at the flip of a switch

EQNOB1068027

### V-SMU-14

#### Single Motor Upright

- 30% longer wand reach than competition, for easy cleaning in hard-to-reach areas
- Standard HEPA filter, which can improve indoor air quality
- Automatic, self-adjusting brush height for a customized cleaning experience on a variety of floor surfaces

EQNOB10608299

### V-HDU-14

#### Heavy Duty Upright

- Ergonomic handle and spring-assisted design offers lighter handle weight for increased operator comfort
- Vacuum filter can improve indoor air quality cleaning down to .1 micron at 99.9% efficiency
- Low profile capabilities allow vacuum to lay flat to clean under furniture and in hard-to-reach areas

EQED701PS

### V-WA-26

#### Wide Area Upright

- Powerful dual-motor system agitates and lifts debris to clean deep into the carpet
- Clean air exhaust filter traps dust and can improve indoor air quality during machine operation for a healthier, safer facility
- Rotomold exterior ensures durability and years of use in high use, commercial applications

EQED701PS

### M1028Z/M1058Z

#### Metal Body Upright

- Durable all-metal construction. Powerful 10 amp, direct air motor with double row ball bearing brush with stiffener for deep down cleaning power. Infinite screw-adjustment height settings for all types of carpet. 14"/18" cleaning paths available.

EQROYAL1028Z, EQROYAL1058Z

### CR50005

#### Widepath Upright

- Lightweight, ABS Construction, weighs 15 lbs! Powerful 12 amp motor with two brush agitator. 15" cleaning path with edge cleaning cleans more area in less time. On-Board tools include combination dusting/brush/furniture nozzle and crevice tool.

EQROYALCR50005

### MRY6500

#### Light Weight Upright

- Lightweight Construction with Metal Handle – weighs only 9 lbs! Energy efficient 4.0 amp motor with double row brush roll. Automatic height adjustment for all types of carpet. 12" cleaning path with edge cleaning.

EQROYALMRY6500

LEED Certified

HD Heavy Duty

Best Rating

Better Rating

Good Rating

### V-LWU-13

#### Light Weight Upright

- Decrease operator fatigue with a light-weight vacuum that is up to two times lighter than traditional uprights
- Vacuum a variety of floor surfaces quickly and efficiently with flexible settings.

EQNOB1068028

### ProForce® 1200XP HEPA

#### Dual Motor Upright

- Includes: 50 ft. 18 gauge safety-yellow power cord, electronic system performance indicator, HEPA filter exhaust, quick release cord dump, ergonomic padded handle grip with conveniently mounted 3-way power switch and on-board detail tools.

EQPROFORCE1200XP

### Proforce® 1500 HEPA

#### Dual Motor Upright

- Organically treated Intercept Micro Filters, along with our Four Level Filtration system and HEPA Filters, are up to 99.97% efficient at capturing dust mites, pollen, bacteria and other particulates measuring 0.3 micron and larger.

EQPROFORCE1500

### Proforce® 1500XP HEPA

#### Dual Motor Upright

- Recently upgraded to HEPA Level Filtration that capture and contain 99.97% of particulate down to .3 microns.

EQPROFORCE1500XP

### HD14/ HD18

#### Single motor Upright Vacuum

- Powerful and versatile upright vacuums by Nacecare. With clever engineering, these vacuums deliver dual motor performance along with safety features that other vacuums just don't have. 14"/18" cleaning paths available.

EQNAHD14, EQNAHD18

### SC888/899

#### Quick Kleen® Upright

- This unit's easy maintenance features makes cleaning a breeze. This upright is CRI Green Label certified to provide a premium filtration level. SC889 model has a 16" cleaning path.

EQEUC4046

### SC887B

#### Dirt Cup Upright

- This unit's dirt cup system and easy maintenance features makes cleaning simple. With a 7 amp motor and Quick Kleen fan chamber, it's easy to see why this upright is one of the most popular choices for commercial cleaning tasks.

EQEUSC887B

### Ultra-Pro MC-GG523

#### Single motor Upright Vacuum

- Featuring quiet system technology, the MC-GG523 is a new commercial upright that is also ECO friendly and lightweight. HEPA filtration, tools that are conveniently on board, and decibel levels under 70 make this vacuum perfect for anyone in day cleaning.

EQPANMC-GG523

## BACK PACK VACUUMS

### Super Coach Pro 6 Backpack Vacuum

The die-cast aluminium tri-latch system assures air performance. Four Level Filtration w/HEPA captures 99.97 percent of particulates 0.3 microns or larger, including fine carbon dust from the motor, for improved IAQ. EQPRO107308

### Super Coach Pro 10 Backpack Vacuum

Ergonomic backpack design with patent pending FlexFit™ articulating harness increases range of motion, reduces fatigue, and improves productivity. New triangular shape fits closer to the body and moves with the user, reducing the chance of bumping into doorways, walls, or furniture. EQPRO107304

### GoFree™ Pro Cordless Backpack Vacuum

Organically treated Intercept Micro Filters, along with our Four Level Filtration system and HEPA Filters, are up to 99.97% efficient at capturing dust mites, pollen, bacteria and other particulates measuring 0.3 micron and larger. EQPRO107302

## CANISTER VACUUMS

### Running Vac Canister Vacuum

With the same durable construction found in all ProTeam vacuums, the RunningVac provides exceptional cleaning strength unmatched by traditional canisters. This high performance speed canister is the perfect solution for increasing productivity when a canister is needed. EQPRORUNNINGVAC

### Quiet Pro CN HEPA Low Noise Canister

The QuietPro CN HEPA vacuum with Quiet Power Technology delivers high performance where low sound levels are critical. With a filter capacity four times the size of standard uprights, the QuietPro CN HEPA provides maximum cleaning ability. EQPROQUIETPROCN

### ProVac CN Canister Vacuum

The ProVac CN meets the high demands of the foodservice industry by providing exceptional cleaning strength without belts, beater bars or brushes. A 10 qt. filter provides maximum cleaning ability and is backed with an unbeatable five-year motor warranty when purchased with the restaurant kit. EQPROCLEAN

We have all the accessories, parts and tools you need to get the job done. Many in stock or available for ordering.

Your Territory Manager will help you find the right stuff!

### Tidy-Vac® 3 Dry Canister Vacuum

The flexible Tidy-Vac® 3 Dry Canister Vacuum is the no-nonsense solution for carpeted and hard floor surfaces. With easy-to-use telescopic vacuum, 3 stage HEPA filtration and under 68dBA and on board storage for easy transportation. EQNOBTIDYVAC3

### Tidy-Vac® 6 Dry Canister Vacuum

The flexible Tidy-Vac® 6 Dry Canister Vacuum is the premium solution for carpeted and hard floor surfaces anytime, anywhere. With easy-to-use telescopic vacuum, 3 stage HEPA filtration and under 68dBA and on board storage for easy transportation. EQNOBTIDYVAC6

### PVR200 Henry Vac

The trusted and well known canister vac. With a powerful 1.6 Hp vacuum motor and 3 year warranty this powerful little guy provides excellent soil recovery. EQNRV200

## WET/DRY VACS

### CENTAUR SL-6

#### Canister Wet/Dry Vac

Their capacity is 20 liter (5 gallon) which is the right size to clean large offices. The SL-6 vacuum cleaners body is 1/4" thick polyethylene while the top is chrome plated steel. Built to withstand the most rigorous use. The result is, machines made in 1970 are still in use.

### CENTAUR Falcon

#### High Capacity Wet/Dry Vac

The most robust machines Centaur makes. Built to last for decades. 10 gallon capacity with double ball bearing motor. Available in Falcon 1 and Falcon 3 models. 770 watt and 1100 watt motors respectively.

EQCENT FAL1  
EQCENT FAL3

### V-WD

#### Wet/Dry Vacs

A wide range of high performance vacuums for wet or dry applications. 15 or 16 gallon capacities with float shut off. Wide range of optional tools and squeegees are available.

MODELS V-WD-15, V-WD-15S, V-WD-16P, V-WD-16B

## SWEEPERS

### Floor and Carpet Sweeper

#### Mechanical Sweeper

A complete commercial sweeper for hard floors and carpets. The smaller size allows for getting into tight spots with efficient 6.5" sweep path. Constructed of durable galvanized steel and tough ABS plastic. For bare floors or low pile carpets.

### M090

#### Mechanical Sweeper

Royal Commercial Sweepers are a great solution for cleaning anywhere and anytime. With their quiet rotary action, these sweepers are ideal for cleaning during the daytime and they can be used to clean any type of surface; carpets, linoleum, tile and even hardwood.

EQROYALM090

### BG23/25

#### Mechanical Sweeper

With durable nylon brush rolls the Bissell Big Green Commercial Sweepers make it easy and efficient to keep your property clean. With two different models you have choice into which works best for you.

EQBISELBG23  
EQBISELBG25

### WV900

#### Wet/Dry Vac

Rustproof and durable structural foam head. Empty quickly and conveniently into a floor drain with dump tube or use the unique "tip & pour" system. Includes a 29" front mounted squeegee kit.

EQNACEWV900

### NVQ 900H

#### High Capacity Wet/Dry Vac

Powerful 1.6HP motor for dry soil or water recovery. 110" waterlift and 114 CFM of airflow. High efficiency HEPA filter capable of 99.997% filtration at 0.3 microns

EQNACENVQ900H

### ProGuard 20

#### High Capacity Wet/Dry Vac

Power and versatility are combined with innovation. Designed for increased manoeuvrability and productivity while offering performance, filtration and durability you expect.

EQPROPROGUARD20

### Scout 3

#### Manual Push Sweeper

Clean your floors in a single pass with TwinMax Sweeping Technology. TwinMax technology is designed for sweeping multiple floor surfaces in both indoor and outdoor environments.

EQNOB611680

### Scout 3B

#### Battery Sweeper

With all the benefits of the Scout 3, this model includes a powerful 12 V battery that provides up to 2.5 hours of runtime. With a 34" cleaning path, The Scout 3B makes any large job seem small.

### Scout 5

#### Compact Battery Sweeper

The Scout 5 is well suited for indoor and outdoor cleaning on hard floors and carpeted surfaces. Battery operation and broom drive make cleaning simple anytime, anywhere.

## AIR MOVERS

**Problitz**  
Portable Air Mover  
Maximum airflow and low amp draw combine to make the ProBlitz AirMover the first choice for Carpet Cleaners and Restoration Contractors alike. With 3 fan speeds and 3 operating positions, the ProBlitz AirMover tackles every air circulation requirement with ease.  
EQPRO107132

**DRIE-AZ Ace Air mover**  
Portable Air Mover  
Highly Versatile and compact air mover that allows for six positions in usage and great for storage. Turn or tilt on non-skid rubber feet. Ideal for structural drying, carpet cleaning, ventilation and more.  
EQDRF259

**DRIE-AZ AirPath**  
Portable Air Mover  
Uniformly directs air across floor with high velocity (40 mph) airflow. With 360 degree design, the AirPath is aggressive at drying hard floors and carpets in minutes. Easily stackable and durable housing for storage.  
EQDRF377

## AIR PURIFICATION

**DRIE-AZ DrizAir 1200**  
Dehumidifier  
The DrizAir 1200 dehumidifier has all the convenient features of its larger cousins in a compact and extremely portable size. A proven favorite of water damage restoration professionals!  
EQDRF203

**DRIE-AZ DefendAir HEPA 500**  
Air Scrubber  
High efficiency air filtration and extreme versatility – all with a small footprint! The DefendAir HEPA 500 combines advanced clean air performance with the valuable features to help make the restorer's job easier. It provides variable speed control from 250 to 500 CFM, the typical airflow level demanded on restoration job.  
EQDRF284

**RML LeVoccc 200**  
Advanced Air Purification System  
Using PCO (Photocatalytic Oxidation) the LeVoccc APS is the safest way to remove harmful VOCs from your environment without emitting harmful ozone. Using a patented system of titanium dioxide and platinum coated fiber mesh, LeVoccc is much more effective and smaller and more economical than standard PCO systems.
