## A WONDERLAND ON THE WAVES

Have you ever wondered what it would be like to be on a ship where you'll feel like you've stepped onto a film set, surrounded by wonderful art and spectacular backdrops? Costa Atlantica is that ship: it's dedicated to the maestro of Italian cinema, Federico Fellini and its twelve decks all bear the name of the great director's films. Every area on this "floating cinema" is adorned with the most exquisite materials and dotted with lights, colours and incredible scenery, making it the perfect stage for cruises in the northern and southern seas, which you can admire from the sea-view balconies.

Ginger & Fred Lido

Every day on board Costa Atlantica offers you a thrilling new experience, with interiors that are designed to amaze: like **La Dolce Vita Atrium**, a sumptuous, majestic lounge with three panoramic lifts that take you up towards the dazzling glass roof, the balconies looking out over the sea and the waterfalls on the staircase in **Madama Butterfly Square**, not to mention the **Florian Café** - a perfect reproduction of the historic 18th century café in Venice. Spectacular settings where you can be the star of your own film every day.

The **art** of the grand masters on board.

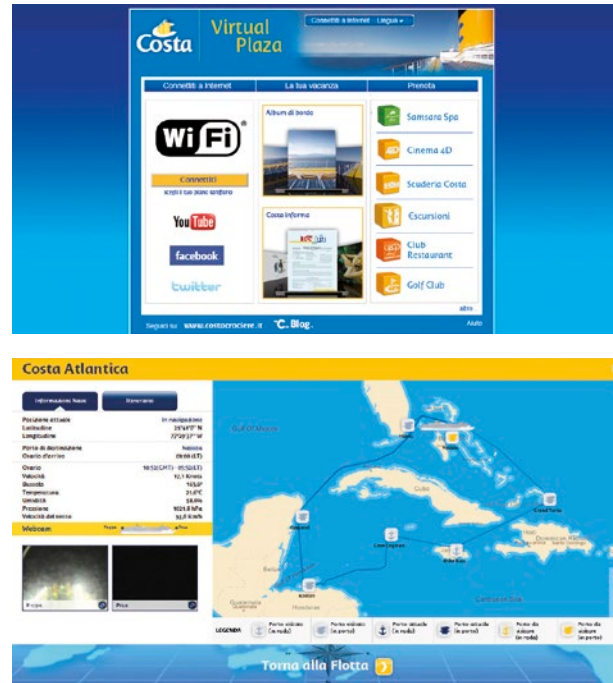

The unmistakable hand of Milo Manara decorates Costa Atlantica's interiors: his illustrations adorn the decks and tell the story of the most famous scenes from Fellini's works. On this queen of the sea, art is all around you - in the lounges, on the decks and in the public areas, with historic photographs by Tazio Secchiari, who was the first to immortalise Rome's "dolce vita" on film, and mixed media silk screen prints by Carlo Mattioli. Every lounge offers Guests something new to discover.
