Welcome to the Cox Charolais Kentucky Bluegrass Country Sale. Mitchel and his guest consignors have really put together an excellent offering this year and what a better time in the Charolais breed and in the commercial industry than today to take advantage of adding some of these females to your herd. We have never before witnessed such a strong cattle market, not only in the commercial sector, but in the Charolais purebred breed as well! Charolais bull sales are leading the way!

Take a look at some of these top end potential donor prospects! Some of these brood cows are exactly what many breeders are looking for to add to their donor programs. Many of these cows will have calves at side by sale day, so you can evaluate their udders and mothering abilities. Then look at the age of most of these females, they are young and have their whole productive lives ahead of them. The bred and open heifers are bred in the top of the breed for popular bloodlines and quality. Don't go home without adding something to your herd.

Please join all of us for dinner Friday evening with Mitchel and his wife Cindy and their family. If you have not had dinner with the Cox's, the guest consignors or myself can do to make your plans to attend this sale, please give us a call, we would be more than pleased to assist you.

Greg Hubert
