I've provided directions and loads of visuals on how to turn these printables into the party decorations and favors you see here. **Please visit my post [Create your own Princess Birthday Party for all the details.](#)**

Birthday Party Napkins, Plates, Decorations & More

If you're planning a princess party don't miss some of the amazing "extras" I found online. I've included some of the fabulous and fun Princess Birthday Party room decorations and party favors from [Birthday Express](#) that we used for our party. Your support through purchasing via my affiliate links help me to keep printables like the Princess Birthday Party Printables you see here FREE.

Even if you don't see exactly what you need below please start shopping via my links - every little bit helps. We loved the vivid colors of the tableware, room decorations, party princesses, napkins, plates and more. Birthday Express also offers a gorgeous customizable banner. I think you'll love the products from [Birthday Express](#) and I'm recommending them because they have the products my family loves and uses. Thank you!

Birthday Express also sells this super fun cardboard [coloring castle](#). It was only \$20 and led to hours of fun and play for our preschool and toddler party goers!

Napkin Ring Decorations, Cup Labels, can also be used as stickers.

Print and fold back to back - hang as a mobile from castle or crown. You can also create a ring from vine paper and cut slits in skirt to stand up.
