## WIN BIN DINNER WINNERS

Friday was the Term 2 Win Bin Dinner Winners Dinner. The Green Room prepared individually packaged lunches for each of these students to eat with our Aunty Kate. Congratulations to all Win Bin dinner winning students for your behaviour that led to this win.

## NAIDOC DAY

Last Thursday our school held a modified NAIDOC Day of cultural learning. Throughout the day in their class groups students took part in art, physical education and cooking activities. These activities taught the children about Aboriginal Cultural methods for undertaking these activities in a fun setting. Prior to lunch the student leaders led a short assembly where they outlined this year's NAIDOC theme: Healing Country. At this time Aunty Kate cut the NAIDOC cake which has been a tradition of this day for many years. Unfortunately this year she was not able to share the cake with the students due to COVID restrictions. As the photos show, this was a fun event that linked our students to the NAIDOC theme and cultural learning beautifully.

## COVID RESTRICTIONS UPDATE

Firstly, we would like to thank our families for your cooperation with the reintroduced restrictions last week. Also, it was very pleasing to see adults wearing masks when entering our school buildings and signing in. This week people who are not familiar to our office staff will be asked where they are from to ensure that people from areas in lock down do not enter our school as per updated regulations. If grandparents of people not familiar to our office staff are entering the school we ask that you inform them of this new regulation in advance. We are asking that any child who has any of the COVID symptoms is kept home and receives a COVID test. We will keep you informed as any further changes are made to the school operations via the SchoolStream app as they come through.

## P&C MEETING THIS THURSDAY EVENING

At 5:30pm this Thursday 22<sup>nd</sup> July the P&C will hold their first meeting for Term 3. At this meeting we will be discussing many events that take place in Term 3 such as the Arts and Writers Festival, the installation of the Pizza Ovens, the Centenary Dinner Dance and the Fathers' Day Stall. All are welcome to take part in these meetings.

## ICON ASSEMBLY

On Friday in Week 3 we will be holding our first Icon Assembly for 2021. We have put this off hoping that it would be a great opportunity to invite families into our school to celebrate the success of our students as they have embodied the 5Cs over the previous 2 terms. It was hoped that this would be an opportunity to start a conversation about the history of our school leading into our Centenary Celebrations. We are unsure at this point how this assembly is to be conducted but will present the students with their awards at this time provided we are learning face to face at school.

## KINDERGARTEN LIBRARY FUN

In Library lessons, Kindergarten have been reading nursery rhyme books by Tony Wilson that have a twist e.g. "The Cow Tripped Over The Moon" and "Baa Baa Blue Sheep." Kindergarten made cow masks to act out the stories. Next week we will be looking at Hickory Dickory Dash also by Tony Wilson.

## CENTENARY CELEBRATIONS

At this point we are still moving forward with plans for our Centenary Assembly and open day on Friday the 10th of September. If we continue to operate as a Tier 2 school restrictions will make an open day and community assembly impossible at this time. However, this remains our planned date at this point and we would like this celebration to be shared with as many people as is possible given the large number of people who have attended our school over the past 100 years.

## CHPS ATHLETICS CARNIVAL

The Crescent Head Public School Athletics Carnival results have all been finalised and a special Sports Assembly was held last Friday to hand out individual ribbons and age champion certificates. Congratulations to our 8 Champions.

The Macleay Athletics Carnival will be held at Kempsey on Wednesday 4th August 2021. Transport to this carnival will need to be privately arranged. Notes have been sent home with eligible students today. If students are unable to attend this carnival they need to let Mrs Munday know as soon as possible so that their events can be offered to other students. There is no cost to enter this carnival.

## PREMIER'S SPORTING CHALLENGE

This year our school has registered to participate in the **NSW Premier's Sporting Challenge**.

The purpose of the Challenge is to encourage students to participate in sport and physical activity to lead a healthy lifestyle.

Over the ten week of Term 3 our school will be monitoring physical activity levels during class time, at recess and lunch as well as during sport lessons. Physical activity outside school hours will also count towards the Challenge award. The aim is to work towards an average at least 60 minutes of activity a day for ten weeks.

We would like to invite families to support us in encouraging students' healthy use of leisure time and to experience the joy of being active together. Each student in years 3-6 will be issued with a logbook to record their daily physical activity and will be working towards an individual student award. Whilst K-2 students will work towards a Gold class-based award level.

Students completing the Challenge will receive a personalised certificate (Diamond, Gold, Silver or Bronze), signed by the Premier of New South Wales.

Physical activity is valued for its physical, social and emotional benefits. It also helps young people to develop communication skills, confidence and resilience.

## ESSENTIAL TOOL!!!

### SCHOOLSTREAM REMINDER

We wish to remind parents and carers of the importance of staying informed by adding the Schoolstream app to your device. **All updates and important information regarding CHPS activities and alerts will be sent via this app. Be sure not to miss out!!** You can find Schoolstream via the App Store or Google Play by searching for *Schoolstream* and typing in Crescent Head Public School when prompted.

Download  
our school  
app for free!

**This is an essential communication tool with our parent body and we hope many families are proactive with this reminder.**

### CRESCENT HEAD OOSH

Crescent Head OOSH operates from the Old Hall at CHPS.

Free piano lessons are available every afternoon for OOSH students. For more information or to make a booking call Tarrick on 0416 507 720.

### STUDENTS NOT TO BE ON SITE BEFORE 8.30AM

We wish to remind parents and carers that students who are not using the OOSH service at CHPS should **NOT** be at school before 8.30am. Please don't assume that because a car is in the car park that a teacher is available to supervise students prior to 8.30am as student supervision does not commence until 8.30am.

We appreciate your understanding and cooperation with this matter.

Dear parents, guardians and carers

**Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)**

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines (2019)*.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy \(https://www.education.gov.au/privacy-policy\)](https://www.education.gov.au/privacy-policy).

Further information about the NCCD can be found on the [NCCD Portal \(https://www.nccd.edu.au\)](https://www.nccd.edu.au).

If you have any questions about the NCCD, please contact the school.

Kind regards

Cameron Upcroft
