Cruze SRi Z-Series Hatch in Red Hot

REDEFINING SMALL CAR DRIVING

Vividly spirited. Technologically sophisticated.
Refreshingly uncomplicated.

The dynamic front end, vibrant body colours, alloy wheels, and mirrors with integrated turn signal lamps, are all just a hint of the sporty excitement and refinement that await you.

The new Holden Cruze – completely redefines small car driving.

Find My Car Function[#]

The standout styling already makes your Cruze easy to find. The Find My Car function activates your alarm mode and helps you to easily locate your Cruze within a busy carpark or down a dark street.

Remote Start[#]

Getting on your way quicker couldn't be easier. When activated via the sensor key your engine is raring to go. Even the climate control is turned on to its previous setting before you get in. Now that's a standout feature.

Sensor Key Technology[^]

This ultra-convenient feature enables you to unlock and lock your car or boot in an instant when you're on the go without the key leaving your bag or pocket. Once you're inside, starting your Cruze is as simple as pushing a button.

LED Turning Indicators

In addition to the eye-catching design, we've integrated turning signals into Cruze's front mirrors – to help you fully enjoy the road ahead by ensuring you are clearly seen by those around you.

CONFIDENCE AND SUBSTANCE

There's no bigger priority than your safety. Cutting no corners, you'll find many of Holden's world-class large car safety features now integrated into every Cruze model.

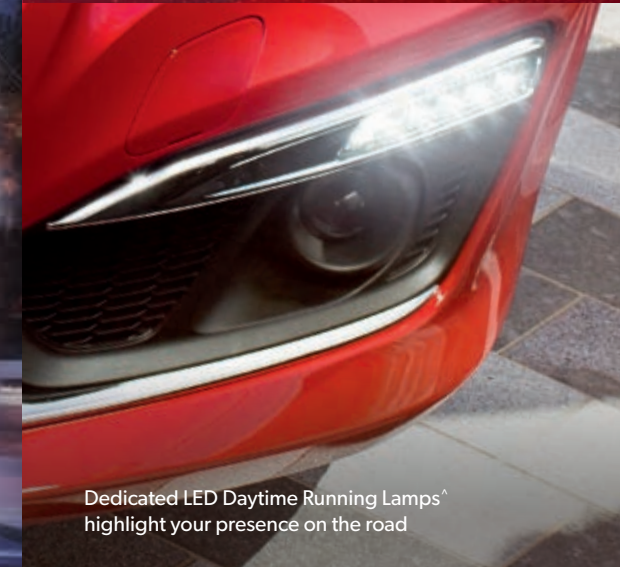

New dedicated LED Daytime Running Lamps[^] highlight Cruze's road presence and Rain-sensing Wipers[^] immediately increase visibility, giving you far more than you'd normally expect in a small car.

Achieving a 5-Star ANCAP safety rating across the range, advanced features include:

- Automatic headlights with Follow Me Home function
- Hands free Satellite Navigation and voice recognition[^]
- Find My Car function[#]
- Remote Start[#]
- World standard ISOFIX Child Seat Anchorage System
- Electronic Stability Control
- Rear View Camera[^]
- Traction Control System
- Six airbags
- Rear brake lights flash under emergency braking
- Brake Assist
- Electronic Brakeforce Distribution
- Anti-lock Braking System

Rain-sensing Wipers[^] maximise visibility in an instant

Dedicated LED Daytime Running Lamps[^] highlight your presence on the road

Rear View Camera[^] makes reversing in and out of difficult spaces much easier

ENERGISING **EVERY DRIVE**

Cruze's self-assured, independent spirit is powerfully expressed through its dynamic driving and sporty handling characteristics.

You'll experience an added connection with the road and an extra burst of excitement on every journey.

1.6L "iTi" Turbo Petrol Engine[#]

Turbo-charged, this potent powerplant makes Cruze more responsive, economical and extra exciting to drive with 132kw of power and 230Nm of torque.

1.8L Ecotec Petrol Engine

Standard on Sportwagon, Equie and Z-Series, this advanced 4-cylinder ECOTEC petrol engine produces spirited performance from low through to high revs.

Sport Mode[#]

When you select Sport Mode, the auto transmission's computer monitors high-throttle driving and hard braking, staying in lower gears to assist in acceleration and prepare for the next corner.

Sports Suspension[#]

Available on SRi Z-Series models, this high performance finely-tuned sports suspension incorporates lower profile tyres and a more responsive chassis, delivering outstanding agility and grip when cornering.

Unique 18" alloy wheels emphasise the SRi Z-Series' sporty looks

Side skirts complement the new sleek front profile perfectly^{*}

6-speed automatic transmission with Active Select adds to the driving dynamics[†]

[#] SRi Z-Series only [†] Standard on Sportwagon models and optional on Equie, Z-Series and SRi Z-Series
