Retail Price means manufacturer's suggested retail price and as used herein is for illustration purposes only and to assist a dealer in understanding available programs. Dealers are free to set their own advertised and resale prices, and the reference to Retail Price shall not constitute an agreement or understanding between Cub Cadet and any individual or entity to set resale prices. The Price Schedule published in the Current Year Price Schedule library on the Dealer Community is a resource to assist a dealer in understanding available products and the corresponding Retail Price. Cub Cadet reserves the right to modify the Price Schedule. By making the Price Schedule available in a format that can be modified, Cub Cadet's offer to sell products is limited to the prices reflected on the applicable version of the Price Schedule maintained by Cub Cadet. * The cost of any product shipped in a WMP Returnable Crate will include an additional \$10. The cost of the WMP Returnable Crate will be included in the product's final invoiced price, but excluded from the calculation of Simplified Gross Margin. The \$10 will be used to offset the additional factory costs, including return freight, cleaning, maintenance and repair costs.
