

CUPRA FORMENTOR

WHEN SOMETHING
IS HARD TO ACHIEVE,
THEY'LL QUESTION
YOU AND TELL YOU
TO QUIT. BUT YOU'LL
ANSWER THEM WITH
THE BEST VERSION
OF YOURSELF.

IN OUR CASE, THE NEW
CUPRA FORMENTOR,
WITH ITS 310 HP
ENGINE AND
EXCLUSIVE DESIGN.
EVEN THOSE WHO
DON'T UNDERSTAND
IT, SOON WILL.

CUPRA FORMENTOR

*Pure CUPRA. Unique and progressive.
An exclusive, contemporary vision of
sportiness expertly instilled into an
innovative, exquisitely sleek, bold design.
True modernity and complete enjoyment.*

*Our first bespoke CUPRA model – with our
high-performance values at the very core.*

THE COURAGEOUS PATH

All the optimum specs you would expect from a CUPRA. With a powerful 310hp engine: enabling up to 250kph and going 0-100 in just 4.9 seconds.

PRIME PERFORMANCE

Experience a supremely smoother ride with independent McPherson suspension in the front and a multilink axle to the rear. Plus, 4Drive technology, a 7-speed direct shift gearbox and ventilated disc brakes for complete stopping power.

MODERNITY EMBODIED

An exquisitely, progressive design. With dynamically bold sculpting and a sumptuous rear spoiler. Featuring an integrated infinite light to the rear: accentuating the CUPRA Formentor's sporting prowess.

TOP CLASS. FRONT END

Exquisite forward-facing design with a softened front and enlarged air intakes for increased horsepower. Propelled by 19" copper wheels to give a majestic CUPRA exclusive look with the accompanying Brembo brakes.

COMPLETE SUPPORT

High-performance ready bucket seats give you optimum lateral support. Created using the finest materials and inspired by high performance racing, so you can embrace sharp corners and tackle the road while fully bolstered and safely secure.

DESIGNED TO PLEASE

Everything you need, right at your fingertips. A huge 12" infotainment screen with an integrated navigation system. And a customisable 10.25" Digital Cockpit so you have all the information you need in your line of vision. User-focussed design augmented by finely crafted, high-quality details like the Nappa leather dashboard: giving you a seamlessly superior experience.

FINER DETAILS

Meticulous quality throughout. Unique CUPRA class Petrol Blue Leather upholstery and copper stitching. With matching exclusive copper detailing along the Formentor's air vents.

BOUNDLESS LIGHT

GENUINE PETROL BLUE LEATHER BUCKET SEATS

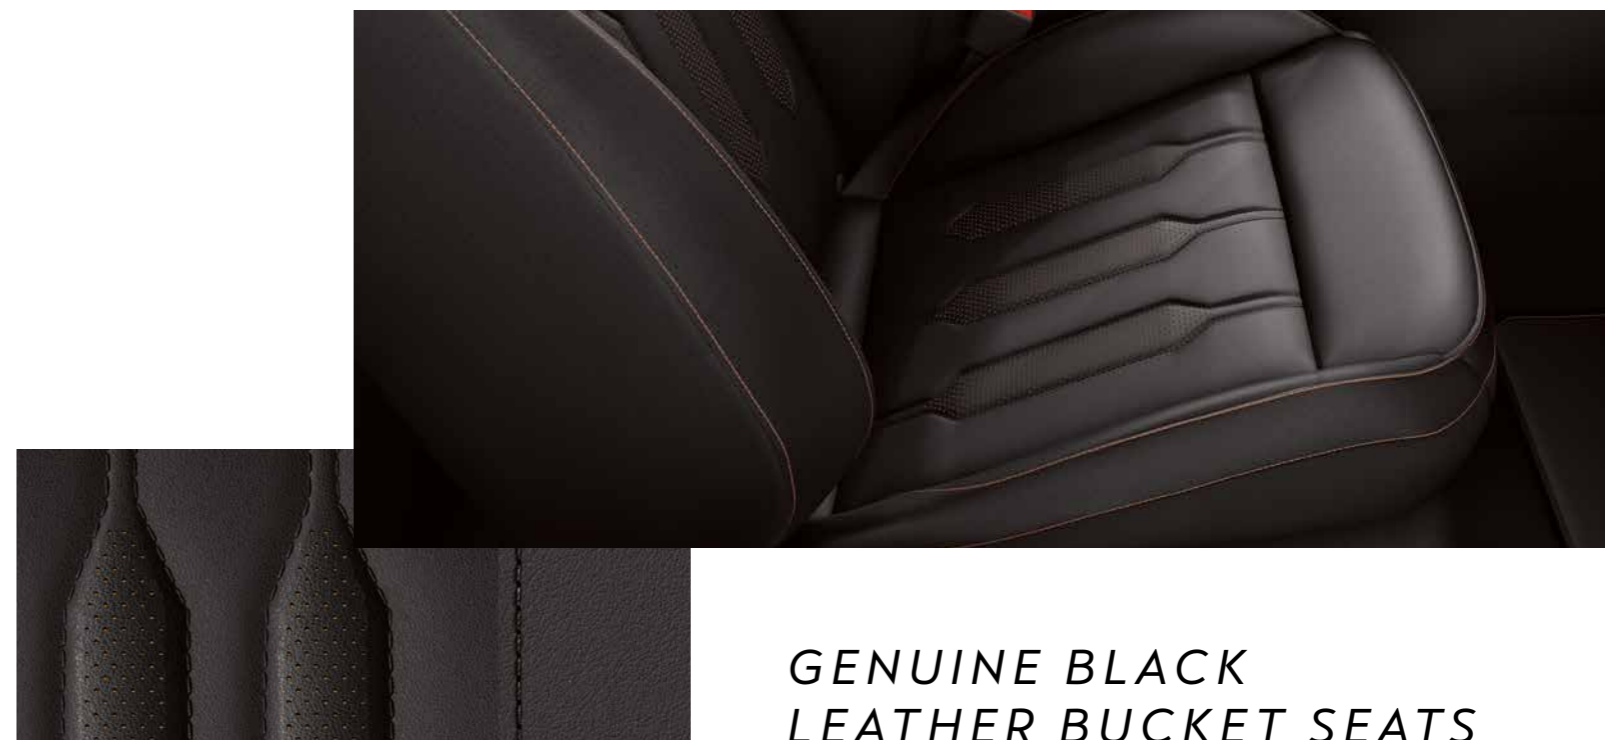

*Complete tactile quality and support.
The genuine leather bucket seats in Petrol
blue with exclusive copper stitching,
boost driving pleasure and augment the
Formentor's contemporary aesthetic.*

TEXTILE SPORT SEATS

GENUINE BLACK LEATHER BUCKET SEATS

REMOTE ACCESS

Control, track and access the CUPRA Formentor remotely via your computer or mobile app. So, you can stay up to date on driving data and stats from anywhere.

SAFETY AND SERVICE

Always by your side. In the unlikely event of an accident, just a simple touch of a button will put you automatically in contact with local emergency services.

CUPRA CONNECT

Online infotainment. Always well informed: access real-time traffic updates and directions while seamlessly connecting to your smartphone to utilise apps and listen to music services on the move

SEAMLESS INTEGRATION

Place your phone in the Connectivity Box to sync, charge and play music wirelessly via the premium BeatsAudio system.

WORRY-FREE PARKING

The CUPRA Formentor makes straightening up a stress-free process. With advanced functions like Park Assist, simply select a space and let your car guide you in autonomously.

LIVE TRAFFIC UPDATES

Navigational modification. If you run into traffic en route, your CUPRA Formentor will adjust accordingly to find a suitable alternative in real-time.

CLIMATRONIC

Total passenger-pleasing temperature control in 3 distinct parts of your CUPRA. With AirCare you can also regulate and filter airflow for cleaner air.

FRONT ASSIST

Front Assist helps to prevent collisions by stopping automatically: so, when autonomously cruising with ACC Predictive, the Formentor keeps to your limit and will even stop should your reactions falter.

SIDE ASSIST

Overtaking and changing lanes does not have to mean straining your neck. If anything enters your blind spot, Side Assist warns you with a visual cue.

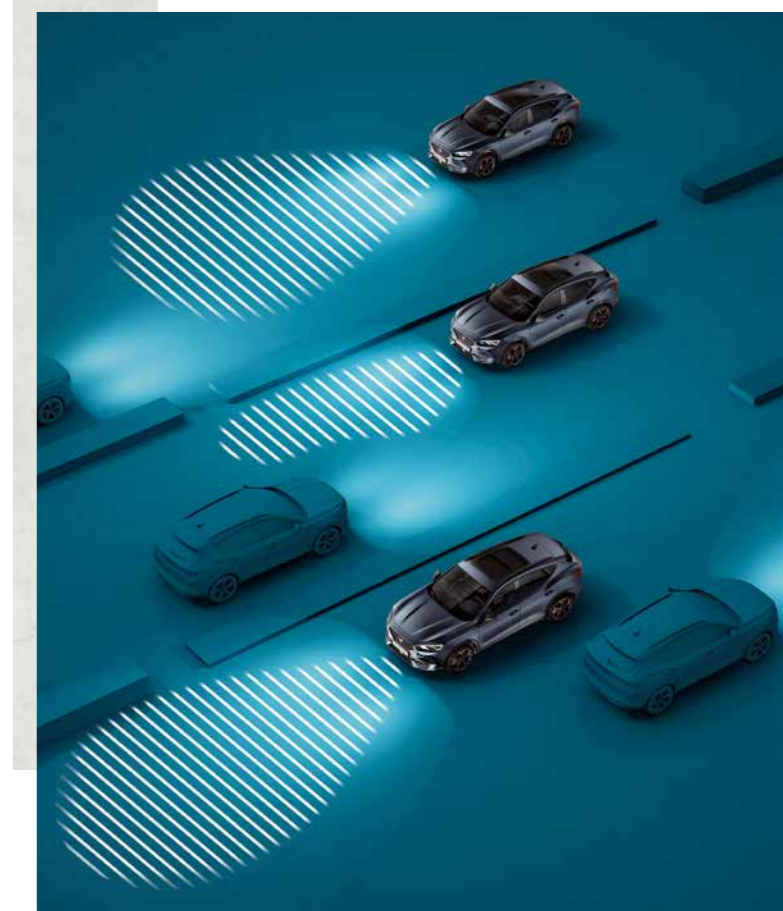

TRAVEL ASSIST

Fully on track. Travel Assist automatically keeps you in the right lane, using sensors to predict curves in the road and correct course autonomously.

HIGH BEAM ASSIST

The CUPRA Formentor is equipped with a windscreen camera to detect traffic around you and will automatically switch from main beam to avoid dazzling oncoming traffic.
