GREETINGS SHOOTERS!

Welcome to the 67th annual Camas Prairie Handicap Championships hosted by the CPTA Board of Directors and Walla Walla Gun Club. All of us understand full well that the COVID-19 pandemic will still influence our lives through much of 2021. We will closely monitor the guidance requirements as the shoot moves closer, and do everything possible to keep everyone safe.

We have carried forward all the sponsorships, guaranteed and added money, and outstanding trophy package for the 2021 championships. Our association continues to grow with additional clubs admitted. This year we welcome LaGrande, OR Gun Club and Weiser, ID Trap and Skeet Club.

Please use the *Presquad.com* process to pre-squad for the event this year. Remember that RV reservations need to be made starting January 1st (see page 6). It is important to get RV reservations early as they fill up quickly.

Please support your local clubs, participate in the CPTA league and other events they host, and help when and where you can. I look forward to seeing everyone at the Camas Prairie Handicap Championships in Walla Walla this March. If you have questions, suggestions, ideas, or concerns please contact me at jadams@eotnet.net.

**2021 CAMAS PRAIRIE SHOOTERS...
WELCOME BACK TO
WALLA WALLA GUN CLUB!**

Walla Walla Gun Club is pleased to welcome you again to the 67th Annual Camas Prairie Handicap. This is the 13th year that WWGC has hosted this great shooting event. On behalf of all of us at WWGC, we really appreciate the great work of CPTA President John Adams, VP Spud Storey, Secretary-Treasurer Shannon

Olsen, and many others to make this shoot bigger and better each year.

Speaking of which, the “Camas Prairie” was the biggest trap shoot in the entire Pacific Northwest in 2019. We welcomed 325 shooters to this shoot last year, by far the biggest turnout we’ve had since moving the shoot here.

Thanks to you, this shoot is growing every year! And by the way, you may have already noticed that we are doing this program in full color this year! It’s another way to say thank you to the shooters who make this event what it is.

We have our great kitchen crew back again. Lisa Uptain and her family have done a fantastic job here for many Camases,

Please let me know how we can make your trip and your experience more enjoyable. See you once again at WWGC!

HISTORY OF THE CAMAS PRAIRIE TRAPSHOOTING ASSOCIATION

by MIKE HALLISEY
Past President CPTA

The Camas Prairie Trapshooting Association was dreamed up in the fall of 1953. Willard Smith of Craigmont is generally regarded as the originator of the idea of having seven small clubs become binding and competing against one another in a group to be called the Camas Prairie Trapshooting Association.

The seven small clubs who formed the original association were Winchester, Culdesac, Orofino, Cottonwood, Grangeville, Kamiah and Nezperce. Because each of the clubs was comprised of half a dozen or so veteran shooters, it was recognized that new blood and encouragement was necessary. Various means to this end were kicked around and it was the feeling of Smith and others that if the opportunity to win trophies was the theme, then perhaps this would provide the necessary inducement for them to join the fold. It is interesting to note that over the years almost every one of the original members of the CPTA is still active in some way. In 1960, Riggins was also admitted.

The annual shoot-offs grew in popularity, and so it was that Troy-Deary, Pomeroy, Colton, Pullman, St. Maries, Garfield, Pierce, Potlatch and Lewiston, who divided into Ranger, Shurshots, Victors and Experts, asked to be admitted and were welcomed into the present association. In 1984 Coeur d'Alene and Endicott were added to the association. In 1986, Coeur d'Alene and Salmon River were dropped for non-participation and Hauser Lake was added. In 1987 Whitebird Gun Club was admitted. The annual shoot-off became so popular that it was one of the largest shoots held in the Northwest and Lewiston Gun Club had the only facility adequate to accommodate the large number of shooters wishing to attend.

We are proud of the accomplishment, and it's easy to think back over the years and remember our first shoot-off when six or seven squads gathered for a non-registered go at the clay birds. No doubt some younger shooters would be amused if they could have seen us shooting over old, hand pulled traps located on grounds that could only be called primitive. In many cases there were only four or five trap guns in an entire club so they were shared by the whole membership. We took our turn setting birds, keeping score and pulling traps. After a whirl in the traphouse and on the end of the pipe handle used to cock and release the trap, you felt like you had spent a hard day in the salt mines.

Then, as now, there were some pretty fancy scores testifying to the fact that the old boys were tough in anybody's company, one would have thought that thousands of dollars rested on the outcome of the early contests.

Proof that the original intentions of increasing interest in shotgun shooting have been attained is also evident in the large membership and modern grounds and facilities enjoyed by all clubs in the Camas Prairie Association. To name all the people responsible for the popularity and success of the CPTA would be impossible in this small space. We are especially proud of X.E. Durant, a past president of the ATA who was chairman of the Central Handicap Committee for the ATA. Dan McKenzie of Troy has served as president of the ATA. In 1960 the CPTA was featured in *Trap & Field* magazine as a unique and noteworthy organization and focused national attention on our group.

This year, we are pleased to once more hold our shoot at one of our newer member clubs, Walla Walla Gun Club. For 13 years, Camas Prairie shooters have found Walla Walla to be a great place to hold the shoot, and to continue our more than half-century history for many more generations.
