

Curriculum Vitae
Prof Dr Gihan Almeniawy
Dean of the Faculty of Physical Therapy –
Cairo University
(from 18/9/2018 and currently)

1) PERSONAL DATA:

Name: Gihan hassan Almeniawy
Nationality: Egyptian
Marital Status: Single
Permanent Address: 57 Almanial , Cairo , Egypt
Mailing Address: 57 Almanial , Cairo , Egypt
Mobile Phone: 00201111801114
Email: Dean@pt.cu.edu.eg - ggelmeniawy@gmail.com
Fax: 00202 3761-7692

2)ACADEMIC QUALIFICATION:

2002: Ph.D in Physical Therapy, Cairo University, Egypt.

Thesis title:

" Investigation into Technique for Improving Posture of Adalescent Girls with Thoracic Kyphosis".

1996: M.Sc in Physical Therapy, Cairo University, Egypt.

Thesis title:

“The Role of Sustained Muscle Stretching on Standing Posture in Hemplegic Chidlren”.

1992: B.Sc. in Physical Therapy, Cairo University, Egypt.

3)EMPLOYMENT HISTORY:

- Dean of the Faculty of Physical Therapy- Cairo University from 18/9/2018 and currently.
- Vice-Dean of education and student affairs from May 2016 to 17/9/2018.
- Vice-Dean of Community service and environmental development affairs from 21/1/2014 to 30/4/2016.
- Professor of P.T. for musculoskeletal disorders and its surgery, Faculty of Physical Therapy, Cairo University. From 26/1/2011 and currently.
- Assistant Professor of P.T. for musculoskeletal disorders and its surgery, Faculty of Physical Therapy, Cairo University. From 27/7/2005 to 25/1/2011.
- Lecturer of P.T. for musculoskeletal disorders and its surgery, Faculty of Physical Therapy, Cairo University. From 31/5/2000 to 26/7/2005.

- Assist. Lecturer of P.T. for musculoskeletal disorders and its surgery, Faculty of Physical Therapy, Cairo University. From 31/5/1990 to 30/5/2000.
- Demonstrator of P.T. for musculoskeletal disorders and its surgery, Faculty of Physical Therapy, Cairo University. From 29/7/1985 to 30/5/1990.

4) Leadership positions:

- Dean of Faculty of Physical Therapy, Cairo University from 18/9/2018 and currently.
- Vice-Dean of education and student affairs from May 2016 to 17/9/2018.
- Vice-Dean of Community service and environmental development affairs from 21/1/2014 to 30/4/2016.

5) Administrative positions:

- Head of Alumni Unit on the local and international basis from 18/9/2018 and currently - Faculty of Physical Therapy- Cairo University.
- Vice chairman of Alumni Unit on the local and international basis from May 2016 to 17/9/2018.
- Head of Alumni Unit on the local and international basis and Chairman of the Executive Board of the Unit from October 2011 to February 2014.
- Vice chairman of Physical Therapy services and continuing education center from January 2014 to April 2016.
- Vice chairman of crises and disasters unit from January 2014 to April 2016.
- Head of the educational outpatient clinics from 16/9/2012 to 20/1/2014.
- Vice chairman of the educational out-patient clinics from 9/8/2012 to 15/9/2012.

On student affairs in Faculty / University:

- Member in education and student affairs university council from May, 2016 to 17/9/2018.
- Member in the subcommittees of the education and student affairs of the university council (review study plans) from May, 2016 to 17/9/2018.
- Chairman of the student affairs community in the faculty from May, 2016 to 17/9/2018.
- Head of the committee of election applications review (student union) for the academic year, 2009/2010.
- Member of the new students admission committee for the academic years, 2005/2006 and 2008/2009.

- Member in education and student affairs council of the faculty from 2004 to 2006 and from 2014 to April, 2016.
- Member in the educational outpatient clinic management committee of the faculty 2004 and 2005.

On Community services and environment development of the Faculty / University:

- Member in community services and environment development university council from January, 2014 to April, 2016.
- Member in community services and environment development faculty council from May, 2016 and currently.
- Chairman of the committee of community services and environment development of the faculty from January, 2014 to April, 2016.

On post graduate level:

- Member in post graduate council of the faculty from January, 2014 and currently.
- Member in the committee of the cultural relations, 2013 and 2014.
- Member of the library community, 2003/2004.

In addition to:

- Head of the executive committee of the society of Arab Faculties and Institutions of Physical Therapy (SAFIP).
- Chairman of the faculty council from September, 2018 and currently.
- Member in the faculty council in 2011, and from 2013 and currently.
- Member in the Quality Assurance Unit of the faculty from January, 2014 and currently.
- Head of the stakeholders committee related to the quality in pediatric Physical Therapy department, 2012.

- Member of Pediatric Physical Therapy Department council from September, 2002 to September, 2006 and from September, 2007 and currently.
- Member in the faculty personnel affairs committee 2006 to 2007.

6) Participation in national projects:

- National project "Giza without illiteracy" in centers and villages of Giza Governorate: Preparation of promotional convoy for literacy activity with the participation of Cairo University students. 27-30/4/2015.
- Project of establishment of the 1st "international free center for Physical Therapy and rehabilitation" which belong to Faculty of Physical Therapy. Cairo University, 6th October City:
 - Holding carnival for Cairo University students to spread the project idea. May, 2014.
 - Member in "No Disability" organization which is registered in the Ministry of Social Solidarity No. 5557, 2015 to support the project.
 - Establishment of "No disability" project in 14/6/2017 to support the project.
- Participation in "Postural Deformities Control" in collaboration with Maternity and Childhood committee for the preparatory students in Giza Governorate, March 2010.

7) Research Projects:

- Participation in research project "Registeries of Cerebral Palsied Children in Egypt" as the principle investigator. Preparation of the needed suggestions to overcome their problems.

8) Research activities:

- **Activities for Research applications in community services:**

- Vice-chairman of the first international conference for scientific research and its clinical applications in Physical Therapy under the title of "Steps Towards a Community free of disability" in 24-25/10/2015 in Cairo University.
- The First Scientific Research Forum in Cairo University, held 13-16/12/2010.
- Presenting a paper as a representative of Faculty of Physical Therapy in the Second International Conference For The Scientific Researches and its applications in Cairo University. Cairo, 17-19/12/2005.

7) Student research activities:

- Holding a competition for scientific researches among Physical Therapy faculties. Students (in governmental and private colleges) on the sidelines of the 18th international faculty conference in March 2017 (college council approval number 415, 11/4/2017)
- Supervising and follow up of the preparation to hold the first student conference for the scientific research under the title of "Research For Better Practice" which was held in September, 2017.

Research Training Courses, Research Symposiems, Group Discussions and Reseach Evaluations:

- Participation as a reviewer in the scientific journal of the Faculty of Physical Therapy. Cairo University (Bulletin of Faculty of Physical Therapy, Cairo University).
- Scientific writing training course, 2/11/2002 to 7/11/2002.
- Educational seminar under title of "Development of Cairo University Policy in managing scientific research", "Finance and awards" 5/6/2007.

- Research seminars to discuss research protocols of post graduate studies (Master – Doctorate) in the Department of Physical Therapy For Pediatrics as an internal evaluator, other scientific departments as an external evaluator since 2002 and currently.

Scientific Awards:

- Cairo University Honor as a supervisor of the best master thesis in the faculty for the academic year 2007/2008.

9) Supervising and discassing several Master and Dectorate theses in the field of Physical Therapy for pediatrics (Neuro pediatrics orthopediatrics):

- 51 Master thesis from july 2013 till December 2018.
- 9 Phd thesis from jan 2006 to Decomber 2018.

10) Scientific researches (Local and International):

- 1- Hassan Z., Ali E. and El-Meniawy G.: "Effect of Relaxing Teachnique of Kinesio Toping on Muscle Function in Infant With Congenital Musclar Torticollis", International Journal of Multidisciplinary Research and Development, Vol. 6, Issue 1, January pp 26-30,2019.
- 2- El-Meniawy G., Ayad M. and Ahmed A.: "Establish Registry of Cerebral Palsy in Minia Governerate". International Journal of Recent Advances in Multidisaplinary Research. Vol 5, Issue 4, pp 3782-3786, 2018.
- 3- Mohamed F., Gaber H. and El-Meniawy G.: "Establish Registry of Cerebral Palsy in El-Menoufia Governerate Egypt" Accepted in 24/7/208 in Medical Journal of Cairo University.
- 4- Ibrahim A., El-Meniawy G. and Thabet N.: "Underwater Exercises Versus Land based Exercises in Treatment of Erb's Palsy", Med. J. Cairo University, Vol. 84. No 2, September: 45-51, 2016.

- 5- Ramzy C., El-Meniawy G. and Thabet N.: “Comparative Study of Upper Limb Movement Pattern Between Full Term and Preterm Infants”, Med. J. Cairo University Vol. 85, January 2016.
- 6- Hussein Z., El-Meniawy G.: Accumulative Effect of Ankle Kinesio Taping on Postural Control in Children with Hemiparetic Cerebral Palsy. Bulletin of Faculty of Physical Therapy, Cisro University, Volume 20, Issue 2, Pages 154-160, 2015.
- 7- Hazzaa H., El-Meniawy G., Ahmed S. and Bedier M.: “Correlation Between Genders, Age and Flat Foot in Obese Childrens, J. of Trends in Applied Sciences Research, Vol. 10 (4): 2015.
- 8- El-Meniawy G. and Thabet N.: “Modulation of Back Geometry in Children with Spastic Diplegic Cerebral Palsy Via Hippotherapy Training” the Egyptian Journal of Medical Human Genetics, Volume 13, Issue 1, Pages 63-71, 2012.
- 9- El-Meniawy G., Kamal H. and Attia S.: “Role of Treadmill Training Versus Suspension Therapy on Balance in Children with Down Syndrome”, The Egyptian Journal of Medical Human Genetics, Volume 13, Issue 1, Pages 37-43, 2012.
- 10- El-Meniawy G.: “Influence of Ankle Kinesio Taping on Ankle Excursion and Selected Gait Parameters in Children with Hemiparesis”, Bulletin of Faculty of Physical Therapy, Cairo University, 15 (2): 2010.

- 19- El-Meniawy G., Olama k. and Kamal H.: “Topical Anesthesia versus Hand Weight Bearing on Controlling Upper Limb Spasticity in Hemiplegic Children”, Bulletin of the 2nd International Conference for Scientific Research and their Application, Cairo University, December 2005.
- 20- El-Meniawy G. and Olama k.: “Electrotherapy in Supracondylar Fracture in Children: Its Effects during Immobilization Period”, Bulletin of the 8th International Scientific Conference of Faculty of Physical Therapy, Cairo University, March 2005.
- 21- Kassem H. and El-Meniawy G.: “Selected Pulmonary Functions in Response to High Voltage Pulsed Stimulation in Adolescent Kyphosis”, Bulletin of the 8th International Scientific Conference of Faculty of Physical Therapy, Cairo University, March 2005.
- 22- El-Meniawy G. and Olama k.: “Role of Tonic Vibration Reflex on Gait of Hemiplegic Cerebral Palsied Children”, Bulletin of Faculty of Physical Therapy, Cairo University, 9 (2): 2004.

- 23- El-Meniawy G., Kassem H. and El-Zoheiry A.: “Combined Effects of Chiropractic and cryotherapy on Scoliosis in Adolescent Girls”, Bulletin of the 6th International Scientific Conference of Faculty of Physical Therapy, Cairo University, March 2003.
- 24- El-Tohamy A., Kassem H. and El-Meniawy G.: “Role of High Voltage Pulsed Galvanic Stimulation on Kyphotic Posture in Adolescent Girls”, Egyptian Journal of Alternative Treatment Vol.6: January 2003.

11) Scientific Conferences:

- 1- Participation in Physical Therapy conference "Lebanon 2018" which is held from 12 to 14/10/2018.
- 2- Chairman of session in the 18th International Scientific Physical Therapy Faculty Conference. Cairo University under the title of "The New in Physical Therapy" 16-17/3/2017.
- 3- Coordinator of Physical Therapy students team- Cairo University in the 1st Physical Therapy Faculties Students Forum under the title of "Together to reach the best" in Physical Therapy Faculty in the Modern University, Cairo, 28/2/2017.
- 4- Representative education and student affairs sector – Physical Therapy Faculty in the 8th International Alternative Therapy conference 19-20 May, 2017.
- 5- Representative of Community Service and Environment Development sector – Faculty of Physical Therapy Cairo University in the First Scientific Conference of the Faculty of Physical Therapy, 6th October University. 20-21 April, 2016.
- 6- Presentation of research in the 17th International Scientific Conference of the Faculty of Physical Therapy under the title of "Disability is energy" 10-11/3/2016.

- 7- Presentation of research, and vicechairman of the First International Scientific Conference for Scientific Research and its Clinical Applications in Physical Therapy under title of "Steps toward a community free of disability" 24-25/10/2015.
- 8- Chairman of session in the 16th International Scientific Conference of the Faculty of Physical Therapy. Cairo University unnder title "No disability"
- 9- Vicechairman of the First International Conference of the Orthosis and Prothesis unit, Faculty of Physical Therapy. Cairo University. May, 2014.
- 10- Presentation of a lecture, and coordinator of the scientific conference. of The Department of Physical Therapy for Pediatrics, 10/11/2010
- 11- Presentation of a research in the second international and the 4th scientific Conference of the Syrian Society of Physical Therapy under title of "Moving forward" Syria, 21-22/11/2009.
- 12- Participation in the first conference for the Arabian Faculties and Institutions of Physical Therapy under the title of "Continous Education and Training in Developing Physical Therapy" 17-18/12/2009.
- 13- Participation in the 12th Scientific International Conference of the Faculty of Physical Therapy. Cairo University under the title of "Physical Therapy Toward Development and Updating" 4-6 March, 2009.
- 14- Presentation of research in the scientific conference of the Department of Physical Therapy for Pediatrics under the title "Pediatric Physical Therapy within the quality system" 3/12/2008.
- 15- Participation in the 4th Regional Conference for the "Human Performance in Health and Disability" 18-19/6/2008.
- 16- Participation in the conference for the families of players with special needs under the title of "Our people" 2008 from 31 May – 1 Jun 2008.
- 17- Participation in the First International Conference for Quality Assurance and Accreditation center. Cairo University under the title "quality and accreditation between reality and ambitions" 15/4/2008.

- 18- Speaker in the 9th Conference of the Asian Sports Medicine, Rhyiadh – KSA, 19-22/11/2006.
- 19- Participation in the 9th International Scientific Conference of the Faculty of Physical Therapy - Cairo University. March, 2006.
- 20- Participation in the 3rd Arabian Conference For The Rheumatic Diseases – Cairo, Jan, 2006.
- 21- Participation in the Egyptian Society for Fitness and Professional Disability and Enviromental Health. December, 2005.
- 22- Presentation of reseach in the 8th International Scientific Conference of the Faculty of Physical Therapy – Cairo University, March, 2005.
- 23- Participation in the 2nd Arabian Conference for the Reheunatic Diseases – Cairo.
- 24- Participation in the First Scientific Conference for the Society of Child Nutrition and Fighting Malnutrition – December, 2004.
- 25- Participation in the First Arabian Conference for the Rheumatic Diseases – Cairo Apr, 2004.
- 26- Participation in the Second International Conference for Pediatric Neurology. 31/3-1/4/2004.
- 27- Participation in the Seventh International Scientific Conference of the Faculty of Physical Therapy – Cairo University under the title of "Physical Therapy is Social and Medical Rehabilitation" March, 2004.
- 28- Participation in the Second Internaional Conference of the Medical Research Division of the National Research Center. December, 2003.
- 29- Participation in the First African Arabian Conference for Caring and Rehapilitating Disabled, October 2003.
- 30- Presentation of research in the 6th International Scientific conference of the Faculty of Physical Therapy under the title "Physical Therapy is Prevention and Treatment" 2003.
- 31- Participation in the yearly scientific conference of the Institute of Childhood Studies, Ain-Shams University 8-10/3/2003.

- 32- Participation in the First International Conference for Pediatric Neurology – Feb, 2003.
- 33- Participation in the Fourth International Conference for Diabetes in Children and Adults 27 Feb 2003.
- 34- Participation in the First National Conference for Childhood Constraints Center – Alazhar University, April, 2002.
- 35- Presentation of research in the Alternative Medicine Conference 9-10/1/2003.
- 36- Participation in the 5th International Scientific Conference of the Faculty of Physical Therapy, Cairo University under the title of "Physical Therapy and Disability Containment" March, 2002.

12) Training Courses / Workshops:

- "Strategic Planning" 29/11/2016.
- "Stress Management" 27/4/2016.
- "Specifications of the exam paper" 17/2/2016.
- "Successful completion of training course "Basics of Nutrition" equivalent to 22 hours from 19/3/2012 to 14/4/2012.
- "Quality of job chances" 5/3/2009
- "Reference evaluation of students" 5/3/2009.
- "Involvement of disabled in education and work to reach development" 5/3/2009.
- "Toward better integrated care of geriatrics" 6/3/2009.
- "Advanced topic Physical Therapy for chronic hemophilia" 15/11/2008.
- "Theoretical and practical exam systems" 6/7/2008.
- Training course "Introduction for occupational therapy" on the sidelines of the 7th International Scientific Conference of the Faculty of Physical Therapy. 28/2/2004.

13) Seminars:

- "Effective leadership" 18/9/2012.
- Coordinator of the scientific seminar under the title of "Recognizing the role of children with special needs" 23/11/2010.
- The 4th scientific seminar of the Syndicate of Physical Therapy under the title of "Back dysfunction – problem and management" 9 December 2005.
- The educational seminar related to Community Service and Environment Development Sector – Faculty of Physical Therapy – Cairo University under the title of "Environmental balance and its effect on avoiding breast cancer" 30/3/2005.
- The scientific seminar of the General Syndicate of Physical Therapy under the title of "New era in Electrical Approaches Evaluation and Treatment Issues" 18/6/2004.

14) Staff members development training Courses in FLDC and leaderships. Cairo University:

A- Management skills development training courses:

- 1- "Organization of scientific conferences" 14/10/2011.
- 2- "Legal and financial aspects in the university business" 11/1/2001.
- 3- "Decision making and problem solving" 21/5/2005.
- 4- "Management skills" 4/12/2004.

B- Academic skills development training courses:

- 1- "Credit hours system" 30/1/2012.
- 2- "Exam system and students evaluation" 7/12/2011.
- 3- "Course designing" 22/7/2006.

C- Scientific research development courses:

- 1- "Scientific publishing" 11/7/2011.
- 2- "Scientific research tools" 1/1/2005.

D- General skills development courses:

- 1- "Meetings and time management" 28/12/2011.
- 2- "Effective communication skills" 14/5/2005.
- 3- "Effective presentation skills" 15/1/2005

15) Participation in Quality Assurance and Accreditation Projects:

A- World Confederation Physical Therapy (WCPT).

- Member in team work for the application to attain international accreditation from WCPT (Fullfillment of all Quality Requirments of the Education and Student Affairs Sector in the Faculty in Preparation for WCPT Visit in July 2017). Indeed, the Faculty had been internationally accredited in 11/10/2017.
- Accreditation of the Faculty from the National Authority to Ensure the Quality of Education and Accreditation (NAQAAE)
 - Participation in preparation for application to attain the accreditation from (NAQAAE) and preparation for the visit of NAQAAE (In Physical Therapy For Pediarics Department - alumini unit – educational clinical – community service and enviroment development sector).

The first exploration visit of the NAQAAE in 18/2/2013 and the final visit for the accreditation in 27/4/2014 when the Faculty attained the accreditation from the NAQAAE in July 2014.

- Coordinator of the Faculty celebration of accreditation in Dec.2014 which attended by Some of the university leaders and representatives of stakeholders from different sectors.
- Member in the teamwork of continous development and qualification to accreditation – Faculty of Physical Therapy – Caito University, which the faculty attained it from the projects management in the period from March 2008 to September 2010,

this is in preparation for attainment of accreditation from NAQAAE.

- Quality Assurance and Accreditation (QAAP) project in the faculty, which was contracted with the projects management unit in the Ministry of Higher Education from Sep 2003 to Nov 2005:
 - Member in the executive committee of the quality assurance project.
 - Member in the quality assurance project workshops preparation.
 - Member in the research standard in the quality assurance project.

Participation in the QAAP workshops from Sep 2014 to June. 2015:

- 1- Internal System for Education Enhancement.
- 2- a. Curriculum Development from Traceability to Achievability.
- 3- b. Guidelines to be a Good Facilitator in Training Program.
- 4- Quality Assurance in Planning of Institutional Academic Program.
- 5- Establishment of an Internal Quality Assurance System for Educational Enhancement: Requirement and Criteria.
- 6- Examination Standards in Academic Institution.
- 7- Development of Course Matrix.
- 8- Course Report.
- 9- Faculty Performance Appraisal for Enhancement of Internal Quality System (1).
- 10- Faculty Performance Appraisal for Enhancement of Internal Quality System (2).
- 11- Curriculum Planning and Methods of Evaluation (1).
- 12- Curriculum Planning and Methods of Evaluation (2).

16) Exams and its control units works:

- General head of the exams from September 2018 and currently.
- Head of the first university degree exams emergency committee from Nov. 2018 and currenty.
- Member in the first graduate level exams emergency committee, May 2017.
- Head of supervision and monitoring for the exams of first university degree committee from May 2016 tp Sep 2018.
- Head of the 4th year (neurology) exams control committee 2010/2011, 1st semester.
- Member in the 4th year (neurology) exams control committee 2009/2010.
- Member in the 2nd year exams control committee, 2nd semester 2008/2009.
- Member in the 1st year exam control committee, Jan 2009.
- Member in the Reset exam control committee, 4th year 2006/2007.
- Member in the control grading entery control from 2004 to 2006.
- Member in the 3rd year exam control committee (study program 1) 2003/2004.

17) Teaching load:

- Participation in updating and teaching pediatric Physical Therapy Courses:
 - On the first university degree:
 - Pediatric Physical Therap Course.
 - On the post graduate degree:
 - Master degree: Growth and development Course
 - Doctoral degree: Rehabilitation Course.
 - Supervising clinical training of pediatric physical therapy from 2006 to 2011.
 - Supervising internship students in Pediatric Physical Therapy Department from 2002 to 2006.

- Participation in preparation of pediatric physical therapy notes for the Bachelor degree students. from 2005 to 2009.

18) University services in the past 5 years:

1- In Education and Students Affairs Sector:

- Participation in the development of the educational process plan in the university via fulfillment of the measurement and evaluation study of the quality assurance in the faculty for the academic year 2016/2017.
- Member in the committee of putting the guidelines for payment of study fees of the foreign students that join the special study programs in Cairo University. November 2016.

2- In Community Service and Environment Development Sector:

- Participation in the medical convoy of Cairo University colleges to Luxor Governorate from 17-20/2/2014 under the care of the President of Cairo University.
- Coordinator of the overall convoys of Cairo University colleges to "The New Axis of the Suez Canal" and Esmailia Governorate (One of the canal cities) under the care of the President of Cairo University.
- First overall convoy 19/4/2015.
- Second overall convoy 15/6/2015.
- Participation in coordination of Cairo University celebration for honoring the Doctorate in social sciences to Al-Sheikh Soltan Ibn Hamad Al-Kasemy, Ruler of the Al-Sharikh Emirate. 12/5/2015.
- Representative of the community service and environment development sector in the University to attend "The National Week For The Sustainable Development" From 4-8/6/2015.

- Participation in arrangement of the promotional convoy of illiteracy activity with the participation of Cairo University students in the context of activities of the national project "Giza Without Illiteracy" in Cairo University from 27 to 30/4/2014.
- Participation in the preparatory committee of the 4th "Science day" 2015.

19) Participation in development management (Study Curricula Development):

First University degree:

- Participation in educational process development plan in the University Vis fulfillment of the measurement and evaluation study of the quality assurance in the faculty from the academic year 2016/2017.
- Member in study curricula development committee for the first university degree 2016/2017:
 - a- Approval and activation of "Log Book" for the following up of the study plan of the practical training of the Bachelor degree program to ensure fulfillment of the learning outcomes. November 2016.
 - b- Approval of "Rubrics" model template for practical exams with supervision of performance. Orientation sessions about how to apply it and activate using it in academic year 2016/2017 and 2017/2018.
 - c- Approval of "Student Portfolio" to assess students' skills in the courses and making orientation session in academic years 2016/2017 and 2017/2018.
 - d- Approval of "Log Book" for applied practical (Lab) for Basic Science Department in April 2017, for measuring targeted training outcomes for the applied parts of the courses in preparation to make special Log Book for every department in the faculty.
 - e- Participation in preparation and revision of programmes specification, and the internal regulations booklets for the graduates in the faculty. (Program of 2003 and 1984 program).

- f- Participation in updating course descriptions in the Department of Physical Therapy for Pediatrics in the first university degree.
- g- Participation in preparation of special booklet for the scientific curriculum for the first university degree students in Physical Therapy for Pediatrics.
- h- Participation with research paper under the title of "Using Models of Evidence Surveyes in the Self Study" in the second scientific conference for development of the first University degree in 12-13 July 2003.

Internship Skills Development:

- Activation of demonstrations sessions to the internsip students, given by staff members from the scientific clinical departments of the faculty.
- Activition of "Log Book" to follow the practical skills of internsip students.

Post graduate level degree:

- Participation in updating course descriptions of Department of Physical Therapy for Pediatrics in postgraduate level
- Participation in preparation of the scientific curriculun booklet for the post graduate students (Deploma – Master – Doctorate) in Pediatric Physical Therapy.

20) Participation in institutional development:

- Follow up of staves of building up, furnituring and readiness of the 5th floor of the faculty.
- Follow up of establishment of staff members elevator in the faculty.
- Participation in development of the eduactional out patient clinics from Aug 2012 to Jan 2014.
