## **XI. School, University, UVa Hospitals, Departments, National and State Committees & Councils**

### **A. School of Medicine**

**Co-Chair, Search Committee for Chair of General Surgery, UVA School of Medicine**, May 2016– January 2017

**University of Virginia Medical Alumni Association Board of Directors**, 5/16 – present

**Director, Surgical Skills Training Center** for resident/fellow surgical training. 2014-present.

**Committee member, Gross Anatomy Education Faculty Search**, July 2014. Responsible for interviewing final three faculty candidates.

**Undergraduate Medical Education Curriculum Reform Committee. Musculoskeletal System Co-Team Leader. (NexGen Curriculum)** 2009 - 2012. Responsible for the transition/reform of the musculoskeletal system medical school curriculum.

**Co-Chair, Medical School Education Taskforce**, Appointed by the Dean of the UVa School of Medicine. 2007-2008. Given the charge to provide the Dean and Board of Visitors recommendations on how to best utilize the new Medical Education Building. The taskforce was comprised of 44 premiere educators at the University. Report completed 5/08

**Course Director, University of Virginia Annual Orthopaedic Subspecialty Meeting**, 2002 – 2007. Responsible for the coordination and oversight of regional conferences for the education of Orthopaedic Surgeons on current advances in Orthopaedic Surgery.

**Faculty Advisor, Co-Director, and Founder of the University of Virginia School of Medicine Orthopaedic Club**. Responsible for coordinating meetings, lectures, and mentoring 1<sup>st</sup> and 2<sup>nd</sup> year medical students with interest in Orthopaedic Surgery. The purpose of the club is to introduce medical students to disorders of the musculoskeletal system. 2002 - present

**Evaluation of Program Effectiveness, Committee of Educational Program for the M.D. Degree**, University of Virginia School of Medicine, Appointed by the Dean of the Medical School 2005

**Buchanan Trust Committee for Funding of New Clinical Initiatives**. Appointed by the Dean of the Medical School. Review, score, and prioritize applications for new clinical programs at UVA. Distribute \$ 5 million per year. Award Period: 2005 – 2014

**B. University**

**President, University of Virginia Orthopaedic Alumni Association**, 2006 – 2007

**Secretary/Treasurer, University of Virginia Orthopaedic Alumni Association** 2003 – 2005

**C. UVA Medical Center / University Physicians Group**

**President, University of Virginia Physicians Group** 2017 – current (3 year term)

**UVA Medical Center/ School of Medicine Representative to the Medical Center Operating Board and the UVA Board of Visitors**, 2016 – current (2 year term)

**Musculoskeletal Service Line Director**, 2016-current

**Chair, Funds Flow Adjustment Committee**, 2016-current

**University Physicians Group Communications Committee**, 2016 – current

**Steering Committee, UVA Orthopaedic Surgery Expansion Project, Ivy Mountain Site**, 2016 - current

**Co-Chair, Search Committee for Chief Operating Officer UVA Medical Center**, February – June 2016

**UVA Strategic Advisory Committee**, 2015 – current

**UVA OR Capital Budget Subcommittee**, 2015 – present

**University Physicians Group Finance Committee**, three-year term starting August 2014.

**Surgeon Representative, Operating Room Supply Chain Optimization and Evaluation of New Technologies Committee**, June 2014- June 2016

**LCME Accreditation Committee**, June – October 2014

**Chair, Radiology Chair 5 –Year Review Committee**, February 2014

**Member, Evaluation and Recommendation Group** related to the appointment of an **Interim Chief Medical Officer**, February 2014.

**Clinical Strategy Group**, University of Virginia, Appointed by Dean and CEO, participates in SOM and Medical Center strategic initiative development with other senior leaders. August 2013 – Present

**Associate Chief Medical Officer, Surgical Services**, University of Virginia, 2 year term 9/11-8/13, Appointed by the Dean and CEO, responsible for improving quality, safety and efficiency of all in-patient and outpatient operating room services. Provide oversight over budgets, faculty and staff.

**Strategic Business Development Committee**, This committee is charged with identifying, assessing, evaluating, recommending and integrating business plans with operations for the advancement of the UVA Health System clinical strategy. July 2012 – July 2014

**Member, Main Operating Room Committee, 2011 – Present**

**Chair, Search Committee for Recruitment of Faculty Member in the Center for Biomedical Ethics & Humanities/Director of Clinical Ethics Programs. 2011 – 2012**

**Chair, Review Committee for the Center of Biomedical Ethics and Humanities. 2011**

**Member, Search Committee for Recruitment of the Associate Vice President for Hospital and Clinic Operations, 2009 – 2010**

**Member, UVA Market Strategy Committee, 2009 – 2012**

**UVA Physicians Governance Committee on Ambulatory Operations,** Appointed by Chairman of the Committee as the Surgical Representative to make recommendations to the Dean of the Medical School on how ambulatory clinic operations can be improved, 2008 – 2009

**UVA Medical Center Gift Policies Committee,** Involved in the development of recommendations regarding conflict of interest and industry relationships with the medical center, 2008

**UVA Outpatient Surgery Operating Center Subcommittee,** Appointed by the Dean of the Medical School and Chairman of the Committee as the Orthopaedic Surgery representative, 2004 – 2014

#### **D. Departmental**

**Chair, Department of Orthopaedic Surgery 8/2013 – present**

**Vice Chair, Department of Orthopaedic Surgery 6/2008 – 8/2013.** Director of clinical operations and faculty recruitment. Responsible for assisting the Chair with all aspects of the department including finances, the residency program, faculty development and evaluation, faculty recruitment, and all daily administrative responsibilities. Attend all university and medical center meetings pertaining to clinical activities.

**Residency Director,** Orthopaedic Surgery 2007 – 2011. Responsible for daily operations of the Orthopaedic Residency Program at the University of Virginia. (27 residents).

**Assistant Residency Director,** Orthopaedic Surgery 2005 – 2007. Responsible for evaluating resident performance and taking steps to improve the resident education environment.

**Faculty Recruitment Committee,** Department of Orthopaedics 2006 – present

**Director, UVA Department of Orthopaedics Residency Advocacy and Remediation Committee.** 2002 – 2011, Responsible for monitoring resident academic progress and instituting disciplinary or supportive action when required. Committee meets every 10 weeks to review resident evaluations

**Director, UVA Department of Orthopaedics Morbidity and Mortality Conference** (Quality Assurance Conference) 2002 – 2007. Responsible for coordinating monthly conference. Duties include documenting and analyzing results of conference for the purpose of improving department surgical outcomes (meets monthly)

**Director, Clinical and Basic Science Research, University of Virginia Hand Center,** Responsible for coordinating research efforts for the UVA Hand Center between the Orthopaedics and Plastic Surgery divisions. 2003 – 2012

**University of Virginia Orthopaedic Research Committee,** Evaluates and directs research efforts of the department. Allocate resources, 2003 – 2007 (Met quarterly)

**University of Virginia Department of Orthopaedics Resident Core Curriculum Committee.** Develops and implements departmental core curriculum and conference schedule topics. 2002 – 2012 (Met quarterly)

**E. National**

**Co-Program Director, American Society for Surgery of the Hand Specialty Day at AAOS, New Orleans, LA, March 2018**

**Co-Program Director, American Society for Surgery of the Hand Annual Meeting, Boston, MA, September 2014.**

**Member, Surgery of the Hand and Upper Extremity Curriculum Task Force, American Society for Surgery of the Hand, 2012 – 2014**

**Member, Member Engagement Task Force, American Society for Surgery of the Hand, 2011-2013**

**Member, Board of Specialty Surgery Match Oversight Committee, American Academy of Orthopaedic Surgery, 2009-2012.**

**Fellowship Training Advisory Group, American Society for Surgery of the Hand, 2010-2013**

**Member at Large, Executive Council, American Society for Surgery of the Hand, 2009-2012**

**Board of Specialty Societies Representative, American Society for Surgery of the Hand Research Representative to the American Academy of Orthopaedic Surgeons, 2009-2012**

**Diversity Advisory Board, American Academy of Orthopaedic Surgeons, 2009-2011**

**Commercial Support Committee, American Society for Surgery of the Hand, 2008 - 2011**

**Advocacy Task Force, American Society for Surgery of the Hand, 3-year term started 2007-2010**

**Program Director, American Society of Surgery of the Hand, Adrian Flatt's Resident & Fellows Course, ASSH Annual Meeting, 2011**

**Adrian E. Flatt Residents and Fellows Conference Committee, American Society for Surgery of the Hand, 3-year term 2007-2010**

**Prospective Clinical Trials Committee, American Society for Surgery of the Hand, 2005, 2006, 2007.** Responsible for reviewing national grant applications and allocating resources

**Department of Defense, Orthopaedic Extremity Trauma Panel 2005 (US Army Medical Research Command Grant Application).** *Civilian Grant Reviewer*, responsible for reviewing grant applications and providing suggestions for resource allocation to the Department of Defense

**F. State**

**Past-President, Virginia Orthopaedic Society, 5/2011 – 5/2012**

**President, Virginia Orthopaedic Society, 5/2010 – 5/2011**

**President-Elect, Virginia Orthopaedic Society, 5/2009 – 5/2010**

## B. Visiting Professorships

1. Visiting Professor, **North Carolina Society for Surgery of the Hand Annual Meeting**, Williamsburg, Va, "Volar Plate Osteosynthesis of Distal Radius Fractures with Concurrent Prophylactic Carpal Tunnel Release Using a Hybrid Flexor Carpi Radialis Approach", October, 2017
2. Visiting Professor, **Sino-American International Orthopaedic Conference and Central China International Orthopaedic Conference**, (Beijing, Tang Shan, Xi Xing, and Zheng, Zhao, China), 1) "Total Elbow Arthroplasty", 2) "Advances in Hand Surgery", September 2017
3. 6<sup>th</sup> Annual Wayne Akesson M.D., Visiting Professor, **University of California, San Diego**, Department of Orthopaedic Surgery, 1) "Cartilage Restoration Options for Osteochondritis Dissecans of the Capitellum in the Elite Adolescent Throwing Athlete" 2) "Volar Plate Osteosynthesis of Distal Radius Fractures with Concurrent Prophylactic Carpal Tunnel Release Using a Hybrid Flexor Carpi Radialis Approach" 3) "Life In Academic Medicine, My Constant Struggle to Achieve Work-Life Balance" November 2016
4. Visiting Professor, **University of Albany**, Department of Orthopaedic Surgery, "Nerve Transfers for Brachial Plexus and Peripheral Nerve Injuries" August 2016

5. 40<sup>th</sup> JB Williams Guest Lecturer, **University of Connecticut**, Department of Orthopaedic Surgery Graduation Visiting Professor, 1) "Cartilage Restoration Options for Osteochondritis Dissecans of the Capitellum in the Elite Adolescent Throwing Athlete" 2) Life In Academic Medicine, My Constant Struggle to Achieve Work-Life Balance June 2016
6. Visiting Professor, **Medical University of South Carolina**, Department of Orthopaedic Surgery, "Treatment of Osteochondritis Dissecans of the Capitellum in the Elite Adolescent Throwing Athlete" April 2016
7. Stein-Finerman Visiting Professor in Orthopaedic Surgery, **Johns Hopkins University**, Department of Orthopaedic Surgery, "Treatment of Osteochondritis Dissecans of the Capitellum in the Elite Adolescent Throwing Athlete" December 2015
8. Visiting Professor, **Brigham & Women's, Beth Israel, Mass General Harvard Combined Orthopaedic Residency Program** : "Treatment of Osteochondritis Dissecans of the Capitellum in the Elite Adolescent Throwing Athlete" October 2015
9. Visiting Professor, **CV Star Hand Center, St. Lukes-Roosevelt Hand Surgery Fellowship**: 1) "Volar Plate Osteosynthesis of Distal Radius Fractures with Concurrent Prophylactic Carpal Tunnel Release Using a Hybrid Flexor Carpi Radialis Approach" and 2) "Treatment of Osteochondritis Dissecans of the Capitellum in the Elite Throwing Athlete" January 2015
10. Visiting Professor, **Wake Forest Medical Center, Department of Orthopaedic Surgery** "Treatment of Osteochondritis Dissecans of the Capitellum in the Elite Athlete", January 2015
11. Visiting Professor, **Emory Medical Center, Department of Orthopaedic Surgery** "Treatment of Osteochondritis Dissecans of the Capitellum in the Elite Athlete", October 2014.
12. Visiting Professor, **Carolinas Medical Center, Department of Orthopaedic Surgery**, Annual Resident's Visiting Professor Program, "Treatment of Osteochondritis Dissecans of the Capitellum in the Elite Throwing Athlete", June 2014.
13. Visiting Professor, **University of Pittsburgh Medical Center Hand Fellowship Program and Department of Orthopaedic Surgery**, "Treatment of Osteochondritis Dissecans of the Capitellum in the Elite Throwing Athlete", March 2014.
14. Visiting Professor, **University of Cincinnati, Hand Fellowship Program and Department of Orthopaedic Surgery**, "Treatment of Osteochondritis Dissecans of the Capitellum in the Elite Throwing Athlete", March 2014.
15. JT Davis Visiting Professor in Hand Surgery, **University of Mississippi, Department of Orthopaedic Surgery**, 1) "Volar Plate Osteosynthesis of Distal Radius Fractures with Concurrent Prophylactic Carpal Tunnel Release Using a Hybrid Flexor Carpi Radialis Approach" and 2) "Treatment of Osteochondritis Dissecans of the Capitellum in the Elite Throwing Athlete" March 2014.
16. Visiting Professor, Dr. Robert Hussey Memorial Lecturer, **Virginia Commonwealth University Medical Center, Department of Orthopaedic Surgery**, 1) "Volar Plate Osteosynthesis of Distal Radius Fractures with Concurrent Prophylactic Carpal Tunnel Release Using a Hybrid Flexor Carpi Radialis Approach" and 2) "New World Biology of Flexor Tendon Repairs ", June 2012.
17. Visiting Professor, **University of Rochester, Department of Orthopaedic Surgery** "Flexor Tendon Repair and Regeneration", November 2011.
18. Visiting Professor, **Curtis National Hand Center**, Union Memorial Hospital "Congenital Hand Differences", August 2009.
19. Visiting Professor, **Johns Hopkins University Medical Center**. "Comprehensive Review of Hand, Wrist, and Elbow Trauma", September 2007.
20. Visiting Professor, **Johns Hopkins University Medical Center**. "Management of Forearm and Elbow Trauma", September 2006.

21. Visiting Professor, **Johns Hopkins University Medical Center**. "Evaluation and Treatment of Traumatic Hand and Wrist Injuries", August 2006.
22. Visiting Professor, **Johns Hopkins University Medical Center**. "Treatment of Traumatic Injuries of the Upper Extremity", September 2005.
